Dixie Heights High School

Class of 1966

July 6, 1996

Commonwealth Hilton

We were young then and ready to embark on life's journey—most of us not knowing which direction to go or how we would get there. But we set out never-the-less; fearless, carefree and zealous in our quest. Our dreams and aspirations were without bounds; the sky was the limit — 30 years ago! By now we've all experienced an ample portion of what life has had to offer. Success, love, joy and hope as well as disappointment, fear, sadness and failure. Despite our individual differences, we all have had our share of life's triumphs and tragedies; it is our common bond. Our roots as the graduating class of Dixie Heights High School are also a strong and everlasting bond between all of us. Take the opportunity to flash back to 1966 and further strengthen those friendships which are vital and important to every one of us, for these are the ties that bind!
