### HERE AND THERE ABOUT CENTRAL

By Your Roving Reporter

#### Aeronautics

A new course in aeronautics seems a very likely addition to the curriculum at Central starting next semester. The proposed one semester course will probably be taught in the science department and will be academic and non-shop in nature, designed for those who wish to better understand the principles of flying, airship construction and operation, and to keep up with the overwhelming strides being made in the aviation industry, Principal Pointer indicated recently.

#### Voting Returns

Campaigning over, ballots counted, machines closed for another year,—so ended the annual event of voting at Central for 1942-43 Student Council officers last week. The victors, all of whom came from within Student Action and Progressive parties, were: President, John Makielski; Vice President, Joan Ebersole; Secretary, Charlotte Jackson; Treasurer, Jim Crothers; Executive Board, Kathleen McCaffery, Bill Brillan, Joan Hodson, Jack Cole, and Virginia Dix.

#### Contest Victor

The winners of the Extemporaneous Speech Contest have been announced and Stanley Jacobs takes the cup with his speech "Youth Finds Its Place Today." He will speak at the Kiwanis Club competing with the winners of other schools.

Runners-up were Robert Lewis, second place, and Richard Muessel, third place. All contestants drew an article from the *Reader's Digest* and prepared it for the next day.

#### "The Straw Hat"

Work is getting well under way on "A Straw Hat", to be given by the Seniors on May 7 and 8. Committees have been set up, costumes are reflecting the fashion at the time this farce takes place, sets are taking their righteous shapes and forms, and members of the cast are falling into character, as rehearsals are scheduled for weeks in advance by Mr. Casaday, the director.

The cast not only boasts a large group of speaking parts, but also about twenty-five characters who are played in pantomime, and are extremely funny. Taking advantage of the opportunity to portray a meaning without the use of sound, are:

Mary Alice Jackson, Betty Bilingsly, Betty Eisenhour, Virginia Dix, Shirlee Schick, Sophie Reisman, Eleanor Bielaski, Janeanne Woodall, Barbara Beyer, Barbara Holbrook, Betty Lou Durbin, Phyllis Bonnell, Bob Stewart, William Fred Martin, Louis Neitzel, Henry Burdeen, Alfred Emery, John Pethe, Richard Jackson, and Bettylee Mooren, Lillian Elmore, Virginia Bruzinski, Roberta Holbrook, Sylvia Paskin, Mary Alice Keisel, and Norma Crowe.

#### Movie Bill

"It Happened Out West," a 20th Century Fox Picture, with Paul Kelly and Judith Allen, will be the noon movie bill for April 27, 28, 29, at 12:30 in the auditorium.

### FORUM CLUB MAKES PLANS FOR FIRST STATE CONFERENCE HERE.

#### Seniors Take Over At 15th Wyman's Day Saturday

The fifteenth annual Central Wyman's Day will be held this Saturday, April 25, at the store. On this day, seniors from Central replace the regular store staff in all positions. This plan was devised by D. H. Eldredge, president of the store, to give high school students some experience in the field of retail merchandizing from sales and service duties to the work of the president.

The preliminary work at Central, forming the official group, checking letters of application, and supervising the placement of applicants is done by Miss Ethel Montgomery. At the store the officers and department managers have been assisted by Mr. Eldredge and Mr. Charles E. Speth, vice-president of the store. Miss Sarah Lippincott, Wyman's advertising manager, has been working closely with the officials on the advertising layout and sales promotion plans. A Wyman's Day slogan contest was run at school.

Every year, the day is one of the high spots on the senior calendar. With a larger senior class, there is every reason to believe that this will be the biggest and most successful Wyman's Day so far.

#### Officers Named

Officers for Wyman's Day have been announced as follows: President, Paul Prass; Merchandise Manager, Fred Becker; Sales Manager, William Happ; Superintendent, Rudolph Altgelt; Training Director, Sally Livengood; Advertising Manager, James Cole; and Display Manager, Lorraine Hansen.

Student Copywriters are Marian Moore, Carol Harper, Carol Richardson, Marilee Rumpf, Carolyn Fasnacht, Shirlee Schick, and Betty Borden. Those acting as student artists are Louan Smythe, Emily Jan-

#### RED CROSS ENLISTMENT

The call for a volunteer Red Cross group was so enthusiastically answered in Central that three divisions had to be made to take care of the large enrollment.

The Red Cross is one of the most important parts of the Civilian Defense Program and the Junior division plays a big part in its efficient function. During club period the girls roll bandages and sew for the various hospitals. They have been active in encouraging and helping the membership drive for the Bicycle Corps and the Red Cross Volunteer Class.

The three sponsors of the club are Miss Semortier, Miss Gee, and Miss Roop. The president of Miss Gee's group, Clarice Hiznay, has recently been elected to the Junior Red Cross executive board of St. Joseph County.

#### I. U. To Inaugurate Twelve Courses Here In May

Beginning May 11 and continuing until June 27 Indiana University will offer a program of twelve basic college courses at Central. L. K. Caldwell, Executive Secretary of the Extension Center, described the summer course as a part of the University's War Service Program. Under the new accelerated plan high school seniors may enter the university classes early in May prior to graduation. The majority of the summer classes will be held in the evening.

Courses offered include Accounting, General Business, Typewriting and Shorthand, Chemistry, English Composition and Literature, Government, College Algebra, Trigonometry and College French. Each course covers a full semester's work. Class sessions per week have been doubled.

### Convention Convenes On Friday At 9:30 For Fourth Meet.

#### THEME OF DISCUSSION GROUPS: "IS DEMOCRACY TO LIVE?"

The Fourth Annual Indiana Student Forum convention will convene at 9:30 Friday, April 24, in the Central auditorium as delegates from each corner of Indiana meet to discuss topics of current interest. As has been the case at previous conventions, it is thought that from 200 to 300 students will respond to the opening roll call. The general theme of the convention: "Is Democracy to Live?" The various discussion groups will have subjects based on this general theme. Mr. Glen W. Maple, sponsor of the Central Student Forum, is the organizer for this convention.

The program for the day is as follows:

Forenoon discussion groups, 11:10. Theme: "Defending Democracy for America."

I—May the Inevitable Suspension of Democratic Techniques in War Time Endanger Our Future Liberties? Room 217. Adult speaker—Nathan Levy, city attorney, South Bend.

II—The Role of the High School in Civilian Defense. Room 204. Adult speaker—Francis Jones, Assistant Director of Civilian Defense.

#### BAND IN CONCERT TONIGHT

Do not forget the Fourth Annual Concert of the Central Band being given tonight, in the Central Auditorium, sponsored by the P. T. A. Under the direction of Walter E. Cleland the band was well acclaimed by the students and faculties of Madison and Muessel Schools on April 16 and 21, respectively.

A balanced program featuring modern and not so modern compositions has been prepared for your enjoyment. Rustucon, a Modern Overture, by Carl Frangkiser, tells the story of a battleclad warrior, Rustucon, and his maiden, who sing a love duet. The cornet and baritone take these parts. This very modern Overture will be under the direction of Gene Sage, student conductor.

Harold Harris' most famous march, "Pursuit of Happiness," will be played.

Atlantis, a suite for band by Safranek, is another well liked number. Atlantis is a continent which used to extend across the Atlantic ocean from Europe to Yucatan. In this portrayal of the lost continent, as it is called, various phases of the life there are told, leading up to the destruction of Atlantis.

Added features will be the cornet trio, and the newly organized Choral Club directed by Mr. Cleland.

Tickets may be purchased from any member of the band. They are 25c. The time is April 23, at 8:00 P. M. in the Central High Auditorium.

## WHAT THE FLAG MEANS TO US

Did you ever really stop to think what your flag stands for? "Of course," you say, "the stars are for the 48 states and the stripes for the thirteen originals."

But have you ever thought deeper than that? Do—for a moment—think what it means to an American on foreign shores—security, family, a place to come back to,—home.

What it means to the foreigners themselves, a land of liberty, land where there are no dictators or prime ministers—

Lastly, think what it means to you—the Civil War, Washington, Clarks over on Michigan Street, movies, your background, friends, your home—

What does all this amount to?

What does all this mean?

Your flag stands for America, with its blessings you have known and loved.

Next time you pass a flag, take off your hat and think, for a moment, what it really means to you. . . . .

## AIMING HIGH

Last week an incident happened in a class room that well typifies the American people, including you and me.

The wind blew a sheet of paper on the floor. The entire class, except the teacher, saw it laying there—yet

no one picked it up. When class was dismissed everyone stepped on it, waiting for the other fella to see it first.

Preaching is out of date and no one would listen anyhow, so read this editorial over and get what you can out of it. We are our own salvation.

## FACE THE FACTS

Gotten your new spring and summer clothes yet? How about something new for the Rainbow or Smiler Dance?

A rose-print on white is nice of Cohama rayon jersey. It is Grecian cut and very smart. A festive pastel celanese rayon crepe dress with dyed-to-match lace is good for a dressy

dress. A checked rayon taffete under a green fitted jacket with checked bow ties is tres tres attractive.

Spring seasoning:

Earrings and cuff links to match.

Red wedge-heeled oxfords with square eyelets.

Fringed shawl with Navy saying printed on it.

Initials are still tops.

Embroidered sox with belt to match.

It's match, match, match everything this season. So fall in line and march to the front.

## Daffinitions

Snow—What comes before "Use".  
Sweater—one who exerts himself while skating.

Mittens—just another way to keep the hands warm.

Puns—what, after skating, hamburger's so good on.

Blizzard—part of the insides of a chicken.

—The Orange Leaf.

## ON THE BOOK SHELF

A very new and timely book has been added to Central's mounting number of volumes. The book, **Current Biography, 1941**, deals with the personal lives of more than 160 important international and domestic government figures, 26 military leaders, including General Douglas MacArthur, and 26 diplomats, not excluding many other important men of the day.

This book is reported to be far from dry, for it brings out many humorous incidents in the biographies it contains. For instance: Did you know that General MacArthur sued two leading columnists for libel several years ago?

Line forms to the right! Miss G. Hardy, Central librarian, informs students that this book is ready for use now!

## PLATTER CHATTER

By Jim Cole

Attention all seniors! Start saving up your money so that you will be able to purchase your ticket to the Central Prom which will be held on May 15th. This will be the last prom that you will attend while in school, so let's all go and make it a success! The orchestra committee has been working hard and they tell us that the music will be super! The orchestra will be announced at a later date.

Coming up: Rainbow on the 24th of this month—Smilers on the 2nd of May—the Prom on the 15th of May. Get your dates early for these sharp brawls.

For Raymond Scott fans we submit the following:

## SUMMERTIME OPPORTUNITY

High school graduates from the South Bend area will be given training for war work at Central during the coming summer. This training was assured, according to Principal Pointer, as a result of the visit here last week of a representative from Purdue, which university is sponsoring this and similar courses in other key centers in Hoosierland.

The course, ten weeks long, will start June 8 and will feature a full daytime program with classes five and a half days each week.

The work is designed to prepare high school graduates for better war-time industrial positions, for more rapid promotion in the armed forces, and even to better prepare others for college work which might follow later. Courses are strictly on the college level, are tuition free, and completion will be recognized by the granting of a certificate. Students will be required to pay for books and materials only.

Chemistry, engineering, drawing, industrial materials and processes, elements of engineering, and mathematics will be offered. Application blanks and further information may be secured in the main office at Central where registration may now be made.

## PERSONALITY PARADE

What would Central's halls be like without Mary Lois Coquillard? She has been tagged as the best-natured girl at Central and that is really something to be proud of. Mary L. has blond hair and blue eyes (original, isn't it?), and no memory whatsoever. She likes "a lot of good, solid food," blue, walking, and, of course,—men.

She is very active in the school program and succeeded in getting herself elected treasurer of her class one fall. Mary is also treasurer of the S. P. U. R. club. (Buying lots of new clothes these days, Mary, the business of being treasurer isn't so bad, is it?) She is a staunch supporter of the basketball team and her brother John. Family love! Oh yes, she hates desserts. That's what I call a girl with a strong constitution. All in all, Mary L. is one swell girl and we're going to miss her next year.

## LEARN TO USE LIBRARIES

Books contain accumulated knowledge of the race. In general they furnish more accurate and better arranged information than do people, for books represent carefully considered views and expressions. The personalities and aims of leaders are well-observed in interviews, but most reference material is better secured in the library than by personal inquiry or experiment. Learn the regulations and special advantages of available libraries. Learn to use the card catalogs of authors, titles, and subjects; also unabridged dictionaries, biographical dictionaries, readers' guides, atlases, almanacs, year-books, government publications, magazine indexes, and annual book indexes. Cyclopedias of quotations, synonyms, and formulas are useful. Do some reading for fun—libraries provide opportunities for pleasure as well as for work.

**DIAMOND MEN HAND DEFEATS TO MAROONS AND MIDDLEBURY**

Central's Bears went on a rampage at school field Friday afternoon when they swamped a bewildered Maroon nine 15 to 2, behind the pitching of speedballer Bruce Burgess.

Burgess and Flowers, Central's battery, sent the Bears into the second frame with a 4-0 advantage on a pair of four-sacker swats, each hit with a man aboard.

Not to be outdone by the Bruin battery, Bill Moore and Steve Rudasics, who is going to break Ted Williams' record or bust, clouted two home run blows in the third which literally knocked the pins from under the Cavemen. After twelve Bruins had marched to the plate in that landslide of a third inning the Bears had tucked the game into their hip-pockets on merits of an eleven to nothing lead.

The power of the Bears was also exemplified last Wednesday afternoon when the Bruins journeyed to Middlebury where they administered a 12-1 drubbing to a touted Middlebury nine.

Don Hack, Central southpaw, was the winning pitcher.

Extra base blows were hit by Gene Flowers, who hit a home run, and Don Kozoroski, who smashed a triple.

The girls were introduced to Mr. L. J. Harwood, President of the Board of Education, who was in Mr. Orcutt's office at the time.

**NO SUGAR, BUT SMILE**

For years on end America has consumed unbelievable amounts of sugar and sweets. Mounting lists of diabetic patients, decayed teeth, malnutrition, acne, and a host of other diet diseases have been caused by the

great consumption of sugar. Europe for the past few years, years mind you, has had little or no sugar at all.

It now has become necessary to ration our sugar supply in order to use sugar for alcohol which is essential for making certain armaments. What do some of us do? We may horde, gripe, and tear the government down on every side. Are we some of these people. Let's think before we gripe and do the patriotic thing. Sweets to you, my honey!
