## ONE FIFTH OF CLAY'S STUDENTS ON HONOR ROLL

### NOON TALENT SHOW SUCCESS

On January 27th a talent show was held at noon for the benefit of the March of Dimes. It proved a big success—all the favorite entertainers among the students were featured.

Besides the students who performed, we were lucky to have with us Dr. Ernest Nickels, who provides the background of bird calls for Walt Disney.

Dr. Nickels has worked with 43 Disney productions; the latest being "Alice in Wonder Land," his favorite being "Snow-White and the Seven Dwarfs".

Dr. Nickels played the piano while he whistled in accompaniment and then gave several imitations of bird calls, which sounded like the real thing.

He lives in Beverly Hills, California, and he is a skin specialist. Before he went to work for Disney, he worked in Leper colonies in the Philippines and Hawaii.

Dr. Nickels has appeared with many famous singers, instrumentalists, and symphony orchestras, and we were certain lucky to have his performance at our show.

The job of Master of Ceremonies was ably filled by Paul Ostrom who kept the show going.

Other acts which were on the show were: "The Four Tones", Ed Zoller, Jack Ingle, Phil Stange and Walter Gaedtke, who really did a swell job. Everyone enjoyed their selections.

Don Riffle was also on the agenda, accompanied by Dixie Barnhart. Sheila Bordner did a very good pantomime of Teresa Brewer's "Ricochet."

The Dance Band, Danny Augh, Ed Jobin, Dave Bechtold, and Walter Gaedtke, played "Pretend" and the ever favorite "In the Mood".

Pam Parker played the selection, "September Song" on the piano, and the applause that followed seemed to assure her appearance again on a future show.

A Trumpet solo was played by Hillard Morse—"Debonair"; he was accompanied by May Dee Hogan at the piano.

It was a very good show, and I'm sure it made a good deal for the March of Dimes.

If you didn't see it, you really missed something—our student performers might well be the stars of tomorrow!

### CARLETON COLLEGE REPRESENTATIVE HERE

Mr. Bowen, a representative from Carleton College in Minnesota, spoke to the student body during the fourth hour over the intercom.

He said that the college stresses community living; everyone lives in dormitories, where they also eat.

There are no fraternities or sororities at Carleton, but there is a varied social program open to all.

The fee at Carleton is fourteen hundred dollars a year, which includes room and board, athletic and social activities, and tuition.

There is a very good ratio of students to teachers: ten to one. This makes for small classes and better understanding.

Carleton offers very good courses in law, teaching, dentistry, and medicine; it is a liberal arts college.

Admission to Carleton is based on several things. First, of course, you must pass the exam. The applicant's school record is carefully considered as well as his character. The record of the student's extra-curricular activities is also considered.

Scholarships to Carleton are available. Factors considered in the awarding of these scholarships are the student's outstanding ability and a financial need.

After Mr. Bowen gave his talk, he talked to several seniors who were especially interested in Carleton, giving them more particulars.

After hearing Mr. Bowen's talk, everyone will agree that Carleton seems like a good school for those interested in continuing their education.

### POSTER CONTESTS

Attention, all you would-be artists! Here are two contests especially for you.

The T. B. Poster Contest and the National Safety Poster Contest are going full swing now.

If you are interested in the T. B.

idea you wish. If you would like to enter the Safety Poster Contest, there are two ideas from which you can select—"Keep from between parked cars" or "Safe bicycle rules."

To find out more about these contests, just go down to the Art Room, where the rules are posted.

### ASSEMBLY HERE

After we had heard Dr. Ernest Nickels on our talent show, the reception was so good that he was asked back on January 28th the second hour.

Dr. Nickels whistled to several selections on the phonograph, one of the most enjoyed was "The Blue Danube."

Then Nancy Layfield played two hits from "Snow White"—"Whistle While You Work" and "Off to Work We Go" while Dr. Nickels whistled.

He asked the student audience to join their whistles in a few songs, which was lots of fun.

Dr. Nickels told his audience about the studio at Disney's, leaving everyone wanting to see it.

Then he spoke for a few minutes and the loud applause that followed certainly showed that he was well enjoyed.

### JUNIOR BOARD ACTION

After the Gary game the students were given a sock hop and the proceeds were given to the Junior Board of the T. B. League at South Bend. Music was provided by the school juke box and a donation of fifteen cents per person was charged. The dance ended at eleven. A check for approximately thirty dollars was sent to Mrs. Brown of the South Bend T. B. League. With this money the projects on which the board participates will be taken care of and the members will be able to do a better job of helping others.

### FUTURE NURSES CLUB NEWS

The joint rally of Future Nurses Clubs was held in Central High School on Jan. 28th. Featured this month was a panel of medical specialists: a dietitian, an occupational therapist, a medical technologist and pharmacist.

The former Lassie Club of Washington-Clay contributed the remainder of their treasury to the March of Dimes. We'd like to thank these girls for their donation. We'd also like to thank all students for their donations. From the home rooms, \$45.62 was collected. The variety show yielded \$42.00, and Central Tumblers show brought in \$29.75 making a total of \$117.37.

### ATTENTION

Please reserve March 11 for the annual P.T.A. Basketball Banquet. Tickets may be purchased in the office—\$1.50 per person.

### WASHINGTON-CLAY HIGH SCHOOL 1953-1954 FIRST SEMESTER HONOR ROLL "B" AVERAGE OR BETTER

Note: Students are listed in accordance with numerical rankings for this semester.

### HONOR ROLL STATISTICS

The honor roll of the first semester at Clay shows several trends and points up the need for improvement. The seniors, with an enrollment of 82, placed 19 students on the honor roll for a percentage of 23.2%. The juniors put the highest number of pupils on the roll with 32. Since there were 136 students enrolled in this class the juniors had 23.5% on the roll. The sophomores, with 127 students, placed 29 on the honor roll for a 22.8 percentage. The freshmen put only 24 students on the roll although they had 158 students in the class. 15.4% for the freshmen.

Over all, approximately 1 out of every 5 students maintained a "B" average or better at Washington-Clay. 2 out of every 5 is considered par.

### STATE SCHOLARSHIP TESTS GIVEN

Washington Clay High School was the center for the Indiana Scholastic Testing Program in the county schools. Besides our own Washington Clay Seniors, students from Greene, Lakeville, Madison, and North Liberty took part.

The testing program was held on Friday, January 29, from 9 to 12 noon. During this time, the Ohio Psychological Test and the Purdue Test were taken.

The results from these tests will be sent to the student's choice of the four state supported schools—Indiana University, Purdue University, Indiana State Teachers College and Ball State Teachers College.

### CENTRAL TUMBLERS PERFORM HERE

During the noon program sponsored by The March of Dimes, we were privileged to see the Central Tumblers perform.

They gave one act of their five-act show under the direction of Mr. Elbel.

These tumblers did somersaults, backbends, handstands, cartwheels, and splits with the greatest of ease. They also did a clown act and a small trampoline act.

Everyone really enjoyed this show and we thank the tumblers for coming here.

## From the Office of the Principal

Honesty assumes many strange forms and one of the places where its presence may be detected is on the attendance sheet.

A few students, who would not steal a penny, feel that it's perfectly all right to stay at home on days following a party or a game. Such students usually appear with a note stating that they were ill.

Some serious thinking would show that such a procedure is not only a lie but is actually a form of stealing. The time that was taken was valuable not only to the student but was needed by the teacher and the school in order to make this the kind of school we dream about in our better moments.

It was interesting to note that on examination days only six students were too ill to come to school but on the following Monday we had an absence list of thirty-nine.

The attendance record is always one of the items asked for by prospective employers as an index of dependability.

Let's be absolutely honest.

M. D. Harbaugh

## BOUQUETS AND BRICKBATS

Bouquets to our swell basketball team for a job well done in the journey.

Bouquets to the basketball fans for the wonderful support you gave the team.

Bouquets to the Drivers Club for getting the cinders put in the parking lot.

Brick Bats to the people who are abusing their privileges in dealing with the coke machine.

Brick Bats to all those who didn't help support the Annual Drive.

Bouquets to all the fellows and gals who worked hard and made the honor roll.

Bouquets to the Art Club for all the nice signs they made before the journey.

Brick Bats to all you students who have nothing better to do with their time than mark on the desks. Let's find something better to do, like paying attention in class.

Brick Bats again to you students who walk in the middle of the road.

## St. Valentine's Day

There are many legends concerning the ancient holiday, St. Valentine's Day. It was named after the three St. Valentines whose feast day falls on the fourteenth of February. There the connection with the Saints ceases.

Among the many explanations, all of which are probably partly correct, is one that ties St. Valentine's Day with sending greeting cards and love tokens. This is the survival of the Roman festival, Lupercalia on Feb. 15. It was the custom on the night before, for young people to draw names of the opposite sex and that person became his valentine for the coming year. The couple then gave each other gifts and sometimes even became engaged. Later it was only

the boy who gave the gifts. This probably led to the modern version of sending greeting cards.

The most plausible theory on connecting lovers with this day is the ancient belief that birds began to mate on February 14. One of the advocates of this idea was Chaucer who wrote, "For this was on St. Valentine's Day. When every fowl cometh there to choose his mate."

Those who disagree with this say that it is the similarity between the Norman word, "galantin", which means lover of women, and valentine. They say a Galentins Day with the initial "g" frequently pronounced "v" led to this confusion.

Regardless which legend is true St. Valentine's Day has become a holiday for lovers of all ages.

## DRIVER TRAINING PROGRAM

On Thursday, January 14, a meeting sponsored by the Chicago Motor Club and the Indiana State Dept. of Public Instruction was held at Hotel Hoffman in South Bend. Present at this meeting were representatives from most of the schools in this area that offer a Driver Training course. Virgil Landry was invited to the meeting, representing Washington - Clay, because our school will offer this course to students next year. The purpose of this meeting was to discuss some of the problems connected with the Driver Training program and to exchange ideas on teaching the course.

No definite outline has been made for the 1954-55 program at Washington-Clay. Mr. Mohn, Clay township trustee, has announced that the course will be offered, and that Mr. Landry will be the instructor. The details will be filled in later. In reply to some of the questions that have been asked by students, Mr. Landry offers the following tentative information:

Aims of the Driver Training Course:

1. To teach driving skills.
2. To teach proper attitude toward driving and safety.
3. To meet insurance requirements for a 15 per cent reduction of rates to persons under 25 years of age.

## REQUIREMENTS YOU MUST MEET TO TAKE THE COURSE:

1. Must have a written permit from parents to take the course.
2. Pay a small fee to cover cost of gasoline for car.
3. Must be at least 15½ years of age.
4. Must have a study hall period during the time the course is taught. (Students will be taken out of study hall for the course after their regular schedule is set up).
5. Students holding beginners permits will be given first preference to take the course.
6. Students who have no permit OR drivers' license will be next in line.
7. If the quota is not filled with these two groups we will accept students with drivers' licenses starting with the lower classes.

## MISS WALTER

Miss Walter, who calls Winamac, Indiana, her home town, attended Indiana University. She is 5 feet 10 inches tall and doesn't know how much she weighs? (now isn't that odd) Her hobby is gardening and her pet peeve is—people who chew gum in her classes!

Miss Walter can be found in room 11 teaching Latin and Spanish, which she has been teaching for six years. Her favorite colors are green and brown, the latter also being the color of her eyes.

—By Nancy Carter

## JANE OF THE WEEK

This week we have climbed the ladder again and have reached the top to interview a swell Senior.

Our Jane stands five feet, eight inches tall. She has brown hair and sparkling hazel eyes.

Sewing and flower gardens are her hobbies although she spends much of her extra time cooking and driving. During the summer Jane may be enjoying her favorite sport, Swimming.

She could spend hours listening to her favorite singer Nat King Cole and playing her favorite songs "I'll See You in My Dreams" and "The Nut Cracker Suite."

Jane is often seen wearing her favorite color in a very pretty violet jersey blouse. (sounds nice)

I asked what she wanted to do after she finished school and she replied "College if I can make it and marry some tall good natured fellow."

Just call for the "Calorie Kid" and you will see Nancy Kleinrichert coming. Thanks for the interview Nancy and the best of luck in the future.

—Gwen

## JACKIE ROBINSON IS GUEST OF N. C. C. J.

Hering House Community Center, 726 Western Avenue, will be the scene of the first St. Joseph County teen-age Brotherhood banquet on the evening of February 10. Sponsored by the St. Joseph Valley Junior Round Table of the National Conference of Christians and Jews and the Hering House Youth Center, the dinner will feature Jackie Robinson, famed Negro Athlete, as guest speaker.

Mr. Robinson, star of the Brooklyn Dodgers, named during his college days to the All-American Football team, and voted in 1949 the most valuable player for the National League, has long been affiliated with the National Conference of Christians and Jews. This year he is serving as nation-wide chairman of Community Organizations for Brotherhood Week to be observed February 21-28.

While in South Bend, Mr. Robinson will speak at the YMCA, for a student audience at the University of Notre Dame—and at the teen-age dinner.

Ticket sales for the Wednesday evening banquet are restricted due to the limited capacity of the Hering House Banquet hall. For this reason Junior Round Table members and the young people of Hering House will be given "first crack" at the tickets, selling for \$1.00. After that—they will be sold on a "first come—first serve" basis to teen-agers only. Ticket Chairman at Washington-Clay High School is Dick Hofferbert who may be contacted immediately for the securing of a banquet reservation.

## CHICKEN DINNER

On February 4th a chicken dinner was served in the cafeteria for 40c student price and 50c for adults. Ice cream and cake topped off the menu, which also included chicken, vegetables, salad, milk and rolls.

## JUNIOR CLASS MEETING

The day was February 2, 1954 and the time second hour. The place was the cafeteria and what a perfect setting for a Junior Class Meeting it turned out to be. Can you think of a more exciting thing to discuss than the Prom? What a great day in our lives—the Junior-Senior Prom, May 8th. The place is an enchanting ballroom at the Progress Club. Doesn't it sound like fun? The following gals and guys will serve as Committee Co-Chairmen to make this Prom "The very best, to say the very least." Decoration—Judy Colip, and Connie Claffey; Pictures—Bob Owen and Peggy Humphrey; Invitation and Reservation—Marilyn Manion and Diana Nemeth; Program—Larry Bishop and John Magera; Refreshments—Joan Fougousse and David Bechtold; and Tickets—Gene Dotsler and Tim Rich.

Left with the biggest headache of all are our general co-chairmen Nancy Layfield and Danny Augh. After making preliminary arrangements for the Prom we turned to things in the more near future. The news everyone has been waiting for—yes—you guessed it, the news of the Junior dance can now be told. It will be held March 19 in our gym. General Co-Chairmen who will soon be seen rushing around trying to line things up are Elsie Greenwood and Larry Bishop. Naturally we wouldn't expect them to do all the work so to help them as Committee Chairmen are Barbara Hentz, Refreshments; Ed Zollar, Music; Jack Ingle, Decorations; Gene Dotsler, Clean-up; Mary June Wendelboe, Publicity and Gloria Romine, tickets. Now all we have to do is sit back and wait for March 19. Also, plans for the Junior Play were discussed but I think we will keep that a secret for a while.

— Diana Nemeth

## PLATTER PATTY

Here we are again with more top tunes for all you guys and gals.

Among our list of top favorites is June Valli's recording of "Don't Forget to Write." Another up and coming tune is "Secret Love" sung by Doris Day. "Make Love to Me" recorded by Jo Stafford is a cute, snappy number. The Hilltoppers have another one out called "To Be Alone." Have all of you heard the song "A Woman" by Jose Ferrer and the reverse side "A Man" by Rosemary Clooney? If you haven't, we suggest that you do because it's too great to miss. Some other songs that have been around for quite a while now are "Stranger in Paradise" by Tony Martin, "Oh! Mein Papa" sung by Eddie Fisher, and here's an old time favorite "Heart of My Heart" recorded recently by the Four Aces. Tunes coming up into popularity are "The Jones Boy" recorded by the Mills Brothers. On the flipover of that recording is "She Was Five and He Was Ten." "Changing Partners" sung by Patti Page is another tune that is fast becoming popular.

That's all for this time, but we'll be back with more platter patty next issue.

—By Sue & Pat

**CUPID'S CORNER**  
BY ROSIE AND CAROLE

Gosh, Alexa, wouldn't it be nice to get a valentine from that certain "B" team player from Madison?

Jim Van Dusen is planning on sending a valentine over Elkhart way, but he won't tell us who it's to.

What's this boy from Mishawaka, named "Skip," doing on your valentine list, Sharon Grounds?

Bonnie Blume should get a great big valentine and a box of candy from Jim La Brake, cause they're going steady now.

Maxine Bryan can't wait 'til Feb. 14, to see if she receives one from Carl of St. Joes.

Jo Ann Kwilas is looking for a valentine from Ted Hunt. She already has a nice ring from him.

Say Toni Amato, why didn't you tell us about this Dennis from Mishawaka?

Now Ronny Walker has headed his main interests to Margot Gerharz. Seems Dick Seifert hasn't accomplished the art of riding a bicycle yet or was he just showing off.

Say, Theresa Wagner, what's this we hear about you just having two guests at your New Years' Eve Party — Jim Lambert and Bob Owen?

Say, is it true that Wilma Ebersole may get a valentine from Larry Harrah?

Carol Babcock is expecting a great big valentine from Jerry Banghart.

Hey Betty, what were you doing the night you wrecked your car?

Now we have news of another engagement — Shirley Salisbury and Dick Skinner. Congratulations.

Dig that cat that wears pink jeans to school — Ronnie Snyder.

Hey, Janet Hoelcher, Phyllis Towner and Carol Rager, what kind of "fad" were you trying to start on January 14? Back to the gay 20's eh? Please, don't try to push that on us.

Marilyn Brame has a new valentine on her mind now named Dick. They say he walks her home every night.

Now Marion Todd is planning on sending a real nice valentine to a certain gal from Adams named Loretta.

Come on, Dick Hofferbert, sit up and take notice. Dorothy is still hoping to be your valentine.

Bob Armstead has got Carolyn Wellman in mind for a nice-cool-valentine.

Hey Donna, whose name have you got all over your history book? Why does George Klemm come to school with lipstick on his face? What's all this about Sue Haney being 'engaged'?

Catherine Joiner is taking an interest in Mishawaka now — or should I say Loren Seggerman?

Jean Thomas simply adores Perry Lewis' curly hair from what we hear.

Who is this "Jim" from the LaPaz skating rink? Betcha Jean Roberts knows.

Lloyd Haskins has an ardent admirer now, hasn't he, Peggy? Two names, Irene Salisbury and Larry Niles have been linked lately. He's really swell.

Who is Bill Flock going steady with? Could it be a girl from Niles? We hear Sharon Humphrey has a crush on a freshman or a sophomore. What happened to the Seniors?

Sharon Baker seems to find John Schied interesting in fourth hour English.

Why is it Sherlyn and Ade prefer Green and New Carlisle? What is it that Nancy D. and Ade L. have in common?

Where did a certain group of senior girls get the idea that they were Central tumblers?

What's this about Shirley M. and George B. playing a game of exchange?

Where was Gordon at 2 A. M. Saturday? Ask 6 Senior girls.

Frankie's in Niles seemed to buzz with a group of Senior girls the afternoon of the County Tourney.

Alyce Peterson informed them that she's been around, as she went around gathering up the money to pay the check.

Nancy Kleinrichert kept everyone hushed as she exclaimed "That's my favorite song." After quite a few of these outbursts, everyone began to wonder.

Barb Kelley's voice gave out when she needed it most. Finally her companions realized all she wanted was ketchup for her French Fries.

At the game, cheers rang out, but all that was heard from a certain fellow was, "Let's go raid Barb Staeck's ice-box." Dan Izdepski found that ice-box full, but didn't care for the breakfast food he was served.

George Badgero and Carl Roempagel caught onto "jitterbugging" sooner than they expected to.

After the guys left, Donna Brown found herself up on the piano bench, taking some very unusual pictures.

Here are some "Famous Sayings" from another slumber party at Shirley M's.

Pat L: Come on Mage, let's go swimming.

Norma S: I have to go to work tomorrow.

Pat R: Let's take a picture.

Jean B: Let me sleep.

Nancy D: I think I'm crazy (Everyone else did too.)

Alice D: Oh, it's pop.

Connie H: I don't get it.

Shirley M: Get me a date with Georgie.

**Outlook In' Movies**

The Avon Theater is going to run a technicolor show that will surprise and delight many of its viewers. The picture is "Decameron Nights" starring Joan Fontaine and Louis Jourdan. This movie is made up of 4 stories blended into one and concerns love, humor, and spice in equal portions. If the teenager wants to do his parents a favor, he should talk them into seeing "Decameron Nights," there is a guarantee that they will enjoy this movie.

The Colfax scores with 2 humorour hits, "Money From Home" and "The Long, Long Trailer." "Money From Home" stars Dean Martin and Jerry Lewis in their usual crazy mixed-up roles. The story is based on a Damon Runyon tale, as is evidenced by the names, that some of the thugs carry around, Honeytalk, Silent Sam, Short Size, Russian, Little Giant, and No Sneeze. This picture offers a little bit of everything, romance, music, comedy, and adventure. "The Long, Long Trailer" starring Desi Arnaz and Lucille Ball should surprise many T-V fans. Lucy and Desi are hilarious in this story of a honeymoon in a trailer. They exercise your laugh muscles and raise your blood pressure by driving this trailer into a house, over a cliff, and by driving Keenan Wynn into insanity. Wynn and Marjorie Main give sidesplitting performances in another great comedy.

Coming soon at the Colfax is "The Glenn Miller Story", watch the next Colonial for more details.

Currently showing at the Granada is "King of the Khyber Rifles," starring Tyrone Power, Terry Moore, and Michael Rennie. This Cinemascope and Technicolor production presents a good amount of adventure, mystery, and intrigue, and shows the profiles of Ty Power and Terry Moore plus the fine engaging acting ability of Englishman Michael Rennie. To balance off this intrigue and such, the Granada presents, "Three Sailors and a Girl." Starring Gordon MacRae, Jane Powell, and Gene Nelson, the picture starts off with the unlikely situation of sailors with \$50,000 back pay, and gets increasingly fantastic. However, the show offers fun, music and dancing in Technicolor and induces relaxation.

The Palace Theater promises entertainment in "Forever Female." Paul Douglas, Ginger Rogers, and William Holden, lend their personalities into their parts with ease.

But! Just before the Sectional Tournament, and especially for the fans in Hoosierland is, "Go Man, Go!" It's the Harlem Globetrotters in this one.

**YOUR HIGH SCHOOL LIBRARY**

Every school boy or girl should get acquainted with his school library.

The purposes of the library are first for the pupils, second for the teachers, and third for the school.

The library is used for learning how to find and use materials. It is not a place for storage of books, but a place of knowledge, waiting for the people to use it. By learning to use the high school library, one knows how to find his way in other libraries.

Books may be found on practically any subject in this library. There are non-fiction books concerning mountain climbing, deep sea diving, and travel. There are biographies of the lives of Lincoln, Bing Crosby, Lindbergh, Sir Walter Raleigh, Gustavus Swift, George Washington Carver, Peter Marshall and others. Consider reading books on local, American, United States, and European History.

Fiction books are for pleasure, but they can also inform. Read about China through books by Pearl S. Buck. Read about the experiences of famous sportsmen through books concerning baseball, football and boxing.

There are old magazines such as *Life*, *Time*, *Newsweek*, *U. S. News*, *Business Week*, *Scientific American*, *Seventeen*, *Look*, *Better Homes and Gardens*, *Popular Mechanics*, *Science Mechanics*, *Mechanics Illustrated*, and *Popular Science* which are kept on hand for reference for a year or more. *Farm Journal* and *Country Gentleman* are thrown out at the end of the month. *National Geographic* is always on hand for reference.

New picture books, *Since Stalin*, *Lincoln* by Steffin Lorant, *Divided We Fought*, *Victorial History of Civil War*, *Pictorial History of Music* and *History of Music and Pictures* are in the library.

We have five sets of Encyclopedias. The three new sets are *Compton's Pictured*, *World Book*, and *Lincoln Library of Essential Information*, *Americana Encyclopedia*, and *Encyclopedia Britannica* are older, but ever useful sets.

We have Information Almanac and World Book in the library for quick, accurate knowledge. For knowledge of important present-day people, the *Current Biography* can be referred to.

Every subject taught in school and every personal interest can be supplemented in an interesting and informative manner by taking advantage of the school library. Try it!

—David Wolfe

**JOE OF THE WEEK**

Our Joe of the Week for this time is a 15 year old, 5 ft. 11 inch sophomore. He has blue eyes, brown hair, and like most boys his favorite color is blue. I asked him his favorite food and he said hot beef! (Quite a change from the usual fried chicken.)

At the present time he has managed to get into Booster Club, Hi Y, and Lettermens Club. (Say now, this boy really gets around)

His letter was received in football, his favorite sport. He has done a very fine job as tackle for our team this year. Next year you'll hear a lot about this fine football player.

Upon asking about the girls he said he thought quite a bit about the girls and that all his teachers were fine. (Reading Hot Rod magazines won't help you with your school work, Joe.)

Well, he has a brother who is a junior and also a football player. If you have not guessed by now we'll have to tell them your name — won't we—Carl Romine?

Gwen B: Did I hear someone say Don?

Sherlyn S: That's what it said in the book.

Delores L: Do you smell fish?

Dix B: I want a boy friend.

Madie D: Don't turn off the lights.

Ade L: I smell something.

Thanks kids for your news. We can't always use all of it, but we will use as much as we can. Keep it up.

Last Minute Extra: Delores Lane has a lovely new diamond. We do mean lovely. Congratulations.

# NORTH LIBERTY WINS COUNTY TOURNEY

## Sports Review

BY GORDON COLSON

In the opening game of the 29th annual St. Joseph County tourney the Madison Panthers barely beat the fighting Bulldogs from Greene. Madison, the defending champions, soon realized that Greene was not going to be a pushover. At the end of the first quarter the Bulldogs had jumped to a 21-13 lead over the Panthers. Madison came back strong in the 2nd period and cut their deficit at halftime to 32-29. Madison continued their come-back and at the end of the 3rd period Greene still led, 48-47. With about four minutes left in the game the defending champs went into the lead and kept it until the end of the game. Final score: Madison 62 Greene 60.

Next on the schedule was the Walkerton Indians battering by North Liberty, the new champs. Liberty jumped to a 22-12 lead over the Indians and Walkerton was never able to overcome the lead. As you would expect Liberty's Ted Wesolek was the game's high point man with 19 points. A Walkerton freshman, Tom McMahon, scored 17 points to lead the losers. Final score: North Liberty 53 Walkerton 47.

Then it was time for our Colonials to take on the New Carlisle Tigers. The Tigers jumped to a 15-5 point lead midway in the first period, but the Colonials finally got rolling and at the close of that period New Carlisle led by only 3 points, 18-15. A ten point effort by Larry Jenks helped in cutting the lead down to 2 points at the half, 32-30. The third quarter was a dog-eat-dog affair with the Colonials tying the score at the end of the 3rd quarter, 41-41. In the fourth period Danny Izdepski sent the Colonials out in front with a twenty foot one handed push shot. Clay kept the lead until the end of the game. New Carlisle's Don Coddens scored 22 points to capture the scoring honors. Colonials 60 New Carlisle 55.

In the first game on Saturday afternoon Lakeville's Trojans forgot that they were not supposed to have a chance in the tournament and quite nicely clobbered the heavily favored Madison Panthers, 69-66. The Trojans regular season record was 2 wins and 9 losses. Lakeville's Larry Jensen tied the game up with just 2 seconds to go in the game; 60-60. In the 3 minute overtime Madison scored first but Lakeville outscored them, 9-6. This was one of the biggest upsets in County Tourney play.

The second game Saturday afternoon was between Washington-Clay and North Liberty. The game was a very low scoring contest with Liberty winning out, 43-38. The Colonials played hard and well. It seemed as though they played their hearts out against New Carlisle the night before and just weren't able to get on the ball for this game. Even the cheering section seemed a little disheartened.

In the championship game, Lakeville proved that their victory over Madison was no fluke as they almost beat North Liberty. The Trojans were ahead 38-36 with fifty seconds to go when Ted Wesolek scored on a driving lay-in. Lakeville took the ball out of bounds and tried to get in play but Liberty's John Singleton grabbed the ball and arched a long shot from the side lines and scored with 3 seconds to go in the game. Score: Liberty 40 Lakeville 38. North Liberty the new County Champions!
