My wife and I are Prep Parents (P '14,17, 18 and hopefully '24). I met a 1962 Alumnus this weekend and would like to send a message to the Class of 1962. Is there a way I can do that?

Re: Class of '62

**Mr. Boyle - Thanks for the response. Please tell your classmates the current Prep parents are very appreciative of the Alumni support.**
