

To recap Danny's email:

- We are trying to raise \$500 for the **Class of 1962 Scholarship Fund**.
- It's a Super Bowl pool.
- All you have to do is buy a box or more at \$10 each.
- There are 100 boxes.
- If your numbers match the last digits of the score at the end of the first, second or third quarter you win \$100.
- If you match the last digits of the final score you win \$200.
- The scholarship fund gets the balance of \$500. It's legal and it's fun.
- If you run into a problem, simply send me an email and let me know how many boxes you want and I'll take care of it for you.
- On Super Bowl Sunday afternoon the numbers for the boxes will be randomly selected and you will receive an email letting you know everyone's numbers.
- Time is of the essence so please don't wait.
