## Seniors Make Their Choice- Full-Time Work Or College

The time which we have spent twelve years preparing and waiting for has finally arrived. In less than one week, we will no longer be Edsel Ford students; we will be official alumni. But the end of high school is the beginning of a new life, full of new responsibilities, decisions, and opportunities. What will become of us? Will we succeed in our new lives, or will we fail? No one can be sure what the answers are; we can only hope that we have gained enough intellectual and emotional maturity from the past years to help us achieve a successful future.

Many of us will begin full-time work or go to college, and some will get married. Whichever path each graduate follows, he must understand that the future will not be easy, especially in a world tense with war and unrest. He must also understand that this world need not always seem so undesirable. The education each graduate has acquired is a tool which can be used to create a better future. The approaches to classes at Edsel Ford are intended to provide a broader educational background and, thus, a greater understanding of people and things. There is no reason why this understanding should be discarded as soon as the commencement exercises are over. We should, instead, remember that each one of us is responsible for the future, and each one of us has the means to make it some degree better.

What will become of us? Will we succeed or fail? We will begin to find out when we meet together for our reunion in ten years. For the moment, we must remember that the diploma we will be given is an invitation to become a full-time member of the world and conditions around us. Let's hope we accept it graciously.

## Farewell To A Friend; Cathy Leaves For Home

Cathy Eri will soon complete her year at Edsel Ford as an American Field Service exchange student from Montevideo, Uruguay.

While attending Edsel, Cathy said that English Humanities was her favorite subject. She also made some interesting comments about school in Montevideo as compared to Edsel Ford. She said that school is easier here. "At home, we have fourteen subjects a year, but we only have them about two or three times a week. We also go to school on Saturdays—but only from 8 o'clock in the morning until 1 o'clock in the afternoon," she said.

### Hobbies

When she is not involved in school work, she enjoys reading and cooking, at home, as well as in the United States.

### New Experiences

This winter, Cathy had fun just walking on ice and snow—something

she had never done before. In Uruguay, it never gets any colder than 28 or 30 degrees.

Cathy will leave Dearborn at the end of June and go on a bus trip to the Eastern states with some other AFS students. She will be back in Montevideo by the end of July. Cathy confessed that she is a little anxious to return home because she misses the beach, her friends, Montevideo, and the language.

All of us who have known Cathy will miss her and remember her long after she leaves.

## Students Receive 68 Scholarships

At graduation, 68 Edsel Ford students will receive scholarships and awards. Among these are Bonnie Ledebuhr, Les Luchonok, Angela Sweet, Yvonne Schumacher, and Ellie Moberg, who have received U. of M. Regents Scholarships. Linda Passeno received a scholarship from Eastern Michigan.

Steve Sylvester was awarded the Alvin Bentley Scholarship, The Doris Doolittle Award, and a State of Michigan Scholarship and tuition grant.

Receiving scholarships to Michigan State are Jan Frazier and Marianne Karner. Jane Brundage won the National Council of Teachers of English Award.

The E.F.H.S. Faculty Memorial Scholarships went to Angela Sweet, Bobbi DeKay, and Jeanette Metea. Eric Cummins received the Doris Doolittle Scholarship.

## Graduating BOLT Members Finish Hectic Semester

The Bolt staff has been busy all year trying to help promote school spirit and keep the students and faculty well informed. Among these hard working students are twelve seniors who will be graduating on June 15.

Jane Brundage, assistant editor, joined the Bolt staff in 11B. Before being assistant editor, she was a copy reader for a year. Headline writer for page one, Lori Karbowski, and sports editor, Larry Shadday, also joined the staff in 11B after completing one semester of journalism. Page editors, Sue Rue, Lynne Hamilton, and Pat Naumann, have all been on the staff for one year and have taken journa-

lism since 11B. Picture editor, Louise Wyczawski; headline writer, Kathy DeMara; and reporter, Kathy Mussill joined the staff in 12B after completing Journalism 2. Circulation editor, Sue Tate; reporter, Sharon Koch; and sports writer, Mike Lebert, have been on the staff since 12B after completing only one semester of journalism.

The remaining members of the staff would like to congratulate these seniors and wish them luck in the future. The new Bolt editor, Phyllis Turley, 11A, and the new assistant editor, Eileen Nahina, will no doubt continue to do a good job of keeping the news circulated throughout next year.

Graduating BOLT members are from left to right: Mike Lebert, Larry Shadday, Lynne Hamilton, Sue Tate, Sue Rue, Pat Naumann, Louise Wyczawski, Jane Brundage, Sharon Koch, Kathy Mussill, Lori Karbowski, and Kathy DeMara.

# Edsel Girls Athletic Association Has Huge Loss of 56 Members

Graduation means many things to many different people. To G.A.A. it means losing fifty-six active members.

When the seniors first came to Edsel Ford, they brought along with them some very strong swimmers. As sophomores, **Camille Wojewuczki** and **Ingrid Kaas** were victorious in the 50 yd. freestyle; **Joann Carter** won the 50 yd. backstroke; **Joann Schumacher** was first in the 50 yd. breaststroke; and the trio of **Linda Pomathy**, **Carter**, and **Wojewuczki** won the 75 yd. medley. That same year the seniors won the volleyball championships and were the runners-up in the softball tournament.

When the seniors returned to school in the fall of 1965 as juniors, they were runners-up in both the field hockey and basketball tournaments. In the spring, they were runners-up in the volleyball championships, and **Nancy Dudek** was the table tennis champion.

## 12A Counselors Get Big Thanks

For the length of our stay at Edsel Ford, our counselors, Mrs. Flegle, Mr. Adams, and Mr. Zipple have been earnestly working to help the students as individuals and the entire June 1967 graduating class as a whole.

This is a small tribute to them, with an extra big THANKS from the 12A's.

For three years, our counselors have worked behind the scenes to promote class activities and class spirit.

For example, last fall during the candy sales, the three of them could be seen hurrying around with huge boxes of candy, trading orders, and counting money (\$1,200 worth).

Mrs. Flegle assumed the responsibility and extra work of class council sponsor. Mr. Zipple attended our dances, participated in the candy sales, and was in charge of a station the day of the car wash. On such a day, a person had to have the initiative to want to help the class. Along with these class projects, Mr. Adams also participated in the donkey basketball game.

Speaking on behalf of all three counselors, Mrs. Flegle felt, "Each class that we take through Edsel seems to have a personality of its own. This class, also seems to have distinct traits."

"It is a class which is very democratic, courteous, thoughtful, and full of good school spirit." An example of its good school spirit and democratic procedures was seen when the class was dissatisfied with something. As juniors, they were worried about student morale. They invited to a meeting, the class officers from other grade levels, the Executive Council officers and representatives, the Principal and the assistant Principal. As a result of this meeting, a Student-Faculty Committee was formed.

The club will also lose its officers, **Camille Wojewuczki**, president; **Pat Major**, vice-president; **Cheryl Riske**, secretary; and **Marlene Strahota**, treasurer.

Other graduating seniors are **Kathy Bailey**, **Marsha Bower**, **Danette Brandy**, **Donna Brusseau**, **Joann Carter**, **Judy Chase**, **Barbara Collins**, **Roberta DeKay**, **Kathy Ditner**, **Diane Donnelly**, **Nancy Dudek**, **Colleen Dunn**, **Debbie Gersell**, **Sue Greene**, **Lynne Hamilton**, **Sue Tate**, **Jan Hoehner**, **Ingrid Kaas**, **Martha Knox**, **Joan Lewandowski**, **Judy Mack**, **Gail Madar**, **Marie Major**, and **Jeanette Metea**.

Also graduating are **Donna Mist**, **Ellie Moberg**, **Sue Mulheisen**, **Mureen Murtaugh**, **Cheryl Nickel**, **Kathy O'Donnell**, **Cheryl Pallick**, **Fran Perniciaro**, **Marlene Pochmara**, **Linda Pomathy**, **Juanita Robles**, **Sue Rue**, **Yvonne Schumacher**, **Adrienne Seabright**, **Gail Snelling**, **Joann Sopchak**, **Angela Sweet**, **Susan VanDusen**, **Sue Vedder**, **Carolyn Yagelo**, **Diane Yokom**, **Gail Williamson**, **Kris Barnes**, **Marsha VanDyle**, **Sue Osborn**, **Nanci Gest**, **Linda Watts**, and **Stephanie Mason**.

# Senior Class Officers Prove Outstanding!!!

The June 1967 Class has really kept its officers busy with its numerous projects, meetings and activities. The four people who have led and directed these activities are **Chris McKinnie**, president; **Steve Sylvester**, vice-president; **Martha Knox**, secretary; and **Susie Vedder**, treasurer.

**Chris McKinnie**, besides being president of the class, is also president of the Student Council and has been an active member since 10th grade. Throughout his three years at Edsel Ford, Chris has participated in many sports and is a member of the Varsity Club. Outside of school, Chris has served as chairman of the Junior City Beautiful Commission and vice president of the Junior Traffic Safety Council. Chris will attend Michigan State in the fall.

**Steve Sylvester** is also a member of the Varsity Club and has participated in sports throughout his three years at Edsel Ford. He has participated in the band for three years and is now treasurer. Besides these activities, Steve is a member of the National Honor Society, Latin Club, and Hi-Y.

and this year has served as sports editor for the **Flight**. Steve was also a National Merit semi-finalist. He plans to attend Kalamazoo College next fall.

**Martha Knox** has served as secretary of her class for the past two years. She has labored long and hard, writing and typing minutes for Class Council each week. Martha is a member of Official's Club and G.A.A. and has participated in intramurals for the past three years. She has also been a member of Booster Club, French Club, and Y-Teens. In the 11A, she was accepted into the National Honor Society. Next fall, Martha will attend Albion College.

**Susie Vedder** has also been a very active member of G.A.A. and Officials Club and has participated in intramurals for three years. She has been a member of the **Flight** staff and the French Club. In 11A, Susie also was accepted into the National Honor Society and has kept her membership throughout her senior year. Susie will attend Bowling Green University in the fall.

## Senior Class of 1967 Makes New Record

A record has been set, and our senior class of '67 has set that record.

What record? A record of having the most money in the class treasury of any senior class ever to be in Edsel Ford. This is pretty good since the class was "flat" broke at the beginning of their school year.

All this money was earned by numerous class projects. The first project was the Halloween candy sale in which they earned the largest lump sum. Second was a combined dance with the January '67 class. Third was their own dance, "Spring Fever." Fourth came the car wash on the most miserable day of the year. Then came a name card sale and last, the most unique project of them all, the donkey basketball game.

All that work must add up to more than \$1,000, and it does. What is going to be done with it all? First, \$150 is going to be given to the Student Council to help pay for the plaque Mr. LeVeque is designing for the former students of Edsel who were killed in Viet Nam.

Also, \$150 is to be donated to the making and designing of the year book cover. The biggest amount to be paid out for one of the gifts is the \$1,000 being donated to build a Peace Corps school in Tanzania, Africa. The check for the school will be presented to a Mr. Steve Manchester, a member of the Peace Corps, at the Senior Breakfast on June 15, 7:30 a.m.

The money that is left in the treasury will be used as a donation to the U.S.S. Hope ship in Viet Nam.

## Edsel Ford Says Good-Bye To Linda, Susie, and Melody

With the graduation of the June '67 Class, the varsity cheerleading squad will be losing three members. They are **Linda Pomathy**, co-captain; **Susie Mulheisen**, co-captain; and **Melody Rousakis**.

Linda and Susie have been on the squad for two years, while Melody has been a member for one year. Their official duties ended in April, with the running of the cheerleading clinic and the picking of a new squad. However, all three girls have been requested to supervise the new cheerleaders in their summer practices.

The many fond and funny experiences that the girls have had in their years as cheerleaders will always linger in their minds. Linda remembers all the summer practices on the football field and the fences they had to climb because the gates were locked. Susie will never forget the time when she was so excited about a

victory that she fell off the Booster Bus. And Melody will always remember the water fights in the showers after the games.

All three girls have been very outstanding cheerleaders in devoting much of their time into building our school spirit. But now it is time for them to leave and prepare to face the future.

Linda plans to attend Junior College in the fall and study general business. With her, Susie will also be attending J.C. in the field of nursing. Melody will be going to Western

Pomathy

Mulheisen

Rousakis

Michigan University into the Liberal Arts field.

Congratulations girls, and Edsel Ford thanks you for your service!

# Big Year For Thunderbirds

by Mike Lebert and Rick Matton

The big clock in the gym ticks away the minutes that remain in the 1966-67 school year. Looking back at it now, it was quite a year in sports for the name "T-Birds."

Tick, tick, tick . . . Double football practice late in August . . . The Cross Country team running around the school . . . Football players knocking each other around, getting ready for the opening of the season . . . Cross Country men putting in more miles as the days go by . . .

It was quite a year for the football team, taking their third straight Huron Rouge title, with an unblemished season. The offense rambled for 191 points, while the defense yielded a miserly 26.

While the football team was running away with the glory, the Cross Country team was being left in the dust. Their record was ?????? and with total attendance something like 25.

Tick, tick, tick . . . In November, a different bird took the scene, the

turkey, and the basketball, wrestling and swimming seasons started. It was quite a year for all three of them.

The basketball team compiled a fine 13-2 record, finishing second only to Ypsilanti for the title. A few records were re-written in the process. The Birds scored 100 points on opening day against Roseville, and they ground out a winning streak of nine, before they were beaten by the Braves.

It was also a great year for the wrestling team. They wound up 12-1, which was another school record. They too, finished second to Ypsilanti.

While this was going on, the swimming pool was filled with action. The tankers floated to a season's record of 10-3, which was good enough for a tie with Dearborn for first place honors.

Tick, tick, tick . . . In spring a boy's fancy turns to thoughts of baseball, tennis, track, and golf???

It was quite a year for individual glory in spring sports. The Cinder-men posted a 4-5 season record, but

Terry Walters and Tom Klug shattered a few records themselves, in the process. Walters helped rewrite five—the 100 yard dash, 220 yard dash, the quarter-mile, the speed relay, and the mile relay; and Klug rocketed 21 feet and a half inch, for a new record in the running broad jump.

In golf, the Tee-Birds finished with a 9-5 team record, but they too erased a page-full of records. Dan Schewe shot a 34 for nine holes, and a 72 for eighteen, which are both new school records, while the team as a whole shot a 154 in nine, and a 312 in eighteen.

It was quite a year for the tennis team, as they came back from dropping their first three matches, to take their next four in a row in a very strong finish. They were undefeated in league play.

In the baseball world, the Birds wound up with an over-all record of 5-4, with help of the strong right arm of Mike Yuskowatz, the big bats of Larry Suarez and Fritz Tallion, and

the sure hands of Matt O'Donnell.

It was quite a year for sports, and now it's time for us to say thanks to those who made it quite a year for us.

First of all, "thank you" to the coaches of the individual sports for the help they gave us in writing our stories.

Thanks to Ted Grignon for putting up with being tagged "Mr. Modest" and "the Sparkplug."

Special thanks to Dan Schewe. Many's the time that we went down to the varsity locker room without an idea in our heads, and he was always ready to help us out—quite a guy, Mr. Schewe.

Thanks to Curt Chubner for denying a quote that he gave us.

Thanks to the boys in the print shop for putting up with our last minute stories.

Thanks to Mrs. Barker for putting up with our unorthodox methods of sports writing.

Thanks to Judy Guerney for her great (?) headlines on our stories.

Thanks to you for reading this.

## June Graduation Claims 35 Lettermen, 12 Captains

by Tony Vadino

Coaches are usually happy people, but when graduation rolls around, the happiness disappears. Coach John Davis jokingly put it. "Every year we lose so many good people, I always wonder if we'll ever win another game." He was just kidding, but again this year many of our fine athletes are leaving. Thirty-five lettermen, including 12 captains are graduating.

Dan Schewe lettered in and was co-captain of the football and basket-

ball teams. He also lettered in golf. Steve Kough was co-captain of the basketball team and also lettered in football and baseball. Jim Moss and Rod Machak were captains of our wrestling team and lettered for three years. Machak also played on our championship football team. This year's swimming team was led by captains Rod Slick and Mike Paris, both 3-year varsity men. The golf team was led by 3 letterman Chuck Gulash. Kurt Chubner, who played varsity football and basketball, was co-captain of the 1967 track team along with Terry Walters. The tennis team was captained by Tony Vadino, a three letterman in swimming, and

Charles McKay. Our cross country team was in the able hands of Jim Little.

This is only part of the impressive list of athletes who will graduate this week. Both Doug Bock and Pat Moena lettered in football, basketball, and track. The baseball team loses lettermen Fritz Tallion, Les Luchonok, and Larry Suarez. On the varsity cross country team were Steve Sylvester, Dennis Smillie, and Joe Boersma. Dale Phillips, Tom Klug, and Ken Peterson lettered on the track team. Ken was also a letterman in cross country. Senior lettermen on the tennis team were Dave Lanyon and Craig Zumbroegel. Steve Carson let-

tered in football, baseball, and swimming. Graduating swimmers are Bob Burkhardt and Dave Reaume. Dennis Polk was a member of both the varsity football and track teams. Buck Rogers lettered in football and swimming. Chris McKinnie and Dennis Clark were members of the varsity football team. Seniors leaving our golf team are Ed Grigg, Vic Marin, and Paul Simon.

This June, Edsel truly is losing many good athletes, but history shows our coaches always find someone to fill the gaps. All the graduating lettermen wish the teams of 1967-68, the luck and success they have had in the last three years.
