New Jersey's Jesuit High School Since 1872

Dear Benefactor,

I would just like to send my thanks for the opportunity to finish my last year at St. Peter's. I have tried to get involved with anything available so I end my Prep career on a good note. This year I was the head Marauder, with a goal of attending every sporting event before graduation, I am happy to say I achieved that goal. I am in the Photography Club, Campus Ministry, yearbook club and a few others. I just want you to know that your funding has made the four best years of my life possible and I cannot thank you enough. I am not sure where I will attend next year, I am still deciding out of 6 schools, though no matter where I end up, it will be thanks to you and your generosity.

Dear Benefactor,

My name is Austin and I am a graduating senior this year. Next fall, I'll either be attending the University at Buffalo or University of New Paltz (students have until May 1st to decide). I would like to take this time to quickly note how much I appreciate your financial aid to me these past 3 years - my time at Prep has been life changing to say the least. One day I hope to also be a benefactor to a future Prep student dealing with financial limitations.

Thank you again,
