#### P. T. A.

Dr. John N. Vayhinger, clinical psychologist at the St. Joseph County Health Clinic, will address the Washington-Clay P.T.A. This meeting will be held on December 4 at 8:00 p.m. in the school cafeteria. The senior mothers are doing their part as hostesses. The school choir will provide Christmas music under the direction of Mr. Kinghorn.

Mrs. Frank Redfern and the mothers are planning a splendid program.

#### FLAG

Recently a call was made for volunteers to put the flag up in the morning and take it down each evening. We had no response from our student body. Ironic, you say? We say tragic! Can't we find at least two boys or girls who will give five minutes a day to this duty? Come on students, let's show our pride in the mark of our country — The American Flag.

#### VIRGIL LEAVES CLAY

Florida lured another Washington-Clay student as Richard Virgil, sophomore, has gone to Astatula, Florida to live. Dick's address is Box 25, Astatula. He might like to hear from some of his former classmates.

#### BIG NEWS!!

Hey guys and gals, get your partners quick! A dance is coming. What, you say! A dance? Yes, the Juniors are having their Annual Dance, December 12, in the new gym. The co-chairmen of the dance are Barbara Kelley and Marion Todd. Look for more details in the next Colonial.

#### MENU OF PICKLED FISH

Mr. Brumbaugh started the rumor flying that the menu for lunch in the cafeteria last week was to be pickled fish. Pickled fish (pickled in formaldehyde, that is). Miss Abair, really!!!

#### MEMORIAL FOR KERMIT

Armistice Day held a special meaning for the students at Washington-Clay last Tuesday because they honored Kermit Ferrell, along with many others who made the supreme sacrifice and were victims of the Korean fighting.

Kermit attended Washington-Clay until he was inducted into the Marines in 1951. He was remembered by most of the Clay students. He took his basic training at San Diego and his machine gun training at Camp Pendleton, Oceanside, California. Kermit was sent overseas and was with the First Marine Division, and last August he was killed on Bunker Hill.

In the memory of Kermit and others, taps were played by Dick Lattimer and Walter Gaedtker. The "American Creed" was read by George Kessler. Magdalene Gaedtker sang "Day Is Done," and George Kessler concluded the memorial with the poem, "In Flanders Field."

#### TO MR. KINGHORN AND BAND

I want to congratulate you for the fine work you are doing with the Band and other music. I am a lover of music and I often wish that I would have kept it up. My father was a singing teacher, my one brother played in the band, and I took singing lessons myself. My husband also played three different instruments in the band. So young folks, while you have a chance, keep up the good work! You will never regret it.

Yours respectfully,  
Mrs. Schloerke,  
a listener and a friend.

#### IT'S A DATE

The Ullery School is having its annual Chili supper on December 2, at the Community Church. Everyone is invited.

The tempting menu is, hog dog or Tuna casserole and a salad. To end this hearty meal they are serving pie or cake, besides coffee or milk.

Tickets will be on sale next week. If you want tickets and no one contacts you, Please Call 2-4515.

Where else could you find such a meal as reasonable?

#### REMINDER

Let's turn in those articles on "Our Community's Needs in the War on T.B." or "What Does Tuberculosis Mean to Me?" The best articles will be printed in the next issue of the Colonial.

#### PRAY . . . GIVE THANKS

#### THANKSGIVING DAY EDITORIAL

On Thanksgiving Day it is not enough to say, "I am thankful that the American way of life is wonderful."

American freedom will continue only if American citizens are resolved to perform personal sacrifices in its behalf, every day of the year.

Democracy demands more civic responsibility than any other form of government. Being a citizen in a democracy entails more work than any other type citizenship. Democracy demands an active, personal citizenship. If individual citizens do not participate, democratic government becomes a mockery, and our freedoms will disappear.

The freedom of the ballot depends upon our duty to vote intelligently. Our right to a fair trial rests upon our readiness to serve on the jury when called. The right to worship God in our own way parallels our duty to extend respect to the religious beliefs of others. Freedom of the press depends upon the obligations of the press to publish the truth as it sees it.

Equality of opportunity and freedom from discrimination depends upon our refraining from radical, religious and class prejudices. The right to assure our children of a free education depends upon our obligations to take an active interest in educational issues and to pay taxes to support the public schools. Our right to work in an occupation and locality of our choice and our right to own property rest upon our duty to extend similar rights to our fellow men.

Though we are genuinely grateful for our great American Heritage we must not be content to rest upon that thankfulness. Not only must we preserve the freedoms handed down to us, but we must also expand and improve those freedoms. On this Thanksgiving Day we must remember that liberty, as Jefferson said, cannot be completely inherited, but "must be won anew for every issue in every generation."

—From *Gluey Gleanings*.

#### THE MEANING

As the pumpkin pie and cranberry sauce come into view so does a Thanksgiving program.

Today at 2:25 p.m. Reverend D. H. Pellett from Maple Lane's Evangelical United Brethren Church will speak on the "Real Meaning of Thanksgiving."

The music department once again comes to our aid with rendering the selections "Thanks Be To God" and

"Praise the Lord, O Jerusalem."  
We must realize the type of this program and act accordingly.

#### THANKSGIVING

LORD, FOR THE ERRING THOUGHT NOT INTO EVIL WROUGHT:  
LORD, FOR THE WICKED WILL BETRAYED AND BAFLED STILL:  
FOR THE HEART FROM ITSELF KEPT,  
OUR THANKSGIVING ACCEPT.

by William Dean Howells.

## From The Office Of The Principal

Basketball season is now here and this seems an opportune time to bring to mind some of the rules and regulations laid down by the Indiana High School Athletic Association of which we are a member. We are asking the cooperation of students and fans in maintaining our membership in this association.

1. The Principal of the high school shall be the authorized representative of his school and responsible to the I.H.S.A.A. for control and management.
2. The Principal has the authority to exclude any contestant who, because of bad habits or improper conduct, would not represent his school in a becoming manner.
3. Principals shall take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the Association.
4. In all contests the decisions of the officials are considered final and binding.
5. A passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week is interpreted to mean a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given.
6. Students shall be ineligible for any athletic competition upon reaching twenty years of age.
7. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation.
8. Any student, whose conduct or character is such, in the judgment of the Board of Control or his high school Principal, as to reflect discredit upon his high school or upon the I.H.S.A.A. is not eligible to participate in inter-school contests.
9. In cases in which an ineligible student has been used, the high school Principal shall be held responsible.
10. The giving and receiving of awards and medals shall (a) be kept within reasonable bounds; (b) have symbolic value only and (c) be done by and with the consent and under the supervision of the high school principals concerned.  
 Note — The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.
11. Suitable awards may be given by such organizations as service clubs, patriotic organizations, civic groups, Dads' and Mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.
12. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni.
13. Organized or formal practices in basketball by players or teams may be held within the school from the period beginning October 1 and ending on the date of the State Final Championship Basketball Tourney each school year.

## ART CLUB

The art club held its first meeting on Tuesday, November eleventh. Its purpose is to help with school projects; members do not have to take art. It was decided to have another meeting in the near future. Any more people who are interested are welcome to join. One of the projects they have is decorating the school for the Christmas season. They will also take several field trips. One of the places suggested was the Art Institute of Chicago.

## TEACHER WEDS

Miss Margaret Huepenbecker, our English teacher, became the bride of John Murray, November 1, at an eleven o'clock service at St. Patrick's Church. The Rev. Joseph Corcoran performed the ceremony.

Baskets of white chrysanthemums, fugi mums, and palms decorated the church. Organ music was played by Daniel Pedtke and vocal solos were sung by Mrs. Pedtke.

The bride was attended by her sister, Miss Agatha Huepenbecker, a teacher in Valparaiso, maid of honor; Mrs. Richard White of South Bend, bridesmaid; Judy White of Washington Junior High, junior bridesmaid. Jay Elkins of Washington Junior High was ring-bearer. The best man was Edward Conway of Seymour, Connecticut; ushers were Tom Meany of Cleveland and Richard Hodge of Denver.

The bride's gown was of heavy satin with full skirt flowing into a cathedral train. A finger-tip veil with blusher of imported silk illusion fell from a tiara of embroidered pearls and rhinestones. The bride carried a cascading bouquet of feathered white carnations and pink rosebuds with ivy accents and streamers tied in love knots.

The maid of honor and bridesmaid wore identical gowns of orchid nylon net. The maid of honor carried a cascading bouquet of yellow mums and pompons while the bridesmaid's bouquet was of orchid colored mums and pompons with ivy foliage. The junior bridesmaid wore a matching dress of Nile green nylon over gold and she carried a bouquet of bronze baby mums.

After the wedding a reception was held at the Progress Club after which the couple left for a tour of the mid-western states.

Mrs. Murray is a graduate of Indiana University where she was a member of Iota Chi Honorary Society and the American Chemical Society. Mr. Murray is a graduate of Temple University, Philadelphia, where he is a member of Theta Kappa Phi social fraternity. Mr. and Mrs. Murray now reside in South Bend.

## AUDUBON CLUB

Over one hundred members of the Audubon Nature Club met the fifth hour Tuesday, November 11, 1952 and elected officers, and planned a field trip to Tower Hill on Lake Michigan.

The club chose:

Sharon Garret — president  
 Roger Zabik — vice president  
 Margaret Shearman — secretary  
 Joel Arnold — treasurer.

Roy Rogers will sponsor the club, assisted by Ted Hughes and Robert Sampson.

A field trip to Tower Hill is planned for Saturday, November 15.

## "THE SHOVEL"

By Jo & Martha

We dig for the dirt

Who are Don Findley and Sue Foli sweet on? Each other?

Judy Bates, you've got competition when you flirt with Ron Dawson. Someone named Lynne Penich!

Why did Joyce revise the song "That's The Chance You Take" to "That's The Chance I Took"? Does it have anything to do with Dick Kritz?

It seems that Bob Margan thinks Sharon Vexel is it! Is the feeling mutual?

So you still think Forrest Hunsberger is the man in your life, huh, Carol Baker?

Patty Griffer goes for the boys at the new school, don't you Pat? We don't blame you! If they're sophs.

Ponnie Sharpe! Why didn't you tell us sooner that you're sweet on Patty Stall?

Why do eighth graders have crushes on seventh grade boys? You know who this is directed to.

Hey girls, here's your chance! Jack Lindzy is free!

Why did you ask Liz Stickler who she liked, Harley Evans?

What girl are you trying to get over, John Wagner? Some one, that's for sure!

Say, George Leonoki, what about that girl Sharon Garret? She is out in the cold!

So Sherry Pierce is going steady with Rick K. from Mishawaka. Good going, Sherry!

## THE FROSTING

As on a cake or at the top of everything there must be a topping or a special feature. The Colonial, as you see, has the new building as her heading and many viewpoints were expressed about the looks of it.

Sandra Nagy said it made the school paper look more like a school paper. With an after thought she smiled as she tilted her head, "Yeah it does!"

Trying desperately to open his locker we caught Harry Morozowski and he said, "Beautiful is all I can say." That's a perfect description Harry.

Barbara Flock's only comment was, "Very good." While Jo Ann Bonjorno decided it was, "Very modern."

George Badgero said, "Real swell, the paper too." That's what we like to hear as we let go of his arm.

Running to catch her bus Diana Nemeth turned and exclaimed, "Roddy."

Connie Claffy is all for it and remarks, "It shows off our school."

Standing at Sue's locker Duffy takes a long time to come up with something original, but he finally said, "Tricky." Original all right.

Norbert Hintz is a man of few words and expresses his feelings with one adjective. "Nice."

Shirley Pearson is turning in an expression we students wish we'd hear more from our teachers, "Very good."

Lucy Lupa sounds like a certain Cavalier from Mishawaka as she blushes and expresses, "Excellent."

Put all of those viewpoints into one adjective if you can, but you won't find one inclusive enough to cover the way Clay feels about Washington-Clay. Right???

## P. T. A. NOTES

Mrs. A. Tetzlaff, President, called to order the first P.T.A. meeting of the school year, held November 6 in the school cafeteria. Community singing was led by Mr. J. Landick and Mrs. E. Hoffman read devotions. The speaker for the evening was Mr. Glade Rohrer, from the Wakarusa High School, who spoke on Standards for Classification of Commissioned Schools. He discussed many points on current legislation regarding schools, teachers, and taxes. Many questions were asked and Mr. Rohrer had answers, illustrations, and discussion for each one. The various chairmen, including Mrs. Porter, program chairman; membership, Mrs. Landick; parent education, Mrs. Shafer; hospitality and refreshments, Mrs. Redfern and Mrs. Zimmerman, made reports. Refreshments of coffee and donuts were served by the executive board members.

Well, as you can see that's about all we have this week. Be sure and hand in lots of gossip to Ruth Colley or Barbara Cyrces. We only know what you tell us, so keep up the good work and thanks loads! You've been doing a swell job!! Remember, this is your column, so keep the gossip coming.

**Seal His Fate**

Hey, Jerry Walton, how come you never got to the Wakarusa game — car trouble???. I bet!!!! That's not the way we hear it!!!

Keep up the fine yelling and good sportsmanship at games. Remember you can't win all the time. See you in a few weeks. 'Till then be good and do lots of things to gossip about.

**COUNTY STREAK ENDS**

New Carlisle and Washington-Clay met on the Tigers' court November 7 with the opening game for both teams of the '52-'53 basketball season.

The victory hungry Tigers ended Washington-Clay's 13 game winning streak over the St. Joe county schools by an overtime score of 61-58.

The Colonials showed their weakness at the charity strip, collecting only 10 free points. Toward the end of the game it seemed as if the Tigers had a cover on the basket to keep the ball out.

Dan Zielinski led the Tigers with 18 points, however, the Colonials' Jim Webber came through with 26 counters for the game's high scoring honors.

**PANTHERS POUNCE ON COLONIALS**

Madison's Panthers handed our Colonials their second consecutive loss last Friday on the Panthers' home court. As the final gun sounded the scoreboard read, Madison 58, Washington-Clay 50.

Laidig led the Panthers' scoring attack with 11 field goals and a pair of charity tosses. Jim Webber, again paced the Colonials, this time with 21 points. The Clay men hit on only 29% of their shots while the Panthers made good on 46%.

**B-SQUAD VICTORS**

The B-team outshone the varsity as it swept over the New Carlisle five 40-17. Magera led the Colonials' scoring with 8 points. Bancor was high for New Carlisle with 7 points.

**B-TEAM LOSES**

In their second game of the season Coach Landry's B-team lost 30-27. Romine, Izdepski and Horvath led Clay with 6 points each. Pittman led the Panthers with 10 digits.

**PARENTS MEET**

The educational group of Washington-Clay High School met in the school cafeteria Tuesday, November 18 at 12:45. Everyone was welcomed.

Many topics were discussed. Parents will gain a better understanding of their children during future meetings. These meetings are open to any parent who has an interest in the future parents of America.

Let us see more parents at the next meeting. The Colonial will publish the meeting date ahead so you can plan to reserve that time for your child.

**JR. HIGH CHEERLEADERS**

By Pat Lacher

Well, the Junior High basketball season is here so here are a few words about the cheerleaders.

The contest between the girls started off with a practice in the gym Friday, October 31. The following Wednesday, Phillip Holcomb and Sharon Kubsch came over from the high school to start us off with a few cheers. Then the girls did cheers in pairs with Sherry Kubsch and "Satch" Holcomb, then by themselves. A group of teachers, Mr. Fick, Mrs. Deardorf, Mr. Bauman, Mrs. Landry, Mr. Hughes, and Mr. Agnes, chose six from these sixteen. The semi-finalists were:

Seventh Grade — Sharon Garret, Sharon Vexel.

Eighth Grade — Roselene Pappas, Lynne Penick, Peg Shearman, and Barbara Umbaugh.

The pupils assembled in the gym the following Friday to choose three from these six. Roselene Pappas, 8-2, Lynne Penick, 8-3, and Peg Shearman were selected.

Good luck in your attempt to make the junior high cheering section one to be proud of.
