### NEEDED: GYM CORRECTIONS

We firmly believe in physical education and its merits. However, if the facilities are such that the program is more detrimental than beneficial to our health we then believe that something should be done about it in order to improve the conditions of our gym. The girls' gym is not always well heated. When exercising this may be all right, but for those waiting their turn to play it is very bad. Our shower facilities in the girls' gym could not be called conducive to good health. Running back and forth between the two buildings in all kinds of weather cannot be helped of course, but one of the first things we can consider when improvements can be made, is the possibility of providing a space for a better equipped girls' gym within the junior or senior buildings themselves.

### BUY YOURS NOW!

They are on sale now. What? Those precious season basketball tickets that enables one to see our exciting basketball games. Where? You can get them from any school club member as they are having a contest for the prize.

If we want to have a successful season we've got to go to the games, in order to go to the games we have to buy a ticket and we can save money if you buy a season ticket. For the team, for the clubs, and for yourself buy a season basketball ticket. Don't keep putting it off. See you at the games.

### SUGGESTION FOR SENIORS

If the senior class would like to leave a lasting gift to Central, a suggestion would be some new trophy cases for our halls. Those we have at present are twenty years old and while they are still useful, they are not large enough to accommodate our many trophies and show them off to best advantage. New cases would brighten up our halls and provide space for more trophies and awards which we shall be winning in future years.

### ASSEMBLY HAZARDS

We all like pep sessions and assemblies but some of us are under the impression that we go to the auditorium for races, wrestling matches, and gab fests. Books are knocked about, people are shoved around, and Mr. Pointer always has to wait to get our attention. Now, on the level, kids, these assemblies are given for our education and entertainment. Let's all be a little more considerate of the other fellow and show a little more respect for the people who are performing.

### WHEN IS TOMORROW?

"I'll do that tomorrow," or "I'll worry about that tomorrow" are little words used by many. But tomorrow really never comes. Something more important comes up and we never do what we thought we would after all. Very often the task grows every time we put it off. For instance, you skip your English assignment one night. Then by the time you get around to doing it you find you have to catch up on several other lessons too. Never put off till tomorrow what you can do today—an old saying, but it still holds true.

## ON THE RECORD

Hello. I want to pass out a few orchids to Jimmy Dorsey and his band for their fine showing last Saturday night. The way Dorsey presented his band and featured players was a great exhibition of showmanship. Dorsey played many old favorites and a few of the tunes he has had recorded. One of these was "John Silver" which always gave me quite a bang. The outstanding player in his organization was the new drummer, Karl Kiffy. The boy is really in there. He came from L. A., California and is only 19 years old. He broke the place up with two compositions for drums written by himself. Look for Karl Kiffy to have a hand of his own that will soon rival Krupa's.

Now for a look at what's new on the black wax. We've got "Ike" Quebec, the boy who I raved about at the Jazz Concert. He's come thru with an album of ten inchers initialed "Ike Quebec." Among its titles are "Delores," "If I Had You," and "Hard Tack."

There's a fine one I heard the other day called "Doodel Adell," by Ray McKinley. On the reverse is a smooth arrangement of "Passe."

A fine piece by Spike Jones' new band which moves distinctly away from the novelty arranging which he is noted for, is a groovy arrangement of "Minka," and on the other side is "Lassus Trombone." Both fine recordings.

—Mac Hartstein.

### WHO IS YOUR GREATEST ADMIRATION AT CENTRAL AND WHY?

Mac Hartstein: "You've got me by the tail."

Hilda Hoffman: "Gene Ring, because his hair is so blond."

Agnes Baumgartner: "Bill Mitchell. Oh, that stunning red hair."

Gene Ring: "Coaches and sports."

Frank Molenda: "Bev. Need I say more?"

Jim Gleason: "Umm. Miss Semortier."

Dennis Mahoney: "Miss Stoll, 'cause of her sense of humor."

Dorothy Gruszynski: "Jim Gleason —because he's so brainy."

Dorthea Schubert: "Pat Hagerty. He's so tall."

Justin De Boer: "Miss Stoll."

Jerry Paris: "Me, myself, and I."

Hailing from three different sections of the United States are three Junior B's, all from home room 319 who have entered Central recently. When approached by your Interlude reporter, these students were all anxious to give forth their opinions of Central, its students and how school life was where they formerly lived.

First to be interviewed was Thelma Pollard, a little gal with sparkling eyes and a matching personality. Princeton, Missouri with a population of 1,500 claimed Thelma as a resident before she moved to South Bend this summer. At Princeton High, Thelma was a cheerleader and as she was proud to add, her brother was captain of the football team. One outstanding point she brought out about her former school was that everyone knew everyone else and the students, on the whole, seemed more friendly than they are at Central. Thelma expressed a keen desire to go back to Princeton High although she stated that maybe she would change her mind after being at Central a while longer. Heading her list of likes

### Verie Sauer Says:

Your old Auntie's choice for one cute couple is that Fruit and Brademas combination.

Aunt Verie predicts bright prospects in store for Claytene Merley and Chuck Hurwich, and Joyce Riah and Dennis Mahoney.

The love bug has bitten Joan Tomalak in the person of a Notre Dame student, Jack Nash, Verie learns 'tis rumored.

Carolyn Emmett and Russell Lindholm seem to get along just beautifully.

Girls, did you see how nice John Campbell and Tom Brademas looked in their uniforms the other day?

Why doesn't Joan Larimer make up her mind?

"They say it's wonderful"—Joanie Butler and Jim Skoving.

Who's the gal over Washington way who is so keen about our own Charles Jeske? Couldn't be Barbara Tschida, could it?

Jane Ann Jones and ex-Centralite Johnny Bergan have stars in their eyes.

Take notice of Raymond Betz, girls. He's Dean's little brother.

What happened to Ric Edwards a couple of weeks ago. Was it the roller skates or was it Marilyn?

Here I sit filled with joy. I got here

before Kilroy.

Mac Lean had herself quite a time at Purdue with her little Nellie. How 'bout that?

What's this about Pat Kelly and Chuck Hurwich?

Last week little Carol Fuller had herself a swell time. Reason—Tom Brademas was home.

"He's been from kindergarten through college twice, but refuses to graduate 'til his Reynolds Rocket pen needs refilling!"

118 S. Michigan St.

Here's a little info on the case of 'Bobbie' Mahler. When last heard of she was a bride of over a month and seemed very happy.

Seen at Jimmy Dorsey—Callus-DeMunck, Shaeffer-Buck, Olson and Guess Who?

Is Frances Tschida really truthful when she says that she doesn't think of John Bowlby?

Seen at Sadie Hawkins—Pat Lange and Bud Wciessel, Pat Hagerty and GeeGee Ellis. Two couples that your old Auntie would like to see more of.

Hear tell that everyone had a swell time at Soro's pot luck last Tuesday.

Wonder who Sally Derring is going with now? How 'bout that Bill?

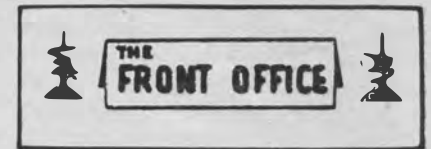

Dorthea Schubert is quite elated—Chandonia's coming home in only 115 days!

Verie certainly would like to see more of Helen Petzke of Riley and a "certain" Centralite.

Verie wonders what keeps Dave Brown on the "available" list? He can't be a woman-hater, or can he? Come on Dave, give out.

Bill Hanson to Barbara Palmiter, "There's No One But You."

### BASKETBALL

Our basketball season opens this Friday evening at Lebanon. Our first home game is with Riley on Wednesday, November 27. Our prospects seem to be, at this time, exceptionally good. Our new coach, Mr. Primmer, is an excellent coach and he will have a team of which Central will be proud.

Our season ticket sale has been fine. However, there are many who have not purchased their tickets, yet. We can definitely promise students, who buy season tickets, first claim at sectional tickets. This is the only fair method of distribution. Students who support our team throughout the season should have first claim and they will.

So buy your season ticket, become a basketball booster, and assure our team of your support this season.

P. S. Binter

## Bears Invade Lebanon

Central's undefeated, once tied gridiron squad has laid aside its football togs for another year and everyone is now awaiting the opening whistle which will signal the tip-off of the Bears' 1946-47 hardwood season. The Lebanon, Indiana Tigers will meet our Bruins tomorrow night on the Lebanon court as Coach Robert Primmer's boys take the trip down state.

This contest, the first of the season for the season, will also be the first game under the Bears' new Head Coach Bob Primmer. A goodly number of the members of the Bears' football squad put aside their grid equipment only to immediately don basketball uniforms as shown by the fact that Gene Ring, Jerome Perkins, Roy Jensen, Sam Winston, "Posie" Flowers, Pat Hagerty, Ernie Bond, and others are out for the Bears' varsity quintet.

### Riley Wildcats—Nov. 27th

But little information concerning the strength of the Lebanon five is available. The same goes for the South Bend Riley squad which battles the Central Bears in the Wildcats' first tussle of the season on November 27th at John Adams. Last year the Riley five defeated Central in three games with an average winning margin of 1.4 per game. Coach Wakefield of Riley has three returning players in Heiser, Foster and Welch.

Coach Primmer has announced that two teams will be taken to Lebanon where two years ago "Bart" Woodard won the game for the Bears when he dropped in a one-hander in the last five seconds for a 29-27 win. The following players will make the trip to Lebanon: Ring, Perkins, Flowers, Hagerty, Jensen, Bond, Mull, Neeser, Santa, Carter, Davis, Beyrer, Toth, McCaw, Chapman, Daube, Freeman, Whitner, Winston, Olson, and Balok.

## BEAR FACTS

Elmer Burnham was the principal speaker at the annual Smiler football banquet held in the Central lunchroom last Tuesday evening. Coach Burnham, who is now head coach and athletic director at Rochester University, once coached a state championship football at Central and later became head coach at Purdue University. His speech, "Back Home Again," was an interesting, enthusiastic, and inspiring one, among the best Central has head.

The high-light of the evening came when awards were presented to Gene Ring who was voted the most valuable player on the team. Gene also got the Reco award for the most valuable player in the line. The Gilbert's award went to Jerome Perkins for the most valuable man in the backfield. To "Posie" Flowers went the award for winning four letters in one sport.

This year's lettermen who were honored were: Flowers; Perkins, Redding, Waters, Ciesielski, Daoust, Jensen, Brademas, Heppler, Hagerty, Coquillard, Zalas, Solander, Barnes, Bond, Neiser, Ware, Peterson, Augustine, Ring, Hay, Kowalski, Winston, Enyeart, Baughman, and Niemer.

This year's basketball B-squad, pointing toward continuing its conference domination, will open its 1946-47 season tomorrow night against the Lebanon B-team on the latter's court. The Central reserves have won the conference title the last two years, and from pre-season indications they should have a good chance to come out on top again this year.

The boys on the squad are all sophomores. Soph A's who played last year include Bob Neeser, John Davis, Connie McCaw, and Booker Carter. Among the top-flight boys from the junior high school are Chuck Beyer, Bruce Daube, and Andy Toth from Muessel; scrappy Carman Chapman from Madison; and Jack Morrical and John Knox from Central.

Coach Charley Stewart is undecided as to his starting lineup. But with all the afore-mentioned boys, and about a half-dozen more, he is looking forward to a successful season.

The team plays the preliminary to the varsity game, home games starting at 6:45 p. m. The schedule this year is identical with the varsity's, with the exception of the game with Emerson, Feb. 20, and the Hammond Tourney, in neither of which the B-team will play.

**SUCH IS LIFE**

"Such is life." As such it is really tough for the weaker sex(?). They have so many problems among them these are just a very few!

If a girl speaks to everyone she's forward.

If she doesn't she's bashful.

If she talks to boys, she's a flirt.

If she doesn't she's high hat.

If she's smart in school, she's an ick.

If she isn't, she's dumb.

If she talks about others, she's catty

If she doesn't she's a prude.

If she goes out with many, she's a

pick-up.

If she doesn't, she's a wallflower.

If she's popular, she's talked about.

If she isn't she's ignored.

If she goes steady, she has to.

If she doesn't, she couldn't.

If she wears a boy's ring, she took it.

If she doesn't, she can't.—Kernel.

**VERSE**

The moon was yellow

The lane was bright,

As she turned to me

In the autumn night.

And every gesture

And every glance

Give me a hint

That she craved romance.

I stammered, stuttered

And time went by.

The moon was yellow,

And so was I!

**INTRODUCING (Cont'd)**

are Mr. Jones, Mr. Harter, hambur-  
gers and the record "I Know," by  
Glenn Miller. Her main dislike is un-  
friendly people.

Bartley Davis, a handsome new-  
comer, is accredited with having at-  
tended three different high schools,  
all within the past year. Before en-  
tering Central last April, Bartley at-  
tended Shulton High in Shulton, Con-  
necticut and between December and  
April of last year he went to school  
in Euclid, Ohio because his family  
couldn't find housing in South Bend.  
Being quite an authority on schools  
(Central is the seventh school at-  
tended by Bartley), he says that Cen-  
tral is a pretty swell school and is  
considered "tops" inasmuch as there  
are some many opportunities offered  
here in comparison to the limited ac-  
tivities of other schools he has at-  
tended. Football is the main sport of  
the eastern schools but basketball is  
not enthusiastically undertaken in  
that part of the country. Already  
Bartley is a member of the Hi-Y at  
Central. When asked what his likes  
were, he promptly answered, "Driv-  
ing a car and pretty girls." He has  
one sole dislike and that is the 1947  
Studebakers.

Los Angeles was the home of Joan  
White for two and one-half years be-  
fore she returned to her original  
hometown, Edwardsburg, Michigan  
where she now resides. At Manual  
Arts High school which has an en-  
rollment of about 3,000 students, Joan  
was a member of the Hospitality, the  
Orthopedic and the Modes and Man-  
ners Clubs. Clubs were numerous and  
small there and each met at a differ-  
ent time during the week. "Middle  
West friendliness doesn't compare to  
that of Los Angeles," says this pretty  
lass who seems to prefer the land of  
sunshine to South Bend. Next semes-  
ter Joan hopes to join G.A.A. or else  
start a new club at Central for new-  
comers. Joan's ambitions center  
around fashion designing which she  
hopes to take up when she completes  
high school. "Some of the facilities  
that Central lacks," says Joan, is a  
girls' gym and a large outdoor field  
for sports.
