

“The '62 Masters” Putting Champion

In the 140+ year history of Prep, there has never been a legitimate Putting Champion crowned.

Now Prep finally has one.....and it turns out that he's a '62 guy!!!

As you can see, no course or tough shots deterred him in his quest to achieve this truly historic feat.

However, “Boz” may not have won, if not for the expert coaching by the Commish.
