Requirements for graduation: English 4; Social Studies (including one unit in U. S. History) 2; Mathematics 2; Science 2; Health and Physical Education 1; Total required: Required 11, Electives 7. Grand total 18.

\* Required subjects in each course. Others are elective. Each pupil, with parents' approval, will check subjects desired and return this sheet to the home room teacher as soon as possible. It must be returned within one week. Parents and pupils both must sign in the proper spaces below. Subjects must be chosen from one of the above three courses. Any deviation from this regulation must be approved by the principal. Physical Education is required of all pupils in all grades. A doctor's excuse is required before any pupil will be excused from this course.

**NORTHERN KENTUCKY VOCATIONAL SCHOOL**

Any 11th or 12th grade student can elect to take vocational subjects on a cooperative basis. A student will be required to attend Dixie Heights for half of his work and the Northern Kentucky Vocational School for the other half. The schedule must be approved by the principal.
