

Dear Class of '62,

Hello my name is Victor Chirichella and I am a Sophomore at Saint Peter's Prep. I have met some of you last year and I enjoyed getting to learn about your class very much. My school year academically so far is going well. It was a big change for me when I decided to take multiple honors courses because I had no prior experience with them. Some how I managed to remain on the Honor Role so I am hanging in there. As of my involvement with the school I plan on joining the Italian Club and Pax Christy. I also plan on either trying out for baseball in the Spring or Soccer next fall. I know none of this would be possible without your amazing generosity. Thank you so much for giving me this opportunity and I wish you and your families a safe and Merry Christmas.

Sincerely,

Victor Chirichella '17
