

To all our dear family and friends,

Mahalo Nui Loa ! Thank you ever so much from our hearts for all your endless love, support, and beautiful floral and generous monetary gifts we received during our time of grief.

It was very comforting and precious to learn from your beautiful cards and notes, how much John impacted a lot of you with his jokes, laughter, greetings, hugs and “on-going sense of humor.” As you remember these qualities about John, remember how much you were all loved by him.

We thank you again for joining us in giving “our hero” a beautiful journey back home to our dear Lord where he is at peace now and is watching over us.

God bless and love to you all,

Shirley, Stacey, Martha & Family
