

Nick's sister and brother-in-law reside in Palm City, Florida. During Nick's recent visit, Jane and Gene Rainis hosted a Xavier alumni get-together.

Gene is an alumnus of Xavier, Fordham and Wharton. He's also the present Chairman of the Board of the Gregorian University in Rome.

Jack Raslowsky, '79 served as Prep's very first lay Principal from 1992 - 2003, has been inducted into the "Legends of Prep", and in 2009 became the very first lay President of Xavier, an office held by only Jesuits since its founding in 1847.

Jack was the speaker at the Xavier alumni gathering and gave a talk on "Keeping Things in Perspective" to a group of Jesuit alumni, including 20+ from Xavier, 3 from Brooklyn Prep, and the 2 SPP grads in the picture.

While greatly outnumbered, Nick relates that the 2 Marauders "held their own" as proud SPP grads.
