## Veteran's memorial "Walk of Honor"

The Austintown Fitch Class of 1962 Veteran's Memorial is located on the southwest corner of the Fitch football field. It incorporates elements from the original "FITCH" school and includes a "WALK OF HONOR", a patio constructed from bricks engraved with the names of military veterans and located directly in front of the monument. Veterans can be relatives, friends, or the veteran themselves, from any service branch and any era. The bricks are laser engraved with the name, rank, branch of service, and dates of service. All proceeds from the sale of these bricks go to the "Sgt. James Prommersberger and Lt. Charles Brown scholarship fund".

This is a great way to remember your personal hero and at the same time honor both of these Austintown Fitch heroes who gave their lives for their country!
