was an  
institution,

in the beginning

a complement of rules,  
chains, bars, and  
latent sensitivity.

a century has changed that condition.

our school is now  
opened to us as a  
key to knowledge,

a door to  
strength,

what is best for the future

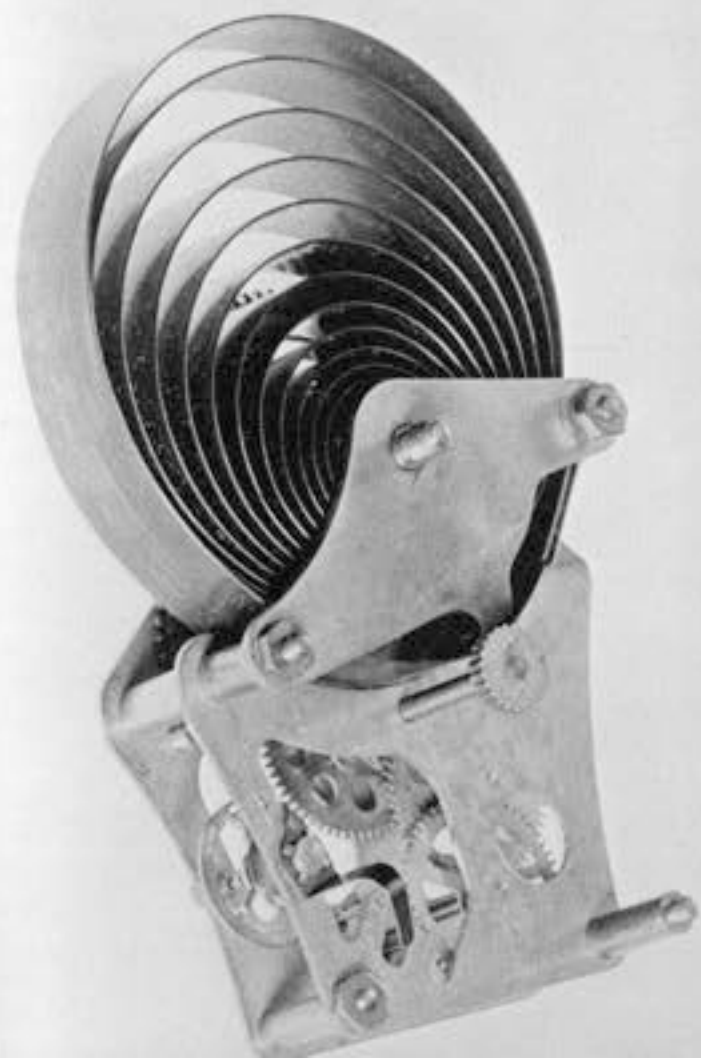

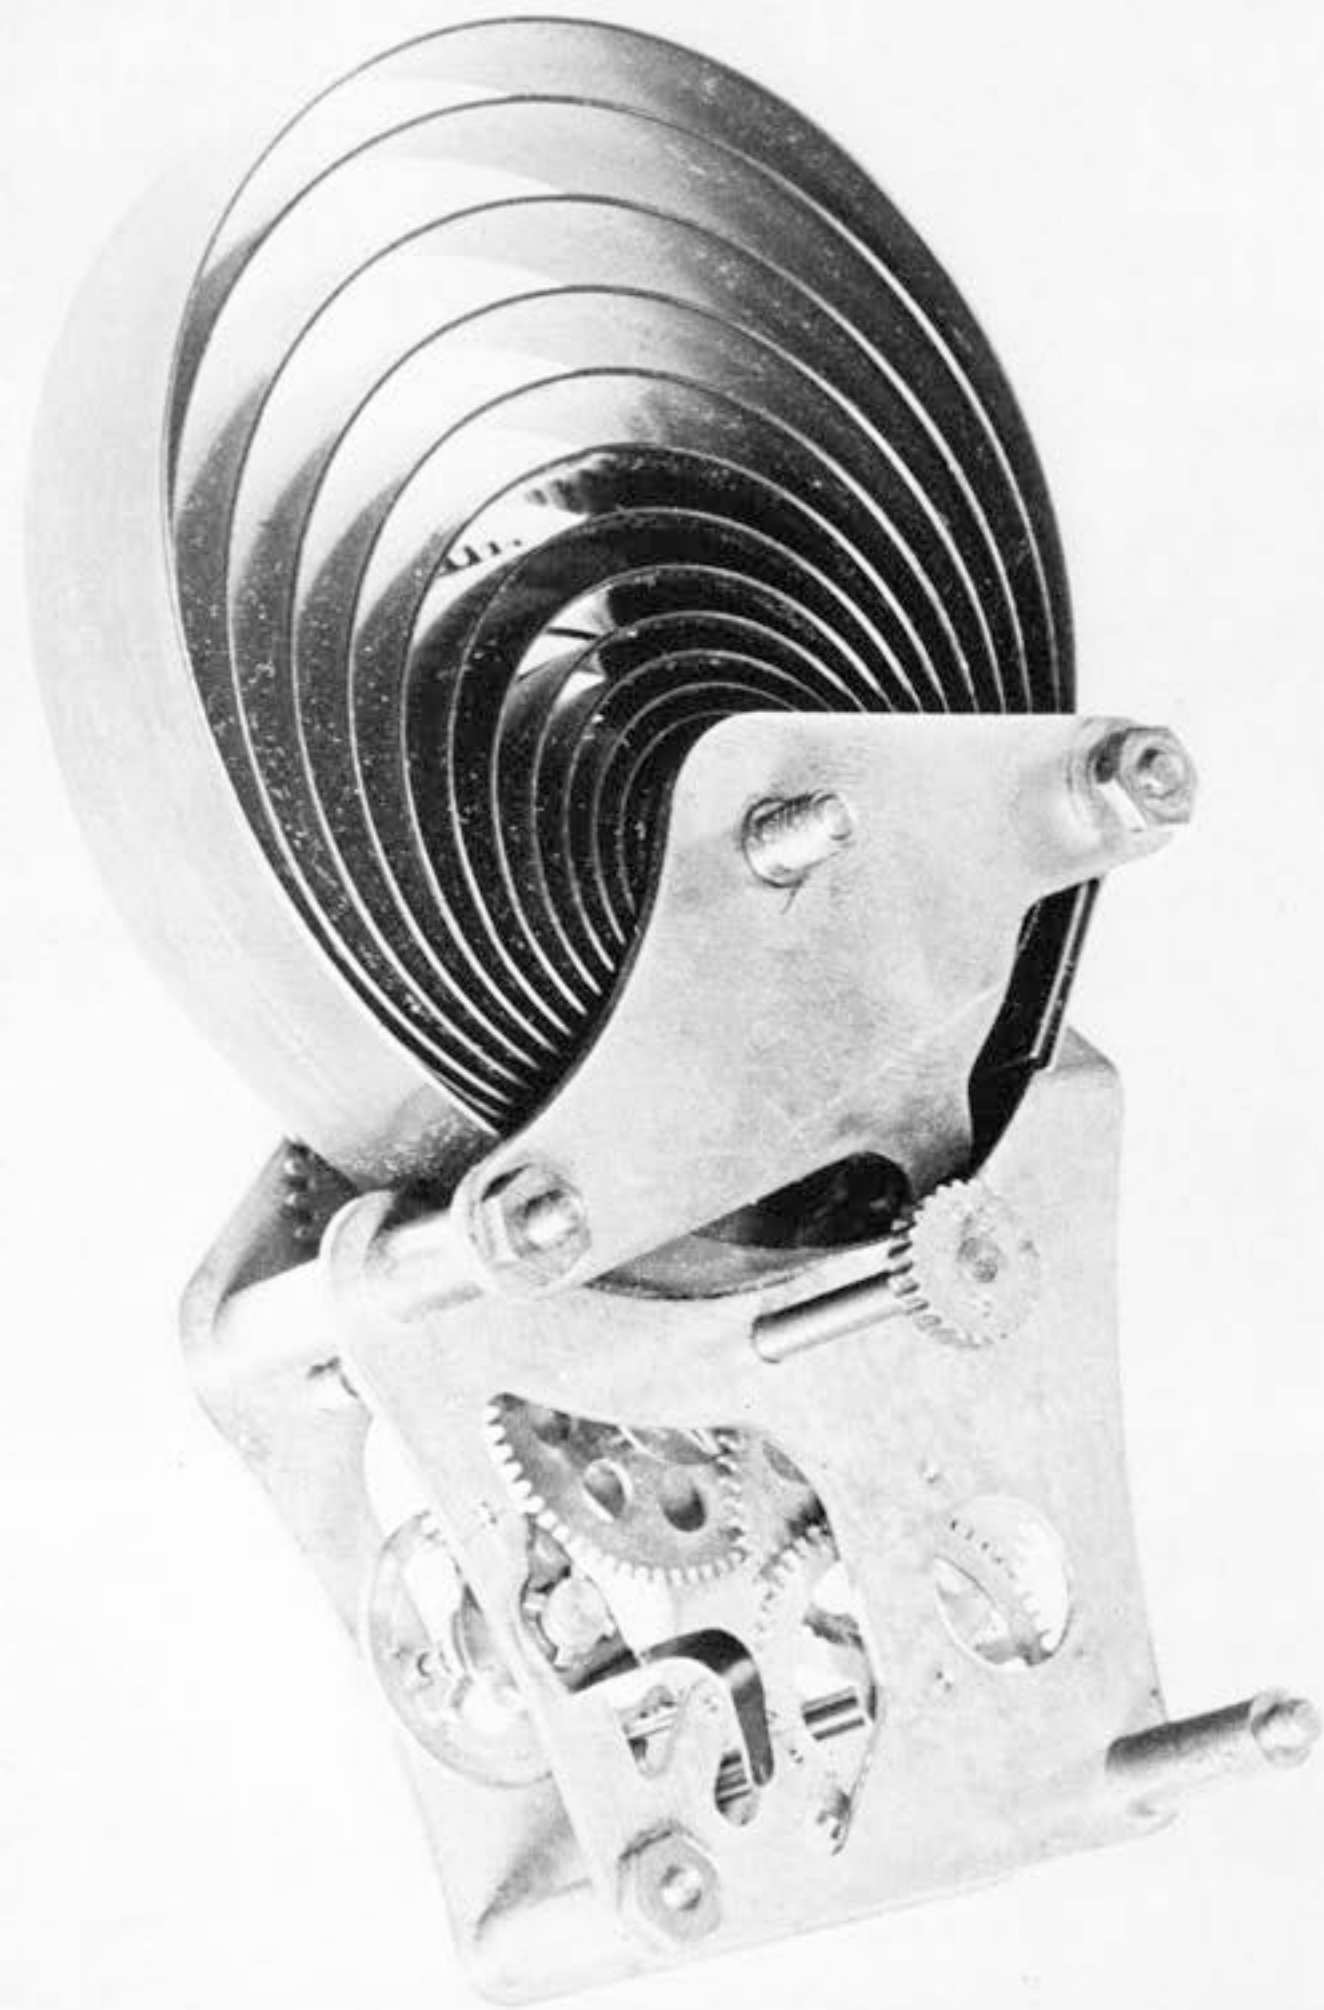

of an alien generation

and a place  
where people  
try to  
understand

As with all changes, it takes some time to adjust to them, but in the case of Dr. Fritz Overs, Shaker's new principal, time was not a deciding factor in the rapid acquaintance of Dr. Overs and Shaker. Perhaps it was his initial introduction at the Hello Assembly, or the senior talks in the auditorium, the way he handled the senseless tragedy at the beginning of the year, or his evident concern for, and participation with the students. Maybe it was his smile. At any rate, Dr. Overs wasted no time in showing the students that he cared, and isn't that what being a principal and a friend is all about?

### Choose Something Like A Star

O Star (the fairest one in sight),  
 We grant your loftiness the right  
 To some obscurity of cloud —  
 It will not do to say of night,  
 Since dark is what brings out your light.  
 Some mystery becomes the proud.  
 But to be wholly taciturn  
 In your reserve is not allowed.  
 Say something to us we can learn  
 By heart and when alone repeat.  
 Say something! And it says, 'I burn.'  
 But say with what degree of heat.  
 Talk Fahrenheit, talk Centigrade.  
 Use language we can comprehend.  
 Tell us what elements you blend.  
 It gives us strangely little aid,  
 But does tell something in the end.  
 And steadfast as Keats' Eremité,  
 Not even stooping from its sphere,  
 It asks a little of us here.  
 It asks of us a certain height,  
 So when at times the mob is swayed  
 To carry praise or blame too far,  
 We may choose something like a star  
 To stay our minds on and be staid.

— Robert Frost

As with all changes, it takes some time to adjust to them, but in the case of Dr. Fritz Overs, Shaker's new principal, time was not a deciding factor in the rapid acquaintance of Dr. Overs and Shaker. Perhaps it was his initial introduction at the Hello Assembly, or the senior talks in the auditorium, the way he handled the senseless tragedy at the beginning of the year, or his evident concern for, and participation with the students. Maybe it was his smile. At any rate, Dr. Overs wasted no time in showing the students that he cared, and isn't that what being a principal and a friend is all about?

Although the final win-loss record may not have been outstanding, the individual playing abilities of Wiehe's Booters certainly were impressive. Rebounding back from injuries, such players as Steve Hope and Jim Hansell, who both tied the record for having the highest number of goals for the season, helped to keep the Booters' morale up. Also, having that superman-like goalie, Steve Dalton, jumping stories high to make a save, didn't hinder the team's ability either. Scott Miller, keeping constant pressure on his opponents, set a new record for having the most shots booted at the goal in a game. Due to many injuries throughout the season, the team often let their morale slip out from under them, costing them games they should have won. Despite this, with the constant reassurance floating from one teammate to another and Mr. Wiehe's coaching ability, the season ended with an impressive playing record.

This year's club took on a new perspective. Girls of the sophomore class were permitted to try out in the fall of 1973 instead of having to wait until the spring of 1974. The new members added their enthusiasm to make the year successful. With the money that we were able to raise through our annual car wash and candy sale, we improved the qualifications and flexibility of our Honor Award, which is presented every year. The dedication of our sponsor, Miss Hill, drove us on throughout the school year. Her dedication plus that of the members made the 1973-74 club a worthwhile one.

The spring season was a good one for both golf and baseball. The golf team, coached by Al Raymond, had a final win-loss record of 10-1 and placed second in the L.E.L. and ninth in the sectionals. The baseball team, under the coaching of Fred Heinlen, ended the season winning 22 of their 34 games. They placed third in the L.E.L., with Jamie Mussaro, Peter Haskell, and Doug West becoming All-L.E.L. players.

The varsity girls worked together all season, practicing rain or shine, hoping for a winning record. The final totals were three wins, three losses, two ties. The junior varsity team finished with a 1-4 tally and showed rewarding improvement throughout the season. The sophomores played well although defeated. Both teams, along with coaches, Miss Linda Betley, Miss Mary Ellen Leuty, Mrs. Susan Huing, and Miss Dorothy Hill molded a worthwhile season.

Coach Al Raymond cheered his team on throughout the season although it turned into disappointment. Many of the players suffered injuries. At the home games, the stands were almost filled. With the help of the cheerleaders, the fans showed their spirited support. The Raiders came through with a joyous victory over their rival, Cleveland Heights. Two members of the team, Keith Brooks and Brian Sulzer, were chosen to play on the L.E.L. all-star team. At the annual dinner, Jon Keller was named the most valuable back and Brian Sulzer was named the most valuable lineman. Steve Chesler was deemed the most improved player, and Keith Brooks received the Jack Sload award. The Junior Varsity team did not do as well as the Varsity. They ended the season with a 2-7-1 record.

## moments of joy

Throughout defeats and victories, the faithful cheerleaders led the crowds in a roar. Last summer, they learned their cheers well, and they went on to show each new crowd their enthusiasm. Another time-consuming effort turned out well when the cheerleaders decorated the players' lockers. The cheerleaders also had practice every Wednesday. With the help of their advisor, Miss Machovec, 1973 was a successful year.

. . . and concern

Despite the 7-11 league record, the '73-'74 Varsity Basketball squad was a winning team. Shaker defeated six of the nine L.E.L. teams at least once, falling twice only to Heights, Lakewood, and Normandy. Although Shaker ranked only seventh in the league, they managed to claim thrilling victories over title contenders Shaw and Euclid, knocking Shaw out of its top position. These two victories, along with a very close loss to Lakewood, made the season a rewarding and successful one. The team was led by Captain Bernie Crew, who was chosen for the **Plain Dealer** Dream Team. Other key players were **Press** star Bob Alprin, Jim Smith, Jay Lawson, Jon Keller, Bill Orange, and Joe Szwaja. Only Lawson and Orange will be returning next year. The Junior Varsity didn't do as well as the Varsity, compiling a record of only five wins and thirteen losses.

Both teams opened the season with three home games. The Varsity faced disappointment in losing all three of the matches. Doing a little better, the Junior Varsity won one of theirs. Even though the Varsity lost their first games, they showed a definite improvement as the season progressed. The injury of Kim White's ankle in the second game did not help matters. As the weeks passed, both teams learned to play together as a team rather than as individuals. Coaches Leuty and Betley shared their insight and knowledge with the players to improve their skills and techniques.

This year's team carried on Shaker's winning tradition in hockey. The Raider's provided the league with outstanding play and record crowds while establishing a 14-3-1 record, one point out of first place. Shaker was invited to the Invitational State Tournament in Bowling Green for the fourth straight year.

Much of the success of this season was due to the hard work and dedication of the seniors to the team. The Shaker defense was headed by Max Nelson, the team's leading scorer. Mike Daniels, a new addition to this year's team, provided some needed strength on the point as did Bruce Kaufman who improved his play a great deal. Up front were dedicated seniors Gar Corkran and Delbert Thomas and the team's hardest worker Jon Lampe. In goal was Andy Weiss, another new addition, who did an outstanding job.

With equally outstanding performances coming from the juniors and sophomores, the team looks forward to continued success in the future.

Pete Jackson, Captain

**Editor's Note:** On March fifteenth, Shaker played Bowling Green for the state championship title and won 4-3 in the first overtime on an unassisted goal by Max Nelson. The victory marks Shaker's third year as state hockey champion.

The 1973 Spring Track Team ran to a final record of 5-5. The events were good experiences for next year's returning squad. The high point man of the year was Chris Moorez, and the most improved member of the team was Joe Houghton. In spite of rigorous training and fine coaching, the 1973 Cross Country Team saw disappointment in the fall. They gave all they could, but they finished with a 2-9 overall record. Jamie Kiggen ran the fastest two miles for the season with a time of 10:02. Steve McConnell was named the most improved runner at the team's awards dinner.

Once again, the Wrestling Team suffered a disappointing season. Despite all their hard work, the Raiders were unable to win any of their twelve matches. There were few outstanding individual records, and only Captain Mark Cook placed in the sectional tournament. The wrestlers would probably be more encouraged if they had larger crowds to cheer them on.

This was a year of innovation for Sharcs. The club has gone to synchronized competition several times, as well as presenting a Christmas show. It's been a lot of work, but there were many good times, too. We could not have accomplished all we have without our advisor, Mrs. Huling.

As an organization of diverse interests, **Semanteme** is intentionally chaotic and bizarre, but isn't that what we expect it to be? **Semanteme** is held up as Shaker's mirror. We reflect its optimism and despair, inventiveness and stupidity, sterling qualities and grotesque aspects, its significance and the absurdities.

## shakerite ranking high

Ranking high among the many excellent features of this school which too few people seem to appreciate is the **Shakerite**. Despite the fact that teachers often forget to distribute the papers and that students leave them strewn throughout the halls, the **Shakerite** staff consistently continues to publish one of the finest school newspapers in the state of Ohio and distribute it free of charge. Please understand that responsible news reporting, controversial editorials, interesting features, and thorough sports coverage are our trademarks; not forming football formations.

## gristmill: capturing time

**Gristmill** is a word that represents two semesters of our lives. It remembers for us faces we loved, names we respected, and the building that surrounded us. One thousand pictures and one million words capture for us shadows of the time we spent becoming a part of each other. Although these represent our past, they will fulfill the **Gristmill's** purpose only when they evoke memories in our future.

## executive privilege

Somehow the Student Council was different this year. In the past, the table in the Activity Office was encircled by a homogeneous set of students, interested in government, experimenting with being politicians. But this year (whether because of necessity or intention I don't know) Council has stepped out of the Activity Office and has grappled with some of the more basic problems and issues that confront Shaker. The Egress, a veritable haven for a sizable amount of students, was re-opened, signalling a triumph for student organization and responsibility. The cafeteria center evolved into a centralized gathering and recreational spot which has been in need for a long time. Seminars, parties, a wild pickle sale, and other new activities added color and vigor to Shaker's non-academic personality. An important relationship with the administration was renewed; some harsh words were exchanged as they inevitably are, but communication lines were effectively pursued and kept open. Homerooms were used more frequently this year than in Council's recent history. An undeniable drag for many students, homerooms nevertheless kept the Council and the students informed and involved. The Curriculum, Welfare, Rejuvenation, and Seminar committees worked diligently, involving students who had never found Council worthwhile before. A heightened consciousness of the needs of Shaker students and a determination to finally become a vital and effective organization directed Council's actions and achieved their successes. Indeed, Student Council finally stepped out of the Activity Office.

### What a Rush!

Haven't the time to talk with you,  
 Rushing along just passing through.  
 Wish I could stay, but I don't have a chance,  
 Running around I got ants in my pants.  
 Haven't the time to catch my breath,  
 Rushing myself to an early death.  
 Time is my master, I am the slave,  
 Digging an early grave.  
 Running in circles and getting nowhere,  
 Searching for something that's really not there.  
 Caught in a rat-race, I feel like a rat.  
 What do you think about that?

Hustle and bustle is all that I know,  
 Racing and chasing and anything goes.  
 Time passes quickly when you're having fun,  
 But time passes quicker when you're on the run.  
 Hurrying, scurrying — A hassle for sure,  
 Moving so fast, my mind is a blur,  
 Shoving and loving, that's all that we need,  
 Hating the waiting to reach better speed.  
 I wish I could slow everything down . . .  
 I would like to turn all time clocks around.  
 And if every one of those wishes come true,  
 Then I'd have some time to spend with you.
