SYNOPSIS OF SCENES

Act One This play happens in Central Park.
The time is now, and again.

Act Two It is still night in the Park.

Act Three It is almost daybreak in the park.
A tiny graveyard now occupies the
side of the hillock.

*Members of The National Thespian Society

The Drama Department and The National Thespian Society Chapter 787 wish to thank all the students, faculty members, and friends who helped to make this production possible. We especially appreciate Mr. Lua Lutes' help in set construction and on lights; Mr. Art Heyne and his art class for making the preliminary set design; Mr. Richard Teneau's adaptation of the set design and recording of sound; drummers Chuck Sabatino and Paul Liberatore, guitarist Neil Smith, and trumpeter Tom Lima for their help in creating sound effects; Mr. Don Sheckler and his art class for making the papier mache props; Mrs. Virginia Roberts for her assistance to the director; and Mrs. Meily and the Sign and Poster Committee for making the publicity posters.

COMING PERFORMANCE AT MC CLUER
