Price Paces Everett '11' To 14-13 Win Over Chiefs

Vikings Score Twice in Second Half for Fourth Victory

OKEMOS, Nov. 8—George (Whitey) Price, playing his last football game for Everett high, sparked a second-half rally here Friday afternoon as the Vikings came from behind to nip Okemos, 14 to 13, in a non-league game.

Price, one of the outstanding prep players in the Lansing area this fall, scored both touchdowns—the second with only three minutes left in the game—and completed his afternoon's work by running for both points after touchdowns to account for all of Everett's points.

The victory was Everett's fourth in eight games. Okemos finished the season with a 5-3 record. Okemos, which nailed down second place in the Ingham County league race last week, completely dominated the first half against its Capital Circuit conference foe Friday and held a 13 to 0 halftime margin.

The Chiefs scored in the first period when Jerry Rosa busted around end for the last five yards of a sustained drive. Russ Burch ran for the extra point. Coach Bill Shippey's Everett eleven started to move in the second quarter, but lost the ball on Okemos' one-yard line when Bob Burchfield fumbled and the Chiefs recovered.

Coach Ed Kiley's Chiefs took advantage of the break and on the third play, Dick Ewing swaggered around end and galloped 70 yards for a touchdown. Another run for the extra point failed.

A partially blocked punt set up Everett's first scoring opportunity on the Chief's 40-yard line. Price carried the last five yards, and converted the extra point on a fake place-kick run. Early in the last quarter Okemos threatened again and had a first down on Everett's five-yard line. The Everett line held, and then the Vikings marched 97 yards for the winning touchdown.

Jerry Bentley, Everett senior quarterback, connected on a 15-yard pass to Price for the payoff play. With the score tied at 13-13, Price again stepped into the breach and ran for the extra point and the victory.

Second Half Rally Gives Okemos Victory, 25 to 13

(Special to The State Journal)
STOCKBRIDGE, Oct. 20—Leading by a single touchdown at halftime, Okemos counted twice more in the last two quarters and whipped Stockbridge, 25 to 13, in an Ingham County league football game here last night.

Dee McDonald's 45-yard touchdown trip early in the third period was the turning point of the game. It followed earlier markers by Russ Birch and Dick Ewing and gave the Chiefs an 18-7 edge. Ewing later added the final six points. Dale Miller passed 25 yards to Carl Carpenter and Bill Fouty bulled over from two yards out for the Stockbridge scores.

County Race Seen a Sizzler

By BOB HOERNER

Looking for a favorite in the Ingham County league football race? Spin an eight-sided top and the school that lands up will be as good a choice as any.

The eight-team Class C conference is expected to have one of its tightest races in recent years with any one of the squads strong enough to come up with the honors. Loop play opens Friday with three night games and an afternoon tilt at Dansville.

Holt, the perennial defending champions, plays at Leslie, Okemos travels to Fowlerville, and Haslett goes to Williamston in the arc contests. Stockbridge plays at Dansville in the after-school game.

Here are brief sketches about the eight teams (last year's league won, tie and loss records in parentheses):

Holt (6-0-1) — Four-times defending champions, and playing in league last year. Will enter Capital Circuit next fall. Four returning regulars, but have reserve power to again sweep to title.

Haslett (5-1-1) — Coach Oland Dunkle, starting first year at Haslett, has letterman at every position, including eight regulars. Just missed last year, but holds slight edge in race this fall.

Fowlerville (4-1-2) — Started last year with group of sophomores in rebuilding job. Eleven veterans back, but may be year away from title contention. Could be surprise of league.

Okemos (3-0-4) — New Coach Ed Kiley has dozen lettermen, including four regulars. Three of the veterans are in backfield. Probably fastest backfield in league with Sprinter Dick Ewing leading the way.

Leslie (3-0-4) — Heavy line could give Fullback Dick Hecksel openings needed to make the veteran fullback a scoring threat every time he carries ball. Coach John McCarger has 14 lettermen, including nine regulars. Line may average near 200 pounds.

Williamston (3-0-4) — Certainly the darkhorse in the race. Coach Bob Kohloff—another new mentor in the league—has a brand new line, but is cautiously optimistic about squad. Hornets open season against Haslett and Holt, and could upset their title hopes.

Dansville (2-0-5) — Probably a year away, as only three seniors, first eleven. Bob McElreath starting first year in coaching ranks.

Stockbridge (1-0-6) — Although the Panthers have never won the league football title, the team — under Coach Charlie Wright — has new spirit, and will demand the respect of every squad in the league. Wright has nine lettermen from last year's team—six on the line and three backs.

Third Place Game's Goal

Okemos and Stockbridge Meet in Ingham League's Main Game

By BOB HOERNER

Third place in the Ingham County Football league will be up for grabs Friday afternoon when Okemos and Stockbridge meet on the Chiefs' field.

The league's top teams—undefeated Haslett and once-beaten Holt—do not see league action this week. Haslett is idle after winning five in a row and Holt travels to Mason for a non-conference game with the Capital Circuit eleven.

Two other league games are on tap. Leslie (2-3) plays at Williamston (0-5) and Fowlerville (2-3) is host to Dansville (1-4).

Coach Ed Kiley's Okemos team and Coach Charlie Wright's Stockbridge Panthers have each won three and lost a pair of games. The two teams are evenly matched as both have lost to Holt and Haslett. Both also have victories over Dansville and Fowlerville.

Ewing Sets Up Scores

Okemos' scoring has been spread around with Russ Burch, Jerry Rossa and Harold Grier each scoring two touchdowns this year. Dick Ewing, central Michigan sprint champion last spring, has set up many of the touchdowns with long runs. Stockbridge will have to stop this quartet of runners to take the Chiefs into camp Friday.

After winning its first three games, Stockbridge lost a last-minute decision to Holt and then went down before Haslett. Bill Fouty and Vic Jurkan have been the offensive leaders for the Panthers.

Leslie, although defeated in its last three starts, is favored to beat Williamston. The Hornets have given up 112 points in five games and have been able to score only nine themselves. Williamston has lost five in a row.

Coach Maro Miller's Fowlerville Gladiators have come back strong after dropping their first three games. The Gladiators topped Williamston 27 to 0, and then beat Leslie, 26 to 13, as Larry Wallace accounted for all the points. Dansville won its first game in five last week by downing Williamston, 21 to 0.

Haslett Gets Chance to Go Out in Front

Trailing Holt high most of the season because it has not played as many league games, Haslett high will get a chance to move into first place in the Ingham County league football race Friday night.

The undefeated but twice tied Vikings met Okemos on Haslett's field in the only league game. A victory for Coach Howdy Beyers' outfit will set the stage for the championship game the following Friday when Holt and Haslett meet.

In the non-league games, Fowlerville and Holt face Capital Circuit conference teams. The Gladiators entertain Howell and Holt Travels to Everett. The circuit elevens are favored in both of these contests.

Leslie finishes its season against Hillsdale and Stockbridge winds up its campaign against Pinckney. Williamston entertains Lansing Resurrection, but does not close until Nov. 9 when the Hornets meet Durand. Dansville finished its seven-game schedule last Friday.

Although heavily favored to beat Okemos, Coach Beyer and his Haslett team have every respect for the Chiefs. Okemos has had an in-and-out season so far with four victories in seven games.

Dee MacDonald and Dick Ewing, a pair of sprinters on the Chiefs' track team last spring, give Coach George Dunn plenty of speed in the backfield. MacDonald had a part in all three touchdowns when Okemos tripped Williamston, 21-19, early in the season. He tossed two touchdown passes to Russ Burch and scampered across for the other. Ewing ran 70 yards against Dansville for a marker as the Chiefs won, 19-6.

Herbie Hagenbuch will again be Haslett's strongest offensive punch against the Chiefs. The scrappy junior halfback has tallied 13 touchdowns on runs and passed for three more. Running along with Hagenbuch for Haslett will be John Metro, Bill Haskins and Darwin Hart.

Vikings Ramble Past Okemos, 34-6; Long-Gainers For Touchdowns

(Special to The State Journal)

HASLETT, Nov. 3—Setting the stage for its title collision with Holt next week, Haslett polished off Okemos, 34 to 6, in an Ingham County league football game here last night.

Herb Hagenbuch ran 50 yards to put the Vikings on the right track, and John Metro followed up with touchdown passes of 15 and 45 yards to Bill Haskins. Harold Buist went four yards, and Metro a like distance for the other Haslett scores. Dee McDonald passed to Dick Ewing for the Okemos marker, the play covering 85 yards.

Okemos	0	6	0	0-6

Mel Swab Leads Chiefs Past Leslie High, 28-6

(Special to The State Journal)

OKEMOS, Nov. 1 — A pair of touchdowns in the second and third periods gave Okemos an easy 28 to 6 victory over Leslie in an Ingham County league football game here Friday afternoon.

Mel Swab was responsible for all four markers for the Chiefs, three on passes and one on a lateral. He also converted all four times.

His first toss went six yards to Jerry Roosa, the second 55 yards to Harold Greer, another of the same distance to Dick Ewing and the lateral play, also to Ewing, covered 60 yards.

The lone Blackhawk touchdown came on a freakish play. Leslie worked its way to the Okemos 10 where the ball was fumbled and bounced over the goal line. An Okemos player picked it up but bobbled it before leaving the end zone and Dick Hecksel fell on it for a touchdown.

WESTERN MICHIGAN COLLEGE

KALAMAZOO, MICHIGAN

DEPARTMENT OF PHYSICAL EDUCATION AND ATHLETICS

April 1, 1953

Mr. Dick Ewing
Okemas High School
Okemas, Michigan

Dear Dick:

This is to congratulate you on your performance at the Chip Relays. You competed against the best boys in the state this year, and you showed potential as a good prospective college athlete.

Another reason for my contacting you at this time is to get you interested in coming to Western Michigan College to continue your education and your success in track. Before long you will receive a school catalogue and other information about our school and athletic program. We are building up our track program, and we have a good varsity and an exceptionally good freshman team this year.

Enclosed you will find a copy of our schedule this year. There you will see that we compete in the Mid-American Conference and in the Central Collegiate Conference against top track schools like Notre Dame, Drake, Marquette, Michigan Normal, Wayne, Bowling Green, Miami, Ohio University, etc. We also take trips annually to the Drake Relays in Iowa, to the National Collegiates, and we run in large cities like Cleveland, Chicago, Cincinnati, Milwaukee, Detroit, Indianapolis, etc.

Our school offers many professional and pre-professional courses of study of which Physical Education Teaching and Coaching is one of the best anywhere. Other areas for study toward degrees, academic and vocational, are:

General Arts and Sciences

Music

Business Administration

Vocational Industrial

Agriculture

Dentistry

Engineering

Forestry and Conservation

Air Conditioning and Refrigeration

Machine Shop

Tool and Die Making

Electrical

Journalism

Law

Medicine

Occupational Therapy

Social Work

Industrial Arts Education

Air Transportation

Aircraft Mechanics

Printing

Radio

Drafting

Automotive Maintenance

You are probably concerned about your draft status, and it might interest you to know that our Reserve Officers Training Corps (R.O.T.C.) trains and helps most of our boys to complete four years of college before they go into the service as commissioned officers.

I will be happy to hear from you if you are interested in further information about our educational and athletic program. Also, if you can find time in the near future to visit here to see the school, the campus, and the athletic facilities, please feel free to do so.

Sincerely,

G. G. Dales

Mr. Dick Ewing
Okemos High School
Okemos, Michigan

Dear Dick:

May I take this opportunity to congratulate you on your fine showing in the Albion Invitational Track Meet held last Saturday. I discussed with you briefly the possibility of your attending Albion in the fall. No doubt during your short visit here you were impressed with our fine facilities and would concur in our belief that Albion is one of the outstanding small colleges in this area. We are very much interested in attracting to our campus individuals such as yourself. I am hoping that while contemplating your choice of college for next fall, that you will give serious thought to Albion before reaching any final decision.

We would like very much to have you visit our campus again, and give us an opportunity to talk with you about Albion. While here we can make arrangements for accommodating you, and we feel sure that you would find such a visit pleasant and enjoyable. Should you plan to take advantage of an opportunity to visit our campus, would you kindly indicate on the enclosed card what date you will arrive and I will make the necessary arrangements at this end. I trust that I might hear from you soon regarding this matter.

Sincerely,

Dear Dick:

This is a letter of appreciation and congratulations on your having made the State Meet and competed on the Michigan State campus.

We were extremely glad to have you here and we hope you liked your treatment. We also hope you were as successful as could be expected. The competition was tough and the only detracting element was the weather, which nobody could help.

May I express the wish that you will continue your scholastic and athletic career. I wish you every success, either in your remaining years in high school or, if you are a senior, in the college education that I know you are looking forward to. We shall be glad to do anything possible to help you get lined up if Michigan State is the institution towards which you are looking. Please let us know if there is anything we may do to help.

Dear Dick:

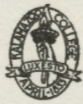

Any boy who places in both the 100 and 220 in the State Meet in his class has at least some possibility as a big time collegiate varsity sprinter. You did just that. Consequently, I am writing to ask if you plan to go to college and, if so, are you interested in Michigan State.

I should be more than glad to hear from you and will watch the mail with interest.

Dear Dick:

This is your official invitation to report for football practice on Sunday, September sixth, 6:00 p.m. at Harmon Hall.

For those athletes living outside Kalamazoo, the room and board will be at the expense of the College. The athletes who live within Kalamazoo will be provided with their lunch at the expense of the College.

Uniforms will be issued at 7:00 on Sunday evening Sept. sixth. Football practice will begin on Labor Day at 9:00. There will be two practice sessions daily with the exception of Sunday.

School will start for the freshmen on September 16 and on the 21st of September for the upper classmen.

Enclosed you will find a postal card. Please complete it, and return it to me immediately.

In order to report in top physical condition you should observe the following rules closely from now until football practice commences. (a) At least 9 hours of sleep, (b) exercise daily, 50 jumping jacks, 15 chins, 20 push-ups and plenty of 20-25 yard starts. Be in top condition when you report, as we will need most of our practices to learn a new system.

In case you know of any good athletes in your area, bring them with you when you come.
