

A Playlist of Our Times

(Originally for our reunion dance party, but submitted for everyone's enjoyment!)

One of the events planned for our now postponed 50th Reunion Weekend was a dance party—musical retrospective of 1966-1970. The link for the playlist is attached and although the songs appear on the list in the order in which they were intended to be played— British Invasion, Motown, R&B, hippie culture etc and ending with Ohio by CSN&Y, Give Peace a Chance, and the Beatles' The End in remembrance of Kent State and the end of our Oberlin campus years—the playlist will play in shuffle mode. In-A-Gadda-da-Vida is a bonus track.

Thank you to Marc Krass for all his hard work in putting this list together. Enjoy it and stay safe. We look forward to enjoying this music together when we actually meet to celebrate 50+ years.

If you have a favorite that is missing please post it. The more music the better.
