

## Debates Are Scheduled

Next Tuesday the debate team will hold debates with three other high schools at Central. The schedule is as follows:

Affirmative	Judge	Negative	Room
Mishawaka	Rhodes	Adams	215
Central	Hall	Riley	222
Adams	Maple	Mishawaka	218
Riley	Krider	Central	223

Last Tuesday, the same four high schools debated. The results of all debates are sealed and will not be opened until the last debate. The assemblies next week will be debates between Central and Nappanee on Wednesday, and Central and Adams on Thursday.

## Hi-Spotters Elect

The Hi-Spot elected new officers at a meeting Sunday evening. The new president is Beve Liebig, from Adams, the vice-president is Gloria Crepeau, the secretary is Mary Mann, the treasurer is June O'Harak, the sergeant-at-arms is Dick Hudson, the music chairman is George Walker; and the membership chairman is George Turner.

The members of the Hi-Spot have made a new ruling on dues. Starting July 1, 1944, the dues will be .50 a year. From January to July they will be .25. There are 1120 members of the Hi-Spot between the ages of thirteen and nineteen from all over the city at the present time.

Plans are being made for an open house during the basketball tournament the latter part of February.

## P. T. A. To Meet

The monthly P. T. A. meeting scheduled for February 9 will be postponed until March. Mrs. W. Casey, president of the Central P. T. A., stated that the meetings of the South Bend Clinic interfered with this gathering. Instead of this meeting the study class will be held at Central in Room 13. The topic, "Giving First Aid to Homemakers" will be discussed by Mrs. Arnold Strickler. This class welcomes any interested adults.

## Library Losses

Miss Genevieve Hardy, librarian, reports that books evaluated at \$225 were found to be missing when the annual inventory was taken in the library this week. The monetary loss is more than one-fourth of the 1943 appropriation from the school city for new books. Every student is asked to cooperate in getting these books back into circulation by searching thoroughly his locker.

## What's The Big Idea?

Each semester students are required to fill out eight program cards, and each time they ask, "What do they do with all these cards?" Here's where they go. One each of the seven white cards goes to the Main Office, the Attendance Office, the Registration Office, the Counselor, the Study-Hall Director, and the Nurse. Miss Ethyl Montgomery receives the salmon-colored card. After the cards were filled by students on Tuesday, they were sent to the boys' study hall where they were checked and forwarded to the proper places.

Central has passed the half-way mark in its Buy-A-Plane Campaign of the Fourth War Loan Drive. The goal of \$15,000 will buy one fighter training plane, a PT-19B Fairchild "Cornell." The campaign ends February 18. If the school makes this goal, its name will be placed in the plane it buys. Can you canvass your neighborhood and find someone who will buy a bond through our school?

## "THE MEDICI" TO BE GIVEN BY RILEY GLEE CLUB TONIGHT

"The Medici", an opera of the Italian Renaissance, will be presented by the Riley Glee Club this evening and Saturday evening at 8 P. M. in the Riley Auditorium. A repeat performance will be given Monday evening.

"The Medici" concerns that famous family of Florence in the year 1510 when Giovanni, Guigliano, and their mother Claricia Orsini, the wife

of Lorenzo, the Magnificent, were the representatives of that name. Giovanni is Cardinal, later to become Pope Leo X. The plot concerns the Cardinal's effort to free his brother who has been condemned to death for a crime, but the Cardinal, held by the Church vows, does not dare accuse the one guilty of the crime. The music for the opera is by the famous French composer, Jules Massenet. A musical feature of the opera is the singing of the Credo from Gounod's St. Cecilia Mass by the Glee Club.

## RESULTS OF DECEMBER POLL ARE REPORTED.

The Institute of Student Opinion, sponsored by Scholastic Magazines, in its national tabulation, poll No. 3, of December, 1943, asked the following question: **If you could begin your career in any of the following, and obtain the same income at the start, which would you choose?** The results follow:

## SCHOOL VS. JOB

During this crisis, there are more war jobs than in peace times and no one to fill them. Experience, in most jobs, is necessary and it is simple for a high school student to apply for a job, as war workers are scarce. Now, more than ever, students are quitting school because they would like to continue with their job. This job, at the present, is self-satisfying and a lot of money to you, but when the war is over, there will be none of these big-paying positions.

These persons who stopped their high school education are going to be left out, because post-war positions are going to require people with high-school diplomas. There is rivalry between these two—school and job. A job must be secondary in the life of a high school student if he is to reap the most from his years in school.

## JOIN A CLUB

Many students at Central have neglected to join a club because of indecision as to which one they would like to be in or because of the time taken from study. They think the thirty-five minutes a week every Tuesday could be used for a better purpose doing homework that just couldn't be done on Monday night.

As usual the new semester brings new students—many of whom have no intention of taking part in any extra curricular activities. The opportunities gained through such activity are numerous—opportunities which can be an asset in later life because of the chance to meet new people, learn to work with them, and learn the spirit of true and lasting friendship. Alumni have reported that hobbies begun and pursued through these social gatherings have matured into profitable vacations.

There are clubs organized to interest every type of person at Central and, if you show favorable characteristics, you will have no difficulty joining any of them.

## TRUTH OR CONSEQUENCES

Isn't it getting tiresome to hear the radio announcers, guest stars, funnymen everybody, constantly preaching at you about buying more war bonds and stamps? When the radio has practically driven you to distraction you try to lose yourself in the newspaper and there it is again even cluttering up the funny page, "Buy More Bonds and Stamps." "BUY MORE BONDS AND STAMPS!"

Now there is another War Loan Drive to raise \$4,000,000,000 or \$14,000,000,000—the amount doesn't matter because you'll never reach the goal anyway. How can they expect you to loan that much out of the small amount you make in war work and after-school jobs? Besides, the boys in the service are buying bonds themselves to pay for the equipment they need. They're the ones who use it, so why shouldn't they pay for it?

There has even been a Fourth War Loan Goal set for Central High School. They are asking for \$15,000 to buy a training plane which means that every student must buy at least one \$25 bond. Anyone can see that this goal is hopeless, so just disregard it.

—Taken from the pocket of a captured enemy propaganda agent.

## WITHIN THE MASTER PLAN

The universe and all that it may hold—  
The heavens bright with everlasting light;  
The towering mountains dreadful in the night  
In daytime yielding men their wealth in gold;  
Shepherds of yore bringing lambs into the fold;  
Oath-bound knights in chivalry, polite  
To ladies of the court and those in plight—  
These plans were made within the Master Mould.

This earth without the Master would be dark,  
And void of shape, of living things, and man.  
His plan includes the singing of the lark;  
And also roaming of wild beasts, who can  
Supply our wants; and in our minds will mark  
The working of a loving Master Hand.

—Rowena Shorb.

What was your biggest thrill during your first week at Central?

Marilyn Bowker: "Getting lost in boys' study hall."

Rollie Cooper: "The women, mostly."

Shirley Clark: "The cute boys."

Eugene Bolinger: "The largeness of the school."

Billy Mitchell: "Getting the citizenship medal."

Bill Parshall: "Getting lost."

Fred Keisel: "I haven't had one."

Bill Johnson: "The noon movies."

Joan Dannerberger: "Tom Cassidy."

Joyce Fisher: "Everything in the upper hall."

Helen Robertson: "Running in and out of the school to gym class."

Ain't it funny what a difference a few years make? When girls are little they like painted dolls, and when boys are little they like soldiers, and the boys go for painted dolls.—Arsenal Cannon.

## Verie Sauer Says

Didn't Bill Burrough look mellow in his sailor suit when he was home on shore leave? Janice McLean surely thought so.

One of the latest dating duets—Mike Harper and Mary Kay Barr, ex-Centralian.

That old love that keeps burning: Kal and Jo.

Oh, so bashful and shy—John St. Clair. Wake up, John—the gals won't bite, or will they?

Seen around town: Marilyn McAlpin and her middy.

It seems as though Kenny Tupper is worried about that Ball kid from Adams! Well, he should be.

Lucky Massengill—her man waits for her after swimming practice with food in hand, while the rest look on and drool.

Gloria Glicksman has, no less, a Lt. (j. g.) in the Navy. She undoubtedly charmed him with the records she had made.

Two McCarthy-Bergan teams have made good—you know, Charlie-Edgar, Johnny-Betty Lou.

One purdy gal is Norma Jones. Want her number, fellas?

Hear tell that Peggy Cowger is being followed by Matt "Wolf" C.!

We understand that something new and sweet is blossoming between Jean Sibley and Bob Hartfer.

Welcome to sharp new soph: Carolyn Currey — the last of the three Currey girls.

Jim Johnson has an admirer. Can't give out with any monickers, but she's pa-lenty sharp. Take notice, Jim.

Two laugh-alikes: Joan and Murvil Bothwell.

Question of the week: Whatever happened to Bob Hartfert?

Mary Ellen Carr must have Bluebeard's blood in her. Now it's to Joe Bolka that her interest has shifted.

Poor Central fellas! We hear that Gertie Major's big brown eyes have turned toward Adams and Frank Wolf!

What's behind this Steve Lisel Margaret Carlson affair?

Why was Pat Harrell walking on a cloud last week? George was home, of course.

Dear Auntie:  
Who is the girl who changed one of her classes just because Tom Cassidy is in it?

Dear Jell:  
Did you say "THE girl"?

## OUR OPPORTUNITY

In a recent speech Dr. George D. Strayer of Columbia University made the following significant statements: "The current crisis calls upon teachers for most heroic endeavors. We more than any other group in our society must be in position to demand and to secure, even in the midst of war, the right of all children and youth to an opportunity to grow in understanding and in character. We must insist that nothing shall revoke their right to that education which will make them useful, happy, healthful, loyal citizens of our great democracy.

"If we are to achieve these ends we must see to it that resources are available which will make possible in every classroom regardless of the competing demands for manpower, a skillful and qualified teacher — one who can instruct, counsel, guide, and inspire the oncoming generations. Never was the need so great as now. We must maintain and strengthen the services of education. In no other way can we serve the purpose which society has entrusted to us."

**BEARS ENGAGE TWO  
CONFERENCE FOES  
WITHIN THE WEEK**

**ELKHART PLAYS IN HOME GYM**

Tomorrow night the Central basketball team takes on its most important opponent of the season as the Elkhart Blue Blazers entertain the Bruins in their home gym. The slowly slipping Blazers recently had their eight-game winning streak cut by the powerhouse of Central Fort Wayne.

On last Friday evening the last place Nappanee Bulldogs almost beat the top flight Elkhartans but a last-minute sprint saved the Elkhart cause and the Blazers won by two points. The following night Central of Fort Wayne overcame the Blazers 41-26.

Undeclared in their conference games Elkhart holds down first place in the conference and they have but two games remaining on their schedule. Central has yet to meet, besides Elkhart, the second place LaPorte Slicers.

The two top scorers for the Blazers are Ebersole and Bruce Sellers Longfellow, son of the coach, hits for points consistently also.

The probable starting lineups are:

<b>Elkhart</b>		<b>Central</b>
Elliott	F	Hazen
Ebersole	F	Hoover
Sellers	C	Bond
Hill	G	Hans
Longfellow	G	Finger

**LaPorte Has Two Games Left**

LaPorte High School with but two games remaining on its conference schedule will be the guest of the Central Bears next Wednesday evening in the Adams Gym as the Bruins try to regain their league foothold. LaPorte is currently tied for second place with the Adams Eagles and Central is in third place in the league. LaPorte boasts victories over all of the teams in the conference with the lone exception of Elkhart.

(Cont'd on page 4, col. 1)

The hand of fate wrote a weird tale into the basketball annals of 1944 last week. Two unusual happenings occurred. On Friday night North Side of Fort Wayne defeated Central of Fort Wayne. Saturday, Central defeated Elkhart and Adams beat North Side 28-25. Previously Elkhart had defeated Adams in a conference game. Elkhart's loss, their first in eight games, does not affect their conference record which is still intact.

Last week Cubskin picked five out of eight winners in the local basketball contest for a percentage of .625. Mishawaka's upsetting Central capped the dope sheet and lowered the average. The following are predictions for this week-end:

1. Central over Elkhart
2. Adams over Riley
3. Goshen over Washington
4. Mishawaka over Michigan City
5. LaPorte over Nappanee
6. LePorte over North Judson
7. Mishawaka over Madison Twp.

oOo

The Central B team, after recovering from a listless first half, held the Mishawaka B's to one point in the third quarter and won last Friday 18-16. Ed Glaser starred on both offense and defense and was high point man for the evening with six points.

**Two Gary Schools Defeat Tankers**

Central dropped its last scheduled swim meet last Thursday as Lew Wallace and Horace Mann of Gary combined to defeat the powerful Central team. Swimming in the Lew Wallace pool the home school was victorious 26-25 and Horace Mann gleaned but 15 points.

Individual high scorer was Rin "Mouse" Grossman who took the only Central first places, winning both the 100-yard Breaststroke and the Fancy Diving.

Second places were registered by Bill Freeman in the 220-yard Freestyle, Bob Hevel in the 40- and in the 100-yard Freestyle, and John Bergan in the 100-yard Backstroke. In the last event Bob Tannehill of Horace Mann registered a time almost a full second under the state record time.

The next swimming event in the conference meet will take place on Saturday, February 12 in the Whiting High School pool.

oOo

Alan Ford, Yale's swimming mentor, set a new swimming record last Saturday bettering his own record of last year that beat Johnny Weismuller's record of 1929. Ford's time of 50.1 seconds smashed all existing American, collegiate, Yale, and pool records for the 100-yard freestyle. As a comparison the Indiana state high school record is 55.8 and the best time turned in for the distance around here is 58 second.

**BRUINS RELINQUISH GAME TO MISHAWAKA 43-32**

The Central Bears dropped their second league game last Friday night in the Adams Gym. The powerful Mishawaka Maroons overran the Bruins and never allowed them to hold the lead in the game. Mishawaka took the lead in the game in the first few minutes of play scoring on an under the basket fast break after a similar play by Central had failed. Immediately the Mishawakans amassed a sizeable lead and were never approached during the first half of the ball game.

It was in the red-hot third stanza of the game that Central's fate was decided. Three times the Bears cut the Cavemen lead to three points and once the Maroons held only a one-point advantage. However at this stage bad passes stopped the Bruin offense cold. The Mishawaka offensive power never relaxed and a ten-point lead was quickly reached by "Deacon" Katt and company.

The last period saw Coach Stewart substituting freely, but the Mishawakans held their lead.

This second conference loss drops the Bears to third place in the conference, with only two league games remaining on the schedule. Friday will find the Bears traveling to Elkhart and next Wednesday the LaPorte Slicers will be entertained by the Bears in the Adams Gym.

**BEARS AWAIT LA PORTE**

(Cont'd from page 3, col. 1)

If LaPorte wins over Central they will probably have smooth sailing into the second place since Adams has yet to play Elkhart. However, if Central beats LaPorte and Elkhart, and Adams also wins over the Blazers, then the Bears will be tied with LaPorte for first honors.

LaPorte however boasts victories over both Mishawaka and Adams, the two teams that were victorious over the Bears, so next Wednesday's game will be an important one for both teams.
