Together Again

Twelve Prep classes marked five-year milestones in 2016, as they came home to Grand & Warren to celebrate the Prep brotherhood. Ten classes gathered in May at the annual Milestone Reunion, including the 25th reunion class of '91, who received silver diplomas to mark the occasion. The Class '55 gathered a few days later for Prep's first ever 65th reunion, and the Class of '66 spent their 50th reunion weekend together in September, earning their golden diplomas as they joined the ranks of the Cepheans.
