

To recap Danny's email:

- We are trying to raise \$500 for the **Class of 1962 Scholarship Fund**.
- It's a MARCH MADNESS Basketball pool, for the NCAA Championship game to be played Monday, April 7th at 9PM on CBS.
- All you have to do is buy a box or more at \$10 each.
- There are 100 boxes.
- As soon as all boxes are sold out, numbers will be randomly generated.
- If your box's numbers are the back numbers of the half time score you win \$100, if they are the back numbers at the end of the game you win \$300.
- As a consolation prize, if your box touches the top or bottom of the winning box, you win \$25. The rest of the money (\$500) goes directly into the scholarship.
- If you run into a problem, simply send me an email and let me know how many boxes you want and I'll take care of it for you.

Send your check made out to "**Dan Murphy**" (with **Prep '62 Scholarship Fund** down in **the note section**). This will avoid a problem we had with the Super Bowl Pool.

Send your check to: **Dan Murphy, 14 Crown Circle, Lakewood, NJ 08701**

Go to the following home page and pick your box(es).
