Re: Retail Development on College Avenue in Kentfield

**The undersigned resident(s) of Kentfield and neighboring communities is(are)
OPPOSED TO new retail development along the College Avenue and Sir
Francis Drake Boulevard corridors for the following reasons:**

- **Unsustainable traffic congestion**
- **Poor traffic circulation**
- **Inadequate public parking**
- **An already established commercial district**

**We believe that additional development would further negatively impact
these conditions and disturb the tranquility of the Kentfield community.**
