

THE
Shield

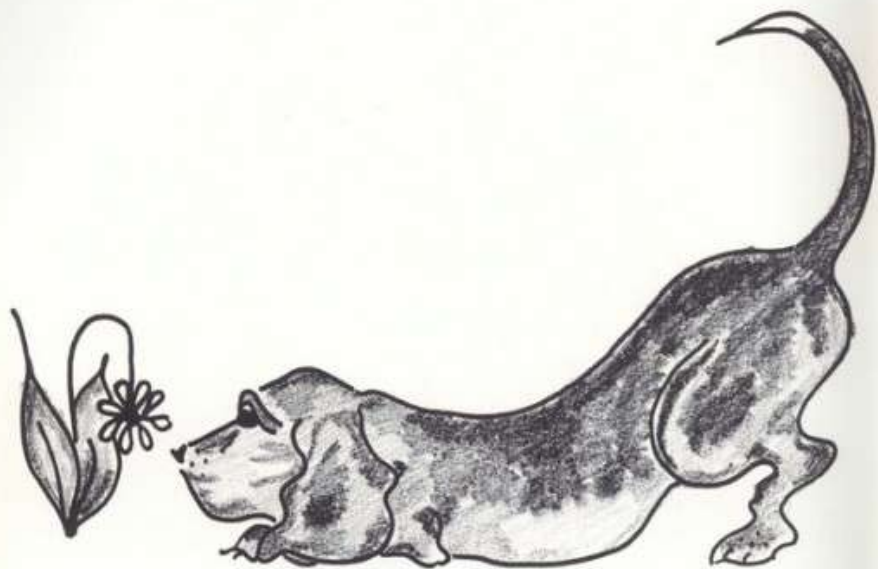

NINETEEN HUNDRED AND FIFTY NINE

*When September arrives
And activities start,
Much fills our days,
We can't tell them apart;
We cherish them all,
But our memory's not clear,
So in order to keep them,
We've stored them in here.
Now as they all happened,
We've recorded each treasure
And when we have finished,
You can read them with pleasure.*

· THE · 1959 ·

· S H I E L D ·

We, the Class of 1959, to help express our gratitude to a counselor and a friend, are honored to dedicate this SHIELD to Miss Kay Kelly.

When we were freshmen Miss Kelly began teaching at Westside. Since then she has helped guide us through our high school years.

Through her sustained efforts, Miss Kelly has created stimulating interest in the field of science. She introduced the course of aeronatics and Civil Air Patrol to Westside. She, herself, won the National Science Teachers Recognition Award.

We truly appreciate her diligence as she worked to make Westside High School a better and more complete school.

*As we leave thee, Alma Mater,
We will choke back tears.
We will ever cherish memories
Of you through the years.*

*We think of fun and competition
And our classroom days;
Now in caps and gowns we cheer you,
To thee, Alma Mater, praise.*

*We will proudly bear your standard,
Never tarnished by defeat.
As we hail thee, Alma Mater,
May you ever stand elite.*

*A little work, a little play,
To keep us going all the day.
Just helping others all day long;
Admitting if we're in the wrong;
A friendly smile, a cheerful "hi,"
Can give others the will to try.
Cooperation brings progress;
Not only that, but great success.
The quality of being fair
Is no great secret if you share
Your secrets, ideas, hopes, and plans
With others who will understand.
These things help us in high school days,
As well as in life's future maze.*

"w" club

The "W" Club is the lettermen's club of Westside. Any boy who letters in any sport while playing for Westside is eligible to be a member.

The activities of the "W" Club are: co-sponsoring the Homecoming Dance with the Pep Club, and co-sponsoring the Basketball Sweetheart Dance with the Pep Club. The boys rent cushions to spectators during the football season, and sold Westside Warrior pennants during the games and in the halls of school.

This year the "W" Club established a memorial to Jim Hicks. One senior athlete who most closely follows the Lettermen's Code will receive the award.

Girls are selected to belong according to their schedules and friendliness. Officers are: Dorry Hall, President; Susie McCurtain, Vice President; Gayle Fiala, Secretary-Treasurer. Class Chairmen are: Gail Parish, Seniors; Gail Bucholz, Juniors; Marcie Malone, Sophomores.

sports

*'Tis autumn when our school begins,
The season of the year
When teenage boys from Westside High,
Know football season's near.*

*They start to train and get in shape,
And eat the things they should,
But after their first day of skills,
They're always stiff as wood.*

*Then winter comes, and it is time
For a new sport — basketball.
And Mr. Koch gets out new suits,
And a red, white, blue B-ball.*

*When spring arrives in early March,
The tennis team takes shape.
The baseball team begins to play,
And the track team uses tape.*

*The milers run throughout the year,
The sprinters loaf it through.
The golf team practices putts and strokes,
They all work harder too.*

*Those sports we couldn't do without;
They really add to fun.
And girls like boys who play the best;
'Tis sad when sports are done.*

drill squad

During the summer of 1958, all the cheerleaders went for a week to the University of Oklahoma's cheerleading clinic. They received instructions on better cheering techniques and learned new cheers. The varsity cheerleaders placed first in the final competition and the reserves were rated third in

earlier competition.

Eight members of the drill squad were chosen to accompany the Warrior band on their excursion to Miami, Florida, for the Orange Bowl game. This will be one of the honors always remembered by the participants.

*The things that we remember most,
The things of which we talk and boast,
I think perhaps are memories —
The dances, plays, and victories.
The football games we didn't win
Were sad allusions — now and then.
The steady couples with their fights;
The Prom, when we stay out all night.
The Band will always hold in view
The Orange Bowl, and Contest too.
The '59 Varieties;
The "Young, Gay Hearts" the Juniors see.
These memories of our high school life
Have come through work, and prayer, and strife.
For Seniors these are cherished dreams
That we will hold for life, it seems.
But for the underclassmen here
You have in store another year
A year of fun and memories —
A year of new activities.*

The offices in the County Court House have one day set aside for their recognition. Students from the various public schools elect students to fill the offices.

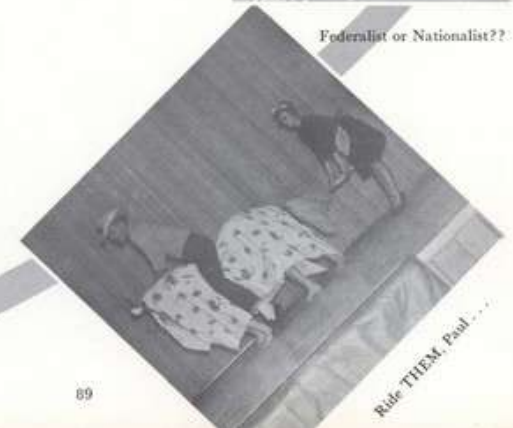

Juniors taking American History are eligible for this honor. The students, the Nationalists, under Mrs. Dunn compete against Mr. Winchell's students, the Federalists. A vigorous party rally is staged by each group with restriction at a minimum.

Federalist or Nationalist??

What mighty strength!! ...

During the school-year, 1958-1959, the Westside's debate squad showed a great growth in potential. Under the able supervision of Coach Hazel Patz, a new group of debaters was developed to supplement the second and third year debaters. Westside saw its first year as a member of the Missouri Valley Debate League and its chapter of the National Forensic League grew at an amazing rate. Some of the outstanding tournaments attended were the William Chrisman Invitational at Independence, Missouri; Nebraska Wesleyan University; and the Hastings Invitational. About 15 tournaments were attended in all with Westside returning with many trophies.

Four of the Senior Debaters are Reichstadt, Gray, Moler, and Slattery.

Blazek and Hall are the Senior girl debaters.

Poley and Allen are three-year debaters.

The other two girl debaters are Burns and Curzon.

Vischer, Clark, and Durham complete the boy debater's rostrum.

And always finding fault with you;
But some times you are grouchy;
And you are wrong and unfair, too.*

*They make you study hard,
And you dislike them for it;
But what else can they then do,
To make you learn and fit.*

*But now I'm doing very well,
And really thank my teachers, just
For making me study and learn,
I think they are a must.*

Charge!!

Sexy, aren't they?

The things from outer space.

Always play inside?

M-m-m-m

Now I'll fight ya!!

Sure we'll win

We're paid!

Like our new suits?

Really yell!!!!

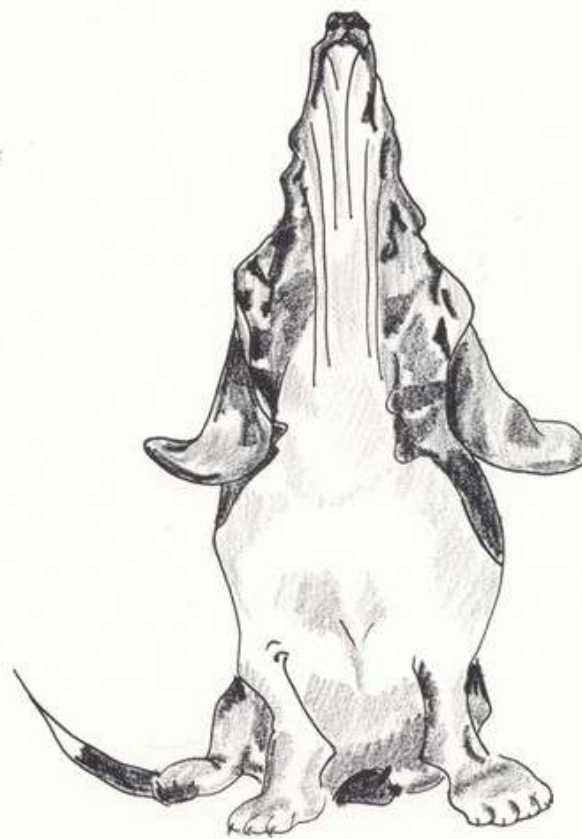

Anyone for Trowbridge? It's not so serious!!

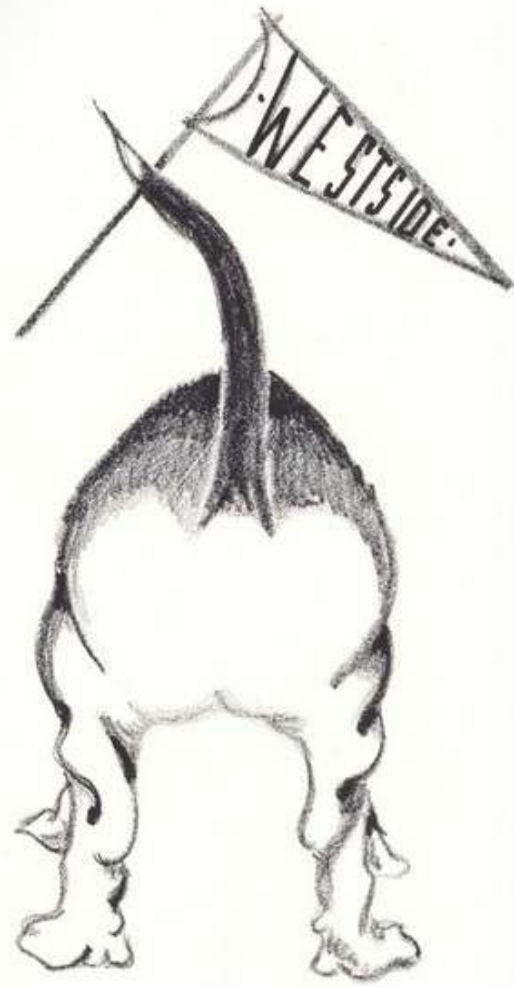

Don't talk too long.

advertising

To make the Shield a great success
Our chief direction was progress.
The money angle was in view;
Here's what we have in store for you!
To raise the money for their book,
The staff went out, and ads they took
From people all around our town
Who wanted advertising now.
The ads are really quite unique,
So turn the page and take a peek!
