**HELLO ALUMNI!**

We're a little late in getting this version of our newsletter out. I guess most people reading this will know how despite of our best intentions, life sometimes gets in the way.

This past year was a great one for the Bensalem Alumni Association. Not only did we have our annual golf outing (which was great success!), we also had our first annual all-year picnic at the Bensalem Township Country Club on September 10. It was just awesome! For the first time, over 300 people from so many years stopped in to say hello. If you were there, you know that it was impossible to walk across the field without seeing someone that you knew. Even if you didn't know someone, you'd find that if you talked to them a little, you'd realized that you knew their neighbors, their cousins, their uncles... turns out we Owls are all connected!

As usual at the all-year reunions, all I do is talk to everyone. The people of Bensalem never cease to amaze me. We have such a great history of good people; it's incredible. Of course, the person who did *not* get to talk to everyone was Linda Panuccio '72. We were a little short on volunteers, so Linda took on all the responsibility of checking everyone in and accounting for all the money. Thank you, Linda! You really went above and beyond. We hope that next year some people will be willing to help their community out and volunteer to help our association. Don't forget that we meet on second Tuesday of the month (most recently at the E House), and we'd love to have you there! If you can help, just send us an e-mail or give us a call. You are needed.

As for the golf outing, this past year was also one of the best years ever as far as fundraising was concerned. And, really, that is what we're all about since those funds can go to students in need. In June, we reviewed all of the essays that graduating seniors submitted for our scholarships and then used a range of criteria to determine need and achievement to select our award winners. Ultimately, we were able to give out \$12,500 to nine graduating seniors to help them jumpstart their higher education. I personally find it difficult to read these essays every year because I want to help each and every student! Their stories are so compelling. Maybe someday, with your fundraising help, we will get to do just that.

Another item we worked on in the last year was the "In Memory" section of our website. For those of you who never go online or who are only on Facebook, I encourage you to find our site, click on your name, and create a profile. You will be amazed

at the quality of our website! Not only will you be able to see your name, you will also be able to see the names of all of your classmates—and all graduates in the classes before and after yours. The "In Memory" section, for our Owls who have passed away, currently has 2,432 names. Of those, most have either an obituary or community-submitted comment, shown with a rose next to their name. I've spent a lot of time searching online using both the Social Security Index and an online newspaper archive to find lots of missing obituaries for this section. Sometimes I'm not sure why having this information is so important to me, but I think it's because I find it to be a matter of respect for our Owls. We all go through life and get to know so many people. Often, the people we grew up with are more important than all of the others we meet over the years. If you read the comments, I think you'll agree that hearing about old friends can stir up some powerful and meaningful emotions. If you know someone who has passed away and is not in our "In Memory" section, I encourage you to let us know so we can honor their lives there. Additionally, if you know someone in this section who does not have a rose next to their name, please add a comment to their page to share your memories.

All of our yearbooks since 1925 are now scanned and ready to be posted online! If you're a techie or just interested in this project, maybe you have some ideas of how we can do this most efficiently (and cheaply). Let us know if so.

Another function of our

association is to help people connect with others. If someone wants to find an alumni member but is having trouble, we will help by sending a letter to the missing party with the name and phone number of the person looking for them. Please note that we never give out address or phone numbers without alumni permission. This year we have a request from a Ron Christian and a Vietnam Veterans group looking for Ben Hughes who graduated in 1963. The want to find him to verify a battle where Lural Lee Blevins III was heroically killed in a battle while saving many men. They are not sure of the name or year. One of our members told us it may be Ben Herb '63 because this person was

known to wrestle for BHS. If this sounds familiar, please help us track down this witness so he can help a hero be honored.

Looking ahead to our new year together, remember: the next golf outing is June 14, 2017 at Bensalem Township Country Club. Be sure to get us your name and number if you want more information. Our picnic will be in September, but right now we are not sure of the exact date. You'll have a great time if you go, so get us your name soon so we can put you on our invite list!

I look forward to all of the great things we'll get to do together soon.

\* \* \*

I would like to personally thank the following incredible people for not only providing our committee with a gift certificate to the E-House but also presenting me with an awesome BHS letterman jacket (left). I never lettered in athletics when I was in school, so when it was presented to me, it really felt like a special, personal thank you. I love it!

Now, when I go to watch games, the kids might think I'm a student. Well, okay, maybe not—but at the very least, they'll want a jacket just like mine.

See you at the next reunion!
