

OL — [KJ Miles](#), [St. Peter's Prep \(Jersey City, N.J.\)](#), 6-3.5, 261

Played everywhere in the trenches and made a huge impact on both sides of the ball for the Non-Public Group 4 champs.

KJ Miles (right), St. Peter's Prep offensive lineman

Joyce was worried because this guy was injured when they lost to St. Joe's Montvale in the regular season.

He said the backup was picked on and he hoped this guy would be ready for the State Final. He wasn't and they still won.

Gronda will be happy that two of their three best players are returning, and the two of them are linemen.
