About St. Stephan's Green Publick House:

All of us who hung out at the Jersey Shore way back when knew Eggiman's on Route 71 in Spring Lake Heights. Now it's been updated, expanded, refurbished and has a new name.

"One of my favorite pubs "down the shore" in Spring Lake. I've been here many times and the service and food is always outstanding. Great fish and chips, Shepard's Pie, and a good selection of Irish beers. Try the potato leek soup or the Red Reuben sandwich for lunch or dinner.

**Wash it down with a pint of Murphy's Stout or a Killian.
Their homemade meat loaf topped with mashed potatoes and Guinness laced mushrooms is to die for!
Actually everything here is well prepared.**

**There is also live entertainment a few nights a week with bands playing traditional Irish music.
They have two private parking lots with plenty of parking for customers, and being in a residential neighborhood it is nice to have that easy access, rather than metered or street parking."**

**"The MTA"
(The Topsy Rovers definitive version)**
