## Pepsi-Cola Awards Offered

Seniors are invited to compete for the four-year scholarships offered by the Pepsi-Cola Company. This third nation-wide scholarship competition is being extended to high school seniors throughout the United States and territories, giving them the opportunity to win one of the 121 liberal four-year scholarships or one of the 600 fifty-dollar certificates of merit. Two scholarships and at least ten certificates will be presented to Indiana entrants. Winners of the awards will be chosen on the basis of their scholastic aptitude, school record, leadership qualities, and financial needs. Each full scholarship includes full tuition and certain incidental fees to any accredited college plus a \$25 monthly allowance and traveling expenses for one round trip from home to college each year. Fifty-dollar awards will be given to runner-ups of the scholarships payable when they enter college.

Students wishing to take this special test should see Mr. Fulwider. All names of entrants must be in before December 20. Central students will take the test on Friday, February 14. Winners of these Pepsi-Cola scholarships will be announced April 18.

## Council Plans Program

International Relations Council has merged with the East-West Association and has announced the series for this year. General Victor A. Yakhonoff, first of the speakers listed, will speak on "Foreign Policy of the U. S. S. R." on Sunday, November 24, at 4 p. m. On Thursday, December 12, at 8 p. m. James G. McDonald will discuss "Problems of the New East." Third on the series is J. Raymond Tiffany who will speak on February 10, "Mutual Understanding Among Peoples"; fourth lecture is Ewart Edmund Turner who will speak March 3 on "Germany's Future." April 3 marks the last speaker, Grove Patterson, and his lecture on "America's Role in the Orient."

In addition to the regular series, extra meetings will be held throughout the year when speakers with appropriate topics are available. These meetings will be open to members of the Council without further charge. Membership cards for this fourteenth annual series are two dollars for adults and may be secured at the Y. W. C. A., the Y. M. C. A., or the Indiana University Extension Center at Central.

## SMILERS OBTAIN BURNHAM FOR FOOTBALL BANQUET

The Smiler's annual banquet in honor of the Central football team, due to the prohibitive price of meals in the local hotels, will be held in the Central lunch room, next Tuesday, November 19th at six o'clock.

The meal will include roast turkey, mashed potatoes, frozen peas, tossed salad, pumpkin pie and a drink. After this real old fashioned turkey dinner the diners will have as their chief speaker, Elmer Burnham, coach of football at the University of Rochester. Coach Burnham guided Central's last state championship grid team before he resigned at Central to coach at Purdue. Other speakers will include Principal P. D. Pointer, Coaches Jones and Dal Sasso, Supt. Frank E. Allen, and others.

## T. B. CONTEST CANCELLED

No contest will be sponsored by the Tuberculosis league this year. Students in the speech classes and in the English IV classes will plan speeches to be given in all the home-rooms to promote the sale of Christmas seals. One speaker chosen by the students will present a speech over the radio sometime in early December. Organizing the Christmas seal speeches will begin the week of November 18-23. Any student not in the speech classes who wishes to write and present a speech to assist in this worthy cause should see Miss Agnes Frick in room 301.

## 1666 ATTEND CENTRAL

Mr. Merlin Richard, assistant principal in charge of attendance, has reported that during the first nine week period accumulated enrollment at Central reached 1757. There were 91 withdrawals during that period making the present enrollment 1666. Nine of those who dropped out went to other schools, five moved within the state, nine moved out of the state, two quit because of illness, nine quit when they became 16 years of age, and 47 left for other reasons including marriage, military service, and going to college. Mr. Richard also announced that attendance is 1% better than it was early in the period and last semester.

## MIDSEMESTER HONOR ROLL

The midsemester honor rolls, just released by Head Counselor C. O. Fulwider, carry the names of 139 of Central's 1666 enrolled students. Of this number on the distinguished lists 82 were girls and 57 were boys. Perhaps a record has been established since no students in either the 9A or 8A were found on any of the three honor rolls.

The 12A's, 11A's, 10A's, and 8B's failed to place a single representative on the first honor roll. To earn a place on the first roll the student must make A's in four or more solid subjects. ## QUESTIONS, PLEASE!

One important way of getting ahead in your class is to take part in class discussion. You are really in a rut when you sit by silently and let the other fellow do the work. You can't get very much out of things if you don't take part in them. By taking part in discussion you will get much more out of a class. If you don't understand some problem, inquire about it. Maybe your questions seem simple to the others and they laugh at you. But when the teacher explains, you realize the clearness of the whole thing and pass the test. But maybe you're afraid to ask questions. So you go on in ignorance and then wonder why you flunked the test. So you see, it would really be more worth while to inquire in the beginning rather than to wait until it's too late.

## THANKS, TEAM!

Now that we have had time to come down to earth, since no football team has beaten us this year, we want to extend congratulations to our teams and coaches on behalf of the entire student body for the fine job they have done this season. They have truly given Central a fine reputation and have upheld her honor as a school in the field of good, clean athletics. We appreciate the sacrifice of time and effort made by each player and our fine coaching staff. Congratulations and thanks again, team, from all of us!

## LET US NOT FORGET

Last Monday, Armistice Day was acknowledged in Central as in previous years. Taps were blown at 11 o'clock and everyone faced the east. Immediately following was a moment of silence when each one thought back through the years to the year—when the armistice was signed. It was a tribute to the men who signed this to be paid respect at the same time each year and for us to remember that this is a birthright we should never forfeit.

## GET ACQUAINTED NIGHT

Tuesday night was Open House Night at Central. This is an old practice and certainly a worth while one. This gives opportunity for parents to discuss the progress of students and also to become acquainted with school's faculty. Parents see the conditions and equipment provided here at Central. Urge your parents to attend the next Open House and help to make the event a success.

## FORUM OF STUDENT AFFAIRS

The last meeting of the Forum of Student Affairs was held at Washington High School, Wednesday afternoon, November 6. Adams, Central, Riley, Washington, Central Catholic and South Bend Catholic schools were presented.

The next meeting of the group will be held at Riley, on November 25, and will be attended by Mr. Robinson of New York, expert in activities such as this, who started the organization.

## ON THE RECORD

To start right out I'd like to recommend a swell tune that should be way up on anybody's hit parade. You guessed it, I mean Hoagy Carmichael's "Ole Buttermilk Sky." That's one song that you'll find just about everyone humming or singing. Kay Kayser has a swell recording of this in an easy jitterbugging tempo. Personally, however, I prefer Hoagy's own record. The song is typically Carmichael—ideal for his type of singing.

Be on the lookout for Mel Henke's new album, with "Body and Soul" and "Goodnight Sweetheart," as two of the best. I'd like to see it in this section of the country, but as yet it hasn't received enough publicity. Others in the album are "Penthouse Serenade" and "Talk of the Town."

A lot has been said about Ella Fitzgerald's "Stone Cold Dead in the Market," and I'll like to add my bit. I think that it's one of the best novelties that has come out this year. Louis Jordan and his band put out some solid backing for this and deserve more credit than they are getting.

Another I like is Vaughn Monroe's "Racing With the Moon," a melancholy tune that is, by the way, his themesong.

Till next time—good recording.  
MARILYN REID.

Its the fellow who is all out for sports and co-captain of our football team. You guessed it, Gene Ring, better known as "Bunny." Gene is a shy guy, blond, blue-eyed, and just six feet tall. He likes Central a lot, but he thinks the best thing about it is the sports. Other things he likes are steaks, the color green, and Bing Crosby. The one thing which makes his blood boil is girls who gossip. (Let that be a warning, gals!)

Gene, who came to Central from Harrison, is a member of Smilers, and the Football Club, and is vice-president of the Lettermen's Club. His main interest in sports are football, basketball, and baseball, which he shares top honors. His one hobby is keeping sports clippings.

Gene wants to become a coach and therefore, plans to attend college next year. From his past experience we know he will be a good one. The best of luck to you, Gene.

This week is "Book Week" all over United States and reading suggestions are on display in our school library to help students take advantage of the valuable reading material available to them. The theme this year is "Books are bridges to lands around the world, understanding others, realms of imagination and joy, facts and information, mature, science, new experiences, fun and entertainment, appreciation of the past and building the future." This theme is printed on book marks which are available to students.

The library has added three new magazines to its collection. They are **Seventeen**, **Junior Bazaar**, and **United States News**. The new program, **It's Up to Youth**, which is sponsored by Seventeen, is endorsed for student enjoyment by the library. This program which should interest all teenage girls, can be heard on Wednesday at 7:30 over WGN.

## You Hear It Every Day:

"Is the dance formal, or can I wear my own clothes?"

—Silver and Blue.

## Verie Sauer Says:

Aggie Baumgartner is certainly thrilled about going to that formal dance at Purdue in December.

Dear Aunt Verie,

Who was that man seen squiring Woffie Wolfberg at the Central-Riley game. He sure seemed to think that she was something special.

A. Wolf.

Dear Mr. Wolf,

His name is Stewart Klien. Woffie really is something special.

Your Auntie.

Why does Bob Reinhold prefer the seat next to Lois Jean Glassman during movies in Biology?

Couples we'd like to see more of: Bill Hanson-Barbara Palmiter, Bud Sellers-Virginia Pilarski.

Aune Verie wonder if Marjorie Hertle will say yes to that certain question Theodore Nadolny will ask her soon.

Steadying it: Mildred Peterson and her Sally.

Fred Fishbach seems to be involved with three girls! Lucky boy!!!

Verie would like to hear more about the Riley girl Jim Hudson seems to be so interested in.

What have we here? Myla Lockwood and Bud Hodgson!

We hope to see Jim Sennet (Adams) and Marilyn Stettäuer together more often.

Congratulations to Elaine Kolman

and Frank Kilklein who were married last week.

For that special date and that special look wear our shoulder bags in wool, plastic, calf, pig — assortment of colors.

Who is this Alma from Riley that Jack Slowski is talking about so much?

What's this about Theresa Wegenka, Bruce Beck, and Rainbow?

Marilyn Butts is certainly walking on air since she received that letter from Purdue.

Frank DeCleen and Florence Regard are seen a lot together. Wonder if it's love?

Now we find Bill Farabaugh taking notice of Cassie DeMunk.

If you want to see Jerry Hertel light up, just mention George Hoffman.

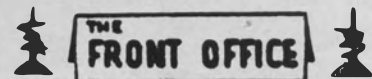

Cute couple seen around Central—Gloria Fleming and Ernie Jordan.

Hear tell that a certain lad thinks Clara Burget is quite a gal. How 'bout that Bob McDole?

## EXCHANGES

Lincoln High school of San Jose, California, has a new method of proving to the coming generations their splendid school spirit. At their last pep rally a record was made of several cheer yells.

What is the world coming to? In a recent cake baking contest at Granite High School of Granite City, Illinois, two husky football players won first and second prize. Can you bake, Posie?

## AMERICAN EDUCATION WEEK

The ascendancy of the United States in world affairs has not been accidental. Ours was the first large nation to establish a democratic educational system open to all, through the elementary, secondary, and in some measure higher educational institutions.

By virtue of public education we became a mighty citadel of economic, social, political, and even military strength. Our rise to world leadership was made easy by the fact that other large nations lagged far behind us in their educational efforts.

The United States with its enormous wealth, spends less than two percent of its income on education. In the world wide struggle between democracy and communism as ways of life, the outcome will be determined by education, not by force; the victor will be the teacher, not the soldier.

## BEARS FINISH SEASON AT FORT WAYNE; NIP NORTH SIDE 26-6

Central's Bears finished their 1946 football season last Friday night when they defeated Fort Wayne, North Side, 26-6, on the North Side's field. The team, including nine seniors playing their last game for Central, had looked forward to an easy victory. The North Side boys had different ideas, however, and played the Bruins to a standstill in the first half.

The first time Central took the ball they marched to the North Side one-yard line where they were held for downs. It wasn't long, though, before the Bears hit pay-dirt, a pass from Dick Flowers to Sam Winston put Central out in front, 6-0. It looked as if Central was going to have a field day in the scoring columns. But North Side stiffened on defense, and in the second quarter Norb Cowan, the North Side's main ground-gainer, reeled off a 66-yard sprint to tie the score 6-6. Cowan was injured in the third quarter, and his loss considerably weakened the Fort Wayne attack.

### Start Rolling in Third

Central rolled ahead in the third frame on a Flowers-Ring pass, good for 22 yards and six points. Two more scores in the final stanza sewed up the contest for Central. The first of these was scored by Flowers on a one-yard plunge, and the last was on a pass from "Posey" to Ring.

The Bears gained four times as much yardage as Fort Wayne. Wayman Redding's running was a spark plug in Bears' attack. He and big Pat Hagerty will be the only regulars back next year.

The lineups:

Central	North Side
Ring -----	LE ----- Preston
Jensen -----	LT ----- Gutman
Enyeart -----	LG ----- Leffers
Dauost -----	C ----- Steele
Ware -----	RG ----- Mansfield
Hagerty -----	RT ----- Hettinger
Winston -----	RE ----- Alward
Waters -----	QB ----- Shearer
Perkins -----	LH ----- Cowan
Redding -----	RH ----- Bruick
Flowers -----	FB ----- Leaman

Touchdowns—North Side: Cowan. Central: Winston, Ring 2, Flowers. Extra point—Central: Pass, Flowers to Ring.

## BEAR FACTS

### END OF THE FOOTBALL SEASON

The Central Bruins wound up their 1946 scheduled gridiron season by shellacking North Side 26-6 on the latter's field. This left the record for Central at seven wins and one tie. Records like this aren't sent by just any team! It took the coaching of Jones and Dal Sasso plus the spark of each member of the squad to run up such a total.

The Central team was left in undisputed possession of second spot in the conference standings. Only the Slicers, from over Laporte way, who had nine straight wins to their credit, rose above the "Orange and Blue." This might have read different had Laporte been pitted against the strength of Central or of South Bend Washington, two of the stronger teams in the conference loop.

First on the long list of victims falling before the power of the Bears was the traditional opposition of East Chicago Washington, who succumbed to the score of 26-12.

After winning their initial tilt of the season, the Central aggregation went on to meet the Eagles of S. B. Adams, taking the score 32-6.

Washington's Green Wave then stymied the home team with a 6-6 tie, this being the only blotch on the Bruins' record.

The following week the Bears were victorious over Coach Frieda's boys from Chicago Lakeview, 33-0.

Fourth victory of the season came when the home eleven shut out Michigan City's Red Imps, 31-0.

Some 15,000 fans at Notre Dame stadium, on October 26, saw the crushing power of the Bears roll over the Cavemen of nearby Mishawaka, in a surprising close battle which ended 34-24.

Last of the cities' teams to bow before Bruin brawn was the Riley eleven who took a 25-6 pounding.

Central then traveled to Fort Wayne to play their last tilt of the season. There, the North Side boys took a slashing to the tune of 26-6.

oOo

Cubskin recently had a short talk with Coach Jones on the subject of Central's football team, present and future. In the opinion of Mr. Jones, when asked what he considered was the best played game on Central's schedule this year, there was only one answer, the Riley game. He also said that the finest all around battle this season, was the tilt against Washington.

Mr. Jones said that a big factor in the making of the fine record that Central has, was the wonderful spirit on the part of each player, not only on the field, but in the school as well.

I was also able to find out that Central has a new foe on the schedule for next year, this being the club from Muncie, Indiana. They will replace Lakeview who had only a one-year contract with Central.

oOo

Next year when the going gets rough during the football season, there will probably be more than one who will wish that a few of the fine ballhandlers of this season were still in the line-up. We hate to lose them, and best of luck to: Baughman, Brummond, Ciesielski, Dauost, En-

Looks from here that the smallest number of Central athletes that will hold down a position on the Twin-City All-star squad is five.

oOo

In the North Side fracas the Bears connected on nine passes out of 17 tries. Not bad, considering that Fort Wayne hit on only one out of 13 attempts.

### Community Chest Drive On At Central

It is the season again for the an-nual Community Chest Drive, when the red feather appears on every street and in every home. Dear Diary:  
**Monday, 4th:** Oh mee!! Oh my!! I've got the cutest boy in my 3rd hour class. He's got big brown eyes, curly brown hair and a physique like a star football player!!!!  
**Tuesday, 5th:** He looked at me, just think. He talks to the girl next to him all the time and here I am in the first row while he's in the very last. If only he would notice me and ask for a date. He's darling.  
**Wednesday, 6th:** He stopped me in the hall today—but just to see what the assignment was. Oh, well, I'll keep trying. Remember the saying, "Wishing will make it so."  
**Thursday, 7th:** It happened!! He asked me for a date. I don't know if I really want to go now tho'. The cute redhead that sits next to me could have something to do with it. Ummm hubba. I guess I'll go, he wants me to go so much.  
**Friday, 8th:** Well, the date was ok, I guess. But the boy we doubled with??? He had blonde hair, blue eyes, and was strickly o-reet. The brunette? I'd forgotten him completely. He was a nice boy but oh, this blonde. Here I go again.

### Science vs. TB

(Emerson Yorke Studio)  
 In many laboratories throughout the country scientific studies are being conducted to learn more about the germ which causes tuber-culosis. As a result of these studies, science hopes one day to find a spe-cific cure for the disease. Christmas Seal funds help support medical research.
