When St. Peter's Prep and Paramus Catholic face off on Dec. 5, they'll both enter that contest as Top 25 teams. According to MaxPreps' new **Top 25 High School Football Rankings**, the Paladins are the No. 13 team in the country and St. Peter's Prep is No. 24.

Paramus Catholic climbed up one spot from No. 14 last week, while St. Peter's Prep was unranked.

Elsewhere in prep football rankings, both teams made **Scout.com's Top 50**, but Scout has the Marauders at No. 14 and Paramus Catholic at No. 38. Both teams moved up three spots, per Scout, from the previous week

When Dec. 5 does roll around, the contest will be one of the more highly-anticipated showdowns of the winter in the nation. It'll be a rematch of last year's Non-Public, Group 4 championship game, which **Paramus Catholic won 13-6**.

It's no secret that both teams are considered rivals in New Jersey football and some words are already being sent out via social media.
