LEAD ME GUIDE ME

Chorus: Lead me guide me, along the way. For if you lead me, I cannot stray. Lord let me walk each day with you, lead me O Lord, lead me.

I am weak and I need thy strength and power, to help me over my weakest hour.

Help me through the darkness thy face to see, Lead me, O Lord, lead me.

Help me tread in the path of righteousness, be my aid when Satan and sin oppress. I am putting all of my trust in thee, Lead me, O Lord, lead me

I am lost if you take your hand from me, I am blind without they light to see.

Lord, just always let me thy servant be, Lead me, O Lord, lead me.

Are we weak and heavy laden, cumbered with a load of care? Precious Savior, still our refuge, take it to the Lord in Prayer.

BECAUSE HE LIVES

God sent His son, they called Him, Jesus; He came to love, heal and forgive; He lived and died to buy my pardon, An empty grave is there to prove my Savior lives!

Because He lives, I can face tomorrow Because He lives, all fear is gone; Because I know He holds the future, And life is worth the living, Just because He lives!

How sweet to hold a newborn baby, And feel the pride and joy He gives; But greater still the calm assurance: This child can face uncertain days because He lives! And then one day, I'll cross the river,
I'll fight life's final war with pain;
And then, as death gives way to vict'ry
I'll see the lights to glory and I'll know He lives!

I AM THE BREAD OF LIFE

Chorus: And I will raise Him up (2x)

And I will raise Him up on the last day!

I am the bread of life! He who comes to me will not hunger, He who believes in me shall not thirst! No one can come to me unless the Father draws Him!

The bread that I will give, is my flesh for the life of the world! And he who eats of this bread, he shall live forever (2x)

Unless you eat...of the flesh of the Son of Man And drink of His blood, you shall not have life within you!

I am the resurrection, I am the life. He who believes in me, Even if he die, He shall live forever, he shall live forever!

Yes, Lord, I believe that you are the Christ, The Son of God, who was to come into the world!

Dedications to Emilio David Flores Sr.

Dad.

You were always concerned about my teaching career and how much you wanted me to follow your path of being a good math teacher. Teaching is my passion, Dad, and you are my inspiration. I know that you will be by my side guiding my footsteps towards my goals. I love you, Dad, rest in peace.

Your daughter,

Elsie-mae

A friend and father, he supported us and spent time sharing stories about how growing up have gotten us where we are today. Always told me to do good in school, he said "Study hard, do all your assignments and I assure you that you will be successful!" Lesson learned, we can't have everything we like or love. In our hearts his spirit is still here with us, to look over us. You will truly be missed by many, you were greatly appreciated and loved. May your soul. Rest In Peace!

Love Always,

Jane Sabal, Your Daughter Emilia J. Flores and your son, Emilio Flores Jr.

Your passing was so unexpected, I did not have the chance to say goodbye. Plans we made together, I will have to fulfill them alone. I will smile every tear I cry knowing that I have a wonderful dad. Although you are gone you're still in my heart. I will surely miss you!

Love always,

Emily Flores

Flo.

You are a very good friend, co-worker, and hang-out buddy. You will be surely missed. Your absence will be a huge hole that will never be filled.

Your friend,

Carmen

Dedication to Emilio David Flores Sr.

Progressive Achievement Center

For the past two years, we had the great pleasure of having Mr. Flores grace us with his presence as our math and science teacher. Of course, anyone who knew Mr. Flores as a professional knew that math was his forte. Not only did he know math well, he was one heck of a math teacher. He taught everything from basic math to calculus, and he'd taught every type of student including students with special needs. It's one thing to know math, but to teach it to students of varying math skill levels and teach it so that every student you teach ultimately "get it", is a huge accomplishment. In that regard, Mr. Flores leaves us with a void and he will be dearly missed.

In addition to teaching math and science, Mr. Flores also took on the role and responsibility of overseeing and counseling our student council. He did an absolutely fabulous job at teaching the students how to conduct business meetings, as well as how to develop and implement fundraising efforts. Again, for all of his endeavors, the administration and students will be forever grateful.

On behalf of the administration, staff and students of Progressive Achievement Center, we extend our deepest sympathy and condolences to the family, loved ones and friends.

Graciously,

Millicent Wanzo, Director
