TRIBUTE

The '61 and '62 Reunions and the Mini-Reunions and Rendezvous that followed were very successful events due in a large part to the leadership and planning expertise of Pam Cotten. Mary McGarr has always been there for guidance and input on how to make the post 50th Reunion events even better. Pam and Marston and Gary and Mary were unable to attend the 2023 Irvin Reunion because of health reasons, so we wanted them to know we so appreciate their past efforts.
