STAR REPORTER

Vol. I

Bothell-April 1955

No. I

Wide Awake Club officers:

Left to right: Pres. Diane Carlson, Vice Pres. Elaine Claussen, Adviser, Mr. Perry, Sec. Sharon Poole, Treas. Patty Chamberlain.

SAFETY CLUB

Last fall our room organized a Safety Club. We called it the WIDE AWAKE CLUB. We made safety posters and safety slogans. We sent some of the slogans and posters to Sheriff Tex hoping to hear from him, but we didn't.

We elect new officers every time report cards come out. Our Club officers are: President, Diane Carlson; Vice president, Elaine Claussen; Secretary, Sharon Poole; Treasurer, Patty Chamberlain.

We voted to pay five cents a month for dues.

Judy Asbury

PATROL BOY OF THE MONTH

The School Patrol started a new idea, called the Patrol Boy of the Month. For the first month, Mr. O'Brien, in charge of our school patrol, chose Ronnie Nicholl. State Patrolman Grimstead took Ronnie, Rickie Hart fourth grade patrol, Eddie Hansen, Jr. High, and Warren Alexander of Woodinville out for lunch. They had a hamburger and a milk shake at the Kozy Kitchen in Bothell.

Patrolman Grimstead took the boys to the City Hall. They learned how a court session was held. The boys held a mock court. Mr. Brewer, police chief showed the boys the jail. He put them in the jail to see how it felt to be behind bars. He didn't lock the door, however. The boys' pictures appeared in the Bothell Citizen.

Ronnie Nicholl

PARENTS VISIT SCHOOL

On March 17th we had our parents visit our room. One mother came in the morning and ten came in the afternoon. We had one father visit. Hostesses were Laurie Cobain and Sharon Poole. We wrote letters to our parents asking them to visit.

The children gave health demonstrations. Diana Pricer was the announcer. After the demonstrations, there was a panel discussion about birds that we studied this year. David Anderson acted as moderator.

Sharon Poole

EDITOR MOVES

Ronnie Nicholl, editor of the STAR REPORTER moved to Houghton. Ron Green, assistant editor, PDF Compressor Free Version. Larry Beetham was elected as assistant editor.

All pupils are reporters.

Ron Green.

OUR SPELLING CHART

On the wall in our room we have a chart to show everyone's grade in the Friday spelling test. There is one for the girls and one for the boys. Whenever anyone gets a hundred, a star is put after his name. If he gets over 70, his grade is printed in blue. If it is under 70, it is printed in red to remind him to work harder. In the eight weeks this chart has been up, only Karen Pygott and Carol Kaasa have received all stars.

Ron Green

MOVIES

We have two or more movies a month in our school. We see and learn interesting things from them. Some are about other countries and some about other subjects. Some of the movies we have seen lately are Italian Children, Electricity, and Russian People.

Larry Beetham

INFORMATION RECEIVED

In our language class we were writing business letters. We decided to write for information on European countries. The children received much information. Some of the countries are Spain, France, Italy, Germany, Netherlands, and Belgium. We asked for pictures and folders. Most of the children got what they asked for. We are using the things we got to put in our booklets we are making of Europe.

Jamey Bridgman

TALK ON EUROPE

Mr. Gordon Green, Ron's Uncle, came to talk to us about Europe. Mr. Sparr's room came to listen. Mr. Green told many interesting things.

Laurie Cobain

Sports

GYM NIGHT

Friday, March 18th, was Gym Night. The Elementary and Junior High pupils entertained their parents with things learned in gym classes. The girls in the fourth, fifth, and sixth grades did several things in rope jumping.

The boys basket ball team from Mr. Perry's room played basketball against a selected team from the other sixth grade rooms. Mr Perry's room won 2-0.

The seventh grade boys and girls did some square and ball room dancing. The eighth and ninth grade girls did tumbling. Three very good tumblers did some special tumbling. The ninth grade boys and girls played volley ball.

There were sixth grade cheer leader from different rooms. They had pom poms of blue and white, blue and gold, and gold.

Diane Carlson

ROPE JUMPING

The fifth and sixth grade girls gave a rope jumping demonstration and contest on Gym Night. The girls did 20 double Dutch and 20 double French. The three best jumpers in double blue-bells did 10 jumps each. All this was done to show parents and friends how well we can jump. The contest began. Each room or group of girls had to see how many girls they could get in the ropes and how long they could jump. Mrs. Setter's room won. Next, each group had their best jumper jump as long as she could. After each had jumped a hundred or so times, the turners began to turn faster and faster. Our room won.

Cont. next page

ROPE JUMPING

Four girls from each group were next on the program. They had to jump double Dutch with a single rope at the same time. Miss Guntle's group won.

Gayle J, Elaine Claussen

BASKET BALL

Basketball season is over. During the season five teams competed for the 6th grade basketball championship. Mr. Perry's room held the championship. They won ten games without losing a game.

The closest game was with Miss Nordgreen's room. The score was 12-14. Lee Sherin

ROOM DECORATIONS

Daffodils, tulips, ducks, and birds make up the decorations in our room this spring. On the front bulletin board are several bouquets of tulips and daffodils. There are several birds flying around a bird bath. One stately robin in a tweed vest, spats, blue britches, and orange coat and a tall silk hat seems to be strutting around practicing for the Easter Parade.

On the side board, a family of ducks are strutting with mama pulling baby in a buggy. Two blue birds are flying about as the Easter bunny paints an egg. Mrs. Hen is pulling the Easter Bunny on a wagon full of eggs to make some child happy on Easter morning.

Karen Pygott

SPRING VACATION

Spring vacation is next week. We have vacation from April first to the eleventh. We hope everyone enjoys himself and has a good rest.

Don Oliver

REPORT CARDS

Report cards come out four times each year. We get our cards for the third time this year on March 30. We all hope for good marks and a good note on the back from Mr. Perry.

CHD

READING CHART

In our room we have a reading chart for books we read in our spare time. We get the books from the library. When we finish reading a book, we put up an orange sticker. When we read five books we get to put up a green sticker.

Our teacher, Mr. Perry, would like us to read as many books as we can. It will be all right if we try to read at least nine books a year.

Nikki Dodge

ENJOY YOUR VACATION! COME BACK RESTED AND READY TO FINISH THE SCHOOL YEAR WITH A BANG.

Ran Green or David Anderson

NEW CLUB OFFICERS

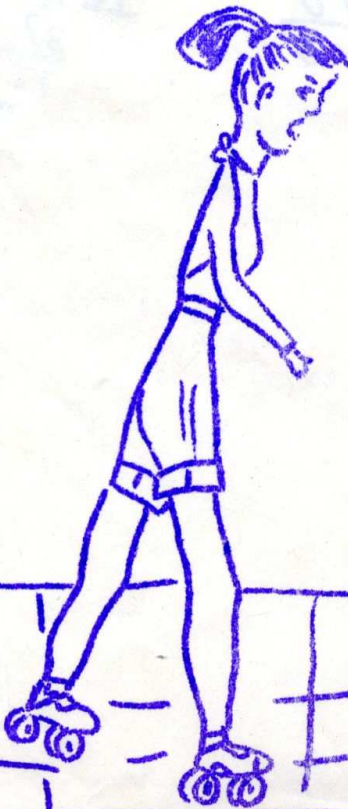

The WIDE AWAKE CLUB elected new officers for the next quarter. They are:

President: -----David Anderson
 Vice President: -----Judy Gifford
 Secretary: -----Jack Vermeulen
 Treasurer: -----John Pederson

P. T. A.

At our next P.T.A. meeting, let's see how many parents we can get out from our room. Let's get the P.T.A. banner for our room. Tell them to bring their friends too.

Careful with
 those
 roller skates!

THE MORGAN SHOW

Mr. and Mrs. Morgan came to the Avon Theater in February. They brought with them some slides on their trip to Mexico City.

Mrs. Morgan showed the slides and Mr. Morgan talked about them. The whole show was very good and very interesting.

Carol Kaasa

BOOK OF KNOWLEDGE

We received the set of the Book of Knowledge about a month ago. As everyone knows, we won it on Quizdown on Nov. 20th. It is new and is pretty good in many ways. It has nice pictures, but only a few are in color. There are twenty volumes. The 20th volume is all index as the books aren't in alphabetical order. It has very interesting information in it. We keep it out in the office where everyone can get at it.

Ye Editor

FOR SALE

Any one wishing to buy some rabbits may see Judy Gifford. She has some very good ones for sale.
