New Jersey's Jesuit High School Since 1872

Dear Benefactors,

I am currently in my freshman year of High School and I am preparing for my final exams in a few weeks. I have been studying really hard for them because I want to end the school year on a good note. I have enjoyed making new friends since I've been here at Prep and I am very excited to try out for Soccer next year. My favorite subjects are Latin and History. I have achieved first honors the first semester and I am trying to do the same in the second semester. None of this would have been possible without your support. I hope you and your family have an enjoyable summer and I can't thank you enough for all that you've done for me.

Sincerely,
