Get the Most from the Website

Wanda Wallace Gomez (1972) volunteered to, and has done an outstanding job of, implementing and managing our website. It's a big job she does for us, so thank her for if you have an opportunity.

Control Your Data

On the website you can access only limited information about your classmates without logging in. You can set up and access your own information by logging into the website yourself. When you login to the website you can control your information on the website available to your classmates. While you are logged in you can also access the information about your classmates that they have permitted you to see. Your information is used only for the purpose of communicating with you and your classmates about CPHS matters and events.

What's on the Site

On the website you will find not only your classmates but also your teachers, photos, yearbooks, and other information related to College Park High School and school activities. Wanda has put the Annuals (Year Books) for several years on the website and will add

others if and when they become available.

Locate Your Classmates?

You may wonder "Where did everyone go after graduation?" Here is where they went: CPHS graduates live in 44 states and 8 foreign locations. In fact a link on the website will allow you to "map" classmates in your class around the world with a single click!

Register and Pay

You can register and pay for attending the upcoming CPHS Reunion 2018 via our website at www.CollegeParkRams.Org.

By John Masters CPHS 1963

Official CPHS Alumni Website

This website has brought many classmates together, and is a wonderful "grand central station" for communication and news. When classmates register, individual classmate profiles are created by the classmates to let friends and schoolmates know their location and what has happened since high school. Classmates can upload photos, and even have individual year reunion news and photos posted. The classmates listed in the website database are from

previously existing class lists and from senior class yearbooks.

We are still seeking yearbooks for the missing years 1983 - 1988, so we can post senior class photos on the classmate profiles for all years. Several years have been completed, but some are only partially completed at this time. See the status of the project on the website home page.

If you register on the website (and keep your email address current) we can send news easily and save postage by doing so! If you do not find your name listed on the web site, use the email address listed on the site to request that your name be added to your class year. You will then receive an invitation via email to join the site and create your profile.

There is news, maps, and an online registration link for the upcoming 2018 Reunion on the website. Help make the CollegeParkRams.org be the best website it can be!

By Wanda Gomez, CPHS 1972

All costs of operating the website are paid by the CPHS Multi-Year Reunion Committee and contributions from CPHS graduates, teachers, and volunteers.

PARKING:

Overflow Parking Lot: Parking in the Overflow Parking Lot is free. This lot is a short walk to the hotel entrance. Watch for signs directing you to the Overflow Parking Lot entrance.

On-Site Parking Lot: The Hotel charges \$10.00 per night for parking in the On-Site parking lot. Entrance and exit to this lot is automated. A parking ticket is

received when entering this lot, and a parking ticket must be presented to exit the lot. The Renaissance has agreed to provide the Reunion Committee with stickers for payment of one night of parking in the On-Site lot when the sticker is attached to the parking ticket. You must obtain a sticker from the Reunion Committee to obtain your free parking in the On-site lot; the hotel will not provide this sticker to you. Without the “sticker” affixed to your parking ticket at the time of your exit, you will be charged \$10.00 for the night of the Reunion.

Hospitality Suite:

The Renaissance has graciously provided the Committee a Hospitality Room for Friday Night August 17th. If you arrive Friday night, check out the Hospitality Room. It could be like the “Green Door”. You might want to see “just what’s going on in there”!

Golf Anyone?

Maybe there will be a golfing event Saturday morning for those who cannot stay off the links. When definite information becomes available it will be posted on the CollegeParkRams.org website. The idea is for 9 holes at the College Park Course (about 1.5 hours for the Par Golfers) beginning about 10am. To support this idea contact Brooker Wolfe (71) and let him know. BrookerCPH71@Comcast.net

Vehicle Display

Due to the physical layout of the Renaissance a Vehicle Display has not been planned. If you wish to bring one or more of your prized vintage vehicles to the reunion contact Brooker Wolfe for additional logistical information.

CLASS of 1968 50 Year Reunion Friday August 17, 2018 Response Requested

The Class of 68 is planning its 50-year reunion and needs to hear from all those who wish to attend and who have not yet responded to email invitations. There were 137 of us who lined up to receive our diplomas at the Atlanta City Auditorium on May 13, 1968, and www.collegeparkrams.org says all but 21 of us are still around. Several locations are under consideration.

Contact Funkmeister J, aka Jack Nunn jacknunn10177@gmail.com for additional information.

College Park Historical Society Open House & Documentary Saturday August 18th 2:00 pm – 3:30 pm

On the afternoon of the reunion, the College Park Historical Society invites you to attend an open house between 2P and 3:30P. Whether you want to check out the exhibits, thumb through old annuals, or peruse the archive, it's almost certain that you'll find something reminiscent of your days growing up in College Park.

Following the open house, the Society will screen a 30-minute PBS documentary entitled "College Park: A Purposeful Renaissance." The film, which also aired on Georgia Public TV, traces the early history of College Park and tells the story of how the city became home to Georgia's 4th

largest historic district. Having roots in College Park, you won't want to miss it. See a short trailer at <https://vimeo.com/124632246>

The College Park Historical Society is located at 3675 Auditorium Way, right behind City Hall. Additional parking is available in the rear of the building, accessible from College Street, directly across from the baseball field.

1st United Methodist Church Homecoming

Sunday, August 20, 2018

As part of its long history with College Park High School, the College Park First United Methodist Church, at the corner of East Main and Harvard Avenue, will again conduct a Homecoming Celebration the weekend of the CPHS multi-class reunion. The 11AM worship will be followed by a potluck lunch in the Fellowship Hall to which all are invited. The church will provide meat and drinks. If you can, bring a side dish or dessert, but if that proves impractical, come anyway; there is always plenty for everyone.

What Am I Gonna Do With All My Stuff?

It's been sitting there for years, decades probably. You don't know what to do with it. Your kids don't want it, your grandkids certainly don't. You're torn. On one hand it's representative of a formative time in your life, the time you spent at College Park High School. On the other hand, it just adds to the clutter, and somebody's eventually going to have to deal with it.

Your memorabilia from College Park High School, previously tucked away in a box or a cabinet somewhere, needs a new home, a place where it will be loved and appreciated. Why not

the **College Park Historical Society**, a 501(c)(3) non-profit organization dedicated to the collection and preservation of items of historical significance to the city? It is the *other* **CPHS**, located right behind City Hall at **3675 Auditorium Way**.

While all donations have a special place, perhaps none at the Historical Society possess a higher profile than those of class annuals (also known as Year Books). Annuals tell the story; they contain the history from bygone years.

No annual was published in the years 1943-1946, although group Class Photos were taken for at least some of those years. In order to complete its archive, however, the Historical Society needs annuals from more recent years, those being 1974, 1978, 1979, 1980, 1983, 1985, 1986, 1987, and 1988.

All donations will be acknowledged with a letter from the Historical Society which you may use for tax purposes. You can either drop off the items at the Historical Society on the day of the reunion from 2pm – 4pm or leave them with Garland Watkins, who will be manning the class of 1968 Table at the reunion itself.

Additional Class Events:

Your class may be planning additional events the weekend of this **Multi-Year Class Reunion event**. Contact your **Class Coordinator** and / or the www.CollegeParkRams.org website for additional information.

Suggestions & Ideas

This Reunion is about you! If you have specific ideas and suggestions please convey them to Brooker Wolfe or a Class Coordinator of your choice.

Volunteer

Thanks to the internet, Volunteers can be effective regardless of their place of residence. It's a fun and rewarding way to stay in touch with classmates, help find missing classmates, or help implement the reunion plans.

The End of an Era

College Park High School closed its doors after the Class of 1988 left for greener pastures that spring. The building is still there. The city is still there. But the institution is gone. "Gone with the Wind".

On closing day we said our last farewells; farewells to friends and faculty who returned to participate in, or just observe, the funeral of a dead institution. We danced in our socks in the gym like we had done so many times in our youth. We gathered in the bleachers and on the field of Baggett Stadium where many of us had learned a lesson or two and reminisced about our classes, our class officers, and our homecoming queens. It was a gruesomely sad day.

Thirty years later, though, the people we knew, the friendships we made, and the lessons we learned have kept the spirit of CPHS alive in the hearts of many. Attending school there meant different things to different people. Those who gather every three years to celebrate their time at CPHS are those whose lives were impacted and enriched by the experience.

We mourn the friends we have lost in war and piece, but we should also take time to appreciate those friends we still have with us.

The CPHS Multi-Year Reunion August 18th is a time of Thanksgiving and celebration of all the great friends we made and still have during those most formative years of your lives. Come help us celebrate our successes.

CPHS OPEN HOUSE 2017

Although the 2017 CPHS Open House had serious logistical problems in spite of everyone’s best efforts, it turned into a good affair. It was clearly recognized that better planning was in order for future events. The weather was good, although a little warm for prolonged waiting in the sun and shade for the doors to open. This was the second such event in recent years. A few hundred alumni and families made it through the halls to see where the Armory used to be, where we learned a skill we thought we would never use (typing), and where we had a good time during good grades and not so good.

**WE ARE THE
DEAR OLD GANG**

We are the dear old gang of College Park
 And we are just as good as we can be.
 We'll have you know this is our battlecry,
 "We're gonna win this game or know the
 reason why."
 We're gonna fight, fight, fight for every
 score,
 And get that ball and shoot it straight to
 goal,
 And put the other team down in the hole,
 In the hole, College Park.
