

Hi,

Hope you will join us for a few days of recreation, remembrances, and renewal!

Despite the dire coronavirus situation in this country and the whole world we remain optimistic that things will be sufficiently settled down by September so we can continue with our 2020 Fall Fling as planned:

Location: Geneva Point Center (GPC) in Moultonborough, NH

Dates: September 22-24, 2020

Meals: On the GPC campus from Tuesday noon 9/22 to Thursday noon 9/24

Housing: **10 bedrooms** on two levels, each with two full size beds and private bath overlooking Lake Winnepesaukee

Discussion: **Racism Then (1953-1957) and Now (2020)** with leadership by our classmate **Lloyd Mitchell** and our local guest and friend of Dave Williams, the **Rev. Dawn Berry**. She has been a leader in helping our generation to understand the issues and adjust accordingly.

Class Meeting: Steve Springer and Joyce Arthur will gather us for planning of our 65th Reunion on the NMH campus in two years (June 2022)!

What is New: **All the meals will be on campus**, some provided by GPC staff and others we all provide.

What is The Same: On campus options for boating (canoes and kayaks), walking and hiking, singing, personal gatherings, trips to nearby museums, stores, etc.

What is being considered: An idea (dream) that more classmates that live at a distance away might consider traveling by car or plane on the **Monday and/or Friday** so as to be with us the three days (Tuesday-Thursday). Perhaps some of us living closer could pick up those flying into Manchester airport.

Finances: That will depend largely on your **travel costs**, how many **meals** we ask GPS to provide, and housing costs that are in the range of **\$125 per night per room**, which means doubling up singles will keep costs down!

It would be very good if you all would let me know when and how you will join us. For sure these plans are assuming what the whole world will be like in these next weeks and months. My phone number 603-875-0363 and e-mail is revdcwms@metrocast.net. Home address is P.O. 6, Alton, NH 03809 Thanks and regards, Dave Williams
