Spring 2020 ❖ [www.BensalemOwls.org](http://www.BensalemOwls.org)

## From The President's Desk

by Ray Guim, '74

HELLO ALUMNI!

Welcome to 2020. I guess we're all seeing a little clearer lately (ha ha, get it? 20/20?). As always, the Alumni Association has a lot on its agenda for the upcoming year. I thank you for taking a few minutes to read our newsletter.

First on the agenda is the newsletter itself. We are finally moving into the new millennium. This will be the last year that this newsletter is mailed to everyone. Right now, we mail this letter to over 17,000 alumni. Starting next year, we will only mail our newsletter to paid members because we need to trim costs if we want to keep helping high school seniors with scholarships. We will still have the newsletter online for everyone to see, but you will not get a mailed copy unless you are paid up. Dues are only \$12 for the year, so if you like getting the newsletter, make sure you use the dues form on the back of this one or go to our website at [www.BensalemOwls.org](http://www.BensalemOwls.org) and pay by card or PayPal.

## *The Alumni Association has a lot on its agenda for the upcoming year.*

In other news, we had our sixth all-year reunion picnic at the pavilion at the Bensalem Township Building. I personally had a great time. Of course, I always have a great time at these events; you just never know who is going to show up and where the conversation will lead you. This year we had pretty good interest in the event, and we are planning on more this year at the Trifecta Club, which some of you will recognize as the old German Sports Club on Bristol Road. They have a lot of outdoor activities and even a place to go if it rains. The cost is \$20 and includes food (see inside). We are really looking to make this a big event this year, and I personally invite you to come out and meet everyone. You can keep up to date on our plans via our website ([BensalemOwls.org](http://BensalemOwls.org)) or through our Facebook group at Bensalem Alumni Association, Inc. We are still looking for a band to provide a little entertainment—if you know anyone who would like to help out, let us know.

Next up is our golf outing. We are doing our 33rd golf outing this year on June 17, 2020 at Bensalem Township Country Club.

See the details on next page. I always have a great time at this event, too.

Continuing on, the alumni veterans wall really came out great! Wayne Lewis '62 (former Navy) has put it all together, and now we are at 1,229 names on our wall. This wall is for anyone who has served in any branch of the military. If you know someone who deserves to be on there, please ask them to send us a copy of their military ID so we can add them. We cannot put a name on the wall unless we verify that they were in the service and want to be listed. Overall, I think our veterans wall really looks amazing, and if you get a chance, stop by the Bensalem High School auditorium or, of course, check it on our website.

The last topic is something that I always seem to be working on: the "In Memory" section of our website. Those of you who know me may think this is an odd hobby of mine. I would say that this is not a fun part of being the president of the Alumni Association, but it is a necessary task to be done. I really think I do it to show some respect to our past classmates. I guess this is a small thing, really, but if you ever wondered what happened to So-and-So, you could look on our site (BensalemOwls.org) and either send them an email to say hello or see them on the In Memory list. At least this way, you know where they are. Right now, we have 30,000+ names in our database, and we have 3,128 names in our In Memory section. If we are missing an obituary, please let me know about it, and I will post to our site.

Before closing, I think it is important to restate that our purpose, per our mission statement, is "to help graduating Bensalem High School students further their education by providing them with an award toward their education costs." Last year we gave out 8 scholarships for a total of \$13,500. We select these winners by reviewing students' essays. Our criteria varies for each scholarship: we select three by need, three by achievement, and two by a sponsor requirements. The members of our committee review the essays and select the most deserving in each category. The problem we have with this is, of course, that when you read the essays, you want to give a scholarship to all the kids. You can help us solve this problem by making sure to pay your member dues. Your \$12 contribution can go a long way for a student in need.

Once again, thank you to all of the dues-paying members. We could not do it without you!

*District. Since its inception, BEF has worked to raise funds for needs throughout the district including STEM lab and robotics equipment and programs. They have also provided funding for nursing suites, cafeteria and recreational equipment purchases. The foundation also offers an opportunity to purchase commemorative bricks placed in an area called the "Owl Walk" outside the high school. The money raised from the sale of these bricks is used to enhance the nine district libraries. The foundation's "Take Your Seat" program allows people to buy nameplates for the seats in the recently renovated performing arts center at the high school. The money raised from this program goes to buying equipment needed in the high school auditorium.*
