## THANKSGIVING VACATION BEGINS AT NOON TODAY

### TALENT SHOW

The Chess Club sponsored a Talent Show Thursday, Nov. 11, during the noon hour.

Paul Ostrom, the very able master of ceremonies, kept the show rolling. Ed Jobin and Frank Niespo both playing electric guitars, played "Steel Guitar Rag" for our enjoyment. A new act this year was a pantomime by Sharon Crynes, Sharon Miller and Judy Parrott. Dressed in flapper costumes they danced to the tune of "Muskrat Ramble" by the McGuire Sisters. Theresa Wagner was back again this year. This time she sang "Embraceable You" accompanied by Diana Nemeth. Diana herself, played a medley of the two hits "In The Mood" and "Saber Dance." Another new act was done by the acrobat, Donna Baker. Of course, no talent show is complete without a pantomime by Sheila Bordner. She sang and danced to "Hernando's Hideaway" with the companionship of four desperados, Jim Kritz, Jim Lambert, Charles Barna, and Jim Winthers. Ed Jobin and Dick Neispo were back with accordionist Tom Nelson, playing "In The Mood" and "Shake, Rattle, and Roll."

Clay's famous Four Tones sang "Shine" and encored with "The Little Shoemaker." Sharon Miller and Judy Parrott, dressed as hillbillies, pantomimed "Water Can't Quench the Fire of Love."

This enjoyable show was climaxed when Judy Colip, accompanied by Pam Parker, sang "The Desert Song," a beautiful ending for any show.

—Mary Ellen.

### Veterans' Day

At eleven o'clock on Veterans' Day, Rodger Rawleigh rendered "Taps" dedicating a moment of silence to those who gave their lives in the service of our country. Following this, Judy Colip offered a beautiful solo, "My Buddy," over the inter-com. This year the name of Veterans' Day was changed from Armistice Day, due to the fact that Armistice Day concerned itself with those honored in World War I. In order to include soldiers killed in both wars and Korea the name was changed accordingly to Veterans' Day.

### P.T.A. Meeting Postponed

The P.T.A. meeting originally scheduled for December 2 has been postponed until December 16th. At that meeting they will hold their annual Christmas program.

### Cheerleaders' Uniforms

As most of you Booster Club members know, the Booster Club presented each cheerleader with a check for fifteen dollars to help them with their dresses.

The first thing the girls did was to engage Mrs. Augh as dressmaker. They wish to thank her for the wonderful job she did. This is the first year she has made them.

Then the cheerleaders made three trips to town looking for just the right shades of colors and the material and pattern. After they had chosen everything they gave it to Mrs. Augh to start working on.

They picked a sleeveless dress for this year. Purple — of course, with gold lining. To start at the top it has a little, pointed, stand-up collar with a fitted bodice and extremely full skirt. There are more than 210 inches around the bottom of the skirt. Gold socks, purple moccasins and gold shoestrings complete the picture.

The office bought the monogram for the girls. It is a yellow megaphone with the letters W.C.H.S. in purple.

Ann, Barbara, Judy, Rosie and Sharon started practicing the week after they were elected and have stayed after school practically every day since. So not only will they look nice in their new outfits, but we are sure they are going to represent our school very capably for this basketball season and next year's football season.

—Nancy Carter.

### Scholarship Test

The annual scholarship test for Seniors will be December 10. This is a specific test supplied by various colleges in the state. Successful students will be sent scholarship application forms by their first choice colleges after the tests have been scored. Principals of the County expressed their desire that Washington-Clay be the testing center. Mr. Harke will administer the test to students from Lakeville, New Carlisle, Madison, Greene, North Liberty, and Washington-Clay. Those participating from here are Ronald Melichar, Ray Melichar, George Klemm, Elsie Greenwood, Rodger Rawleigh, Robert Owen, Ed Van Kirk, Larry Bishop, Betty Rupchock, Elizabeth Seifert, Gloria Romine, Keith Williams, Beverly Godshalk, John Magera, Joyce Reihle, Dennis Rankin, Matt Zabik, Mary Ellen McMahon, Herbert Sowers, Robert Tatay, Nancy Layfield, and Tim Rich.

### Top Honors To Sally Plain

It seemed like any ordinary day until after 5th hour when Ronnie Schryer, Sally Plain, and Diana Nemeth, your Colonial reporter, left school to attend the monthly Junior Board Meeting. Only this wasn't another meeting; it was the annual T.B. speech contest! That's not all! Sally Plain was the contestant from Washington-Clay.

As the different contestants got up to give their speeches, Sally was sure that hers would be the "very worst." As you've probably heard, it was far from bad! Much to Sally's surprise, she walked off with first place.

This called for many congratulations, an extra glass of punch followed by a happy trip home. Once more, congratulations to you, Sally. Do it again next year!

—Diana Nemeth.

### Football and Baseball Banquet

The night of November 9th was very pleasant for all the football and baseball players of the past season.

Starting at 6:00 p.m. the boys were served everything from tomato juice to ice cream, and very few left unsatisfied. All the work of the past season seemed worth it.

The coaches — Eaton, Landry, and Bauman — attended with Mr. Harke, Mr. Harbaugh, and Mr. Mohn. Naturally all the wives came along.

Coach Eaton started the dinner by offering grace. The menu consisted of tomato juice, followed by chicken, mashed potatoes, gravy, noodles, rolls, milk, and then to top it all off, ice cream. Sounds pretty good, doesn't it?

—Bill.

### Take Notice!

Say, have you noticed an addition to our paper? Of course! We're using a much better quality of paper; therefore, the printing is more vivid. The Colonial staff is very proud of this addition. We hope you like it, also!

### Model Club Display

Don't forget to notice each new and interesting display that is placed in the main entrance show-cases. This week the Model Club is displaying different projects completed by members of the club. Seen on the base of the case are many different types of boats and airplanes. Suspended from the top is "Fu-bar," a plane constructed by Dale Smous. The club has not begun a club project as yet, but they are exchanging ideas. Be sure to stop by and see this interesting display.

This Thanksgiving picture is becoming a tradition at Washington-Clay. It is being used for the third year.

Mary Ann Kush, a graduate of 1953, posed as the Pilgrim lady.

### Machine Shop Trip

On Wednesday, Nov. 10, Mr. Gerard's third and sixth hour machine shop classes went to Mishawaka to take a tour of American Wheelabrator Corporation. This trip was made possible by Mr. Rich.

The two classes left at 8:45 and arrived at the plant about 9:15. The tour started immediately upon their arrival.

The tour consisted of visits to the foundry, shipping, engineering, machine, and many other very interesting departments.

Since all the fellows in both shop classes enjoy shop work, this guided tour through American Wheelabrator Corp. was not only educational but also very interesting.

To add another important factor, all the employees, from the executives to the janitors treated us very well, and it added to the enjoyment of the trip.

### Dance Club Drive

A drive for more members of the Dance Club is being held. The cost is \$5.00 for ten lessons by the Arthur Murray instructors. Club dues are 10c which entitles one to learn square dancing and other folk dancing. The club had its first lesson in square dancing from 7:00 p.m. until 9:00 p.m. on November 11, in the cafeteria. Mr. Macon did the calling, and everyone had a lot of fun.

### THANKSGIVING

"Over the river and through the woods, to Grandmother's house we go" — You've all heard the familiar Thanksgiving song. It reminds one of fun and feasting on Thanksgiving. Of turkey, cranberry sauce, and pumpkin pie. But have you stopped to think lately about the deeper meaning, the real meaning of Thanksgiving?

Thanksgiving is a time in which we should count our blessings and be thankful for them. You know, usually when we pray to God it's a prayer of asking, "Give me this; give me that; let me do this"; but during this, the Thanksgiving season, let's make our prayers one of thanking.

Give prayers of thanks for our parents, our homes, our friends, our food, clothes, school, and entertainment. Stop a minute, before you start in on that turkey. Stop a minute, and thank God.

## THANKS BE TO GOD

"Thanks be to God for roses rare — For skies of blue and sunshine fair . . ." This is the beautiful beginning of a song which so well expresses our thanks at this time of year. For roses rare — perhaps this means that we might begin to notice more abundantly, the beauties given us to see, and to feel, and to use. The mountains, rising in majestic splendor above the valleys; or the seas, roaring with a peaceful volume, are only a small part of the great whole of which we also are a part.

" . . . For every gift, I raise a prayer — Thanks be to God . . ." Might not this imply that He has let us use everything that is here on earth? They are gifts. We are on a threshold of life. Our future is waiting for us. We must be thankful for the right to choose our own religions and government, our freedom to live as we please, to say as we think best for the good of all. We should honor the gift of knowledge, our schools, and those who teach us. These are our gifts. But most of all we must give thanks to Him who gave us these gifts.

" . . . Thanks be to God for lovely night — For mystic fields with stars bedight . . ." Into every darkness appears a jeweled and radiant universe, an unimaginable infinity of surrounding worlds. Oh, such a kingdom to rule!

" . . . For hours of dream and deep delight — Thanks be to God."

" . . . Thanks be to God for love divine — The hopes that round my heart entwine . . ."

Love, a treasured word, intricate and cherished in its own personal way; and hope, shining through the darkest clouds with rays of the strongest light, are always there, waiting to be called upon. Love, for we are like Him, and He loved; hope, for He will answer.

" . . . For all the joy that now is mine — Thanks be to God!" Oh, honor the happy heart; make petty all faults, and be joyous! Open the doors of the future with a carefree heart, a glad face, and a smile. Meet difficulties with the happy determination to conquer them all; and give thanks!

He has given us all this! Thanks be to God! Oh, thanks be to God!

## County Y-Teens Hold Meeting

On November 9-10 the Y-Teens from all over the city and county held a meeting at the Y.W.C.A. to help plan the "Hanging of the Greens," and Annual Christmas party which will be held at the Y.W.C.A. on December 5th from 3:00-5:00 P.M. Christmas carols will be sung by a choir throughout the building while the trees are being decorated. The little children will also be cared for and a Santa Claus will come. So bring the whole family and a tree ornament and have fun.

—Alexa.

## Popcorn

Did you know that this Thanksgiving will mark the anniversary of popcorn? Yes, the Indians introduced the fluffy, delicious snack to the Pilgrims on that first Thanksgiving day.

## THANKSGIVING VACATION

With the Thanksgiving holidays just around the corner, this is what some boys and girls said they were going to do:

Duffy Magera and Dal Neely are going to practice basketball and go to see their girlfriends, if Coach allows it.

"Pick out some victim for a boyfriend," answered Sharon Humphrey.

Bob Romine is staying home out of sight. Of whom?

Diane Neher is going to play "Hajjibaba" and go for a long walk up the highway. Sounds interesting!

Carole Black and Diane Lewandowski are going to write letters to Ed and George, respectively. Diane is also going to think of Larry and wish he'd call. (Hint!)

Martha Gee is going to invite her boyfriend to dinner while Ann Benkert "feeds pigs." (Real ones!)

Tom Claffey is going up North to hunt two and four-legged deer.

Joann and Sandra Miller are going on a diet.

Judy Haussman is going to eat, sleep, and wait for the phone to ring. (Hint to N. H.!)

Judy Bates is also going to sleep while Bob Crawford is eating and Danny Polizzotto loafing.

Mr. Pierson said he's going to try to recover from sixth hour history class.

"Hard telling," was Bob Gregory's answer.

Arlene Perry is having a party if Shirley M. brings six guys from Cincinnati!

Ray Topper and his girlfriend are going to the lake. Isn't it too cold for swimming now?

Julia Coles, Peg Shearman, and Gloria Thompson are going to sing at Taylor University.

And here are two lucky people going to Florida, Donna Froh and Jay Elkins. Hope you bring back some warm weather!!

—Alexa.

## ART CLUB

The Art Club is once again in action for the third year at Clay. The officers this year, Joan Wissing, Bob Gregory, Betty Gunter and John Scheid along with a general committee of Clea Lawhorn, Marilyn Manion, and Dick Engle, are planning the year's activities. This year's schedule includes among other things, the construction of displays throughout the school year, decorations for Christmas, which are already being planned along with a Christmas party, and decoration for Easter. The club's latest project was the Thanksgiving displays which consisted of a cafeteria scene, centerpieces, door decorations, and show case exhibits. The chairmen of these committees — Dick Engle, Betty Gunter, Marilyn Manion, and Barbara Kolblich — have worked hard to make these holiday decorations interesting and unique.

The decoration committee for this Christmas has already begun work, and in a few weeks our school will be changed into a festive show place of lights and ornaments. The main lobby, windows, halls, and office will again be decorated in the spirit of Christmas.

—Joan Wissing.

## Future Nurses' Club Holds Annual Induction

The Future Nurses' Club held its annual induction of new members November 11th at 8:00 P.M. in the gymnasium. Carole Rager was general chairman and chose committees to help her. On the decorations committee were Marilyn De Bow, and Joan Frazier; refreshments, Judy Sandusky, Peggy Humphrey, and Joan Fougousse; clean-up, Toni Amato, Gloria Romine, and Carole Rager.

The program was opened with Marilyn De Bow's welcoming of the guests and parents of the club members.

Carole Rager sang "My Task" accompanied by Diana Nemeth.

Betty Dershem and Yvonne Schryer distributed the pins and lighted the candles of the new members. Four other former Washington-Clay students were present at the induction. They were: Rosie Bessemer, Janet De Priester, Barb Landick, and Norma Smith. We also had with us representatives from the various fields of nursing: Sister John Frances, C.S.C., from Holy Cross Central School of Nursing; Miss Young, Director of Memorial Hospital School of Nursing; Miss Kellogg, Public Health Nurse; Mrs. Byers, X-ray technician; and Mrs. Dunlap, our Medical Auxiliary Club Sponsor.

Both the stage and the tea table were beautifully decorated with mums and candles. Joan Fougousse served punch and Judy Sandusky served the coffee.

New members who were inducted are Judy Cook, Rita Crow, Dorothy Gee, Arlene Gogley, Elaine Moo, Sharon Rose, Martha Smith, and Phyllis Zimmerman.

Sister Cecelian, C.S.C., was the speaker for the evening. She gave a very inspiring speech on the vocation of nursing. Sister Cecelian said that she thinks all good nurses have a calling from God.

—by Betty Rupchock.

The band received an invitation from Al Stodden of Central High School, Fort Wayne, Indiana, to take part in the Indiana Music Educators' Association Convention on November 18. The students had to have certain qualifications such as: being a good sight reader, an advanced student, and an outstanding member of the band. They had to report to the ballroom of the Antlers Hotel, Indianapolis, on Nov. 18. Mr. Kinghorn sent in the applications of Dick Pieratt, Billie Jo Garner, Judith Cook, and Rodger Rawleigh.

The entertainment for the Parents Music Boosters' Club meeting Nov. 3, 1954, was furnished by the Senior High School Band and Choir and the Junior High Band. The Junior High Band started the concert with three selections which were "Overture Classique," "Russian Overture" and "Aferkander." Next on the program was the choir. They sang, "Goin' To Boston," "Jacques Come Here," and the beautiful "Brahms Cradle Song." The Senior High Band finished the concert with four selections, "Manhattan Beach March," "The Song from Moulin Rouge," "The Girl in Satin," and "Finculi, Fincula."

The band played at the Lion's Club Variety show November 13, at 8:00 P.M. in the Washington-Clay High School gymnasium.

FROM THE OFFICE OF THE PRINCIPAL:  
THANKSGIVING

Webster's Dictionary defines this day as follows: "Thanksgiving Day in the United States, now the fourth Thursday of November by presidential decree, is a day set apart for thanks and praise to God for the mercies of the year past. It originated with the New England colonists and has been regularly observed since President Lincoln's proclamation in 1863."

Thanksgiving Day is a holiday — but it is also a holy day. Changing the "i" to "y" gives this day its original significance. Our forefathers were very religiously inclined and when they set this day aside for feasting and celebrating, their first thought was to give thanks to God from whom all blessings flow.

In more recent years it has also become a day for families and friends to get together, for more fortunate people to provide baskets of food for the under-privileged, and the latest Thanksgiving touch is the country-wide clothing drives for the needy.

You, yourself, can best observe this day by a general self-inventory, a humble admission of your defects, and a firm resolve to do better. This can be attained by showing your parents a little more gratitude, your teachers a better attitude, and your friends a little more cheerfulness. But, above all, do not forget the "holy" part of this day . . . attend a church service, say a prayer at the table, or at least direct your thoughts in thanksgiving to Him who was the original inspiration for this day. Have your turkeys and pumpkin pies and family celebrations but keep in mind the words of the Master Teacher, "Render to Caesar the things that are Caesar's, and to God the things that are God's."

A HAPPY THANKSGIVING TO ALL

## OUR FASHION REPRESENTATIVE

Each year a girl is chosen to be on the High-school Fashion Board at Robertson's. Our representative for this year is Theresa Morozowski, who was picked from a choice of three girls who had, in turn, been chosen by last year's representative.

Last August Robertson's sponsored a fashion show in which Theresa modeled a turquoise suit with black accessories. Then in September she modeled various sport clothes in the sportswear department.

Theresa enjoyed being a model very much and hopes they will have more fashion shows.

When asked if she learned anything, she said the main thing she had been taught was to wear clothes which are becoming to her and how to walk and stand with poise.

—Alexa.

## Teacher of the Week

Our teacher for this week, Miss Walter, stands 5 ft. 10 inches tall, (we could use her on the basketball team!) hails from Winamac, Indiana. She graduated from Indiana University at Bloomington where she obtained an A.B. degree.

## Office Girl

This week our Office Girl is 5'4" and weighs 118 lbs. She has soft grey eyes and dark blond hair. Her two favorite records are "Smile" and "Whither Thou Goest." When asked about her favorite food, she said she likes anything that looks like food — which could be dangerous. When it comes to hobbies she seems to be very busy with her cooking, baking, dancing, swimming, and general housework. Even though she likes all these things; her favorite pastime is being with Larry Humphrey. Well, Nancy Schloemer, it's fourth hour, and you seem to think you have office work to do, so we'll let you go.

—Sally.

She has taught at Clay for 7 years and also at Fairmount, Michigantown, and Monticello, Indiana. You can find her in room 11 teaching foreign languages, Latin and Spanish.

Her favorite pastimes are writing letters, gardening, and traveling.

Since she has a green thumb her favorite color, of course, is green.

—Phyl.

GOSSIP

Eloise Dudley is starting out this week's Nooz. We hear that she would like to get acquainted with a certain Doc Lang. Take notice, Doc.

Carole Rager, are you going steady with that nice looking boy from Notre Dame???

Rudy Patus!! What's been bothering you lately? You can't blame a girl for trying!!!

Paul Tennyson has his eye on a cute little freshman. Helen Beaver will make this more clear. Good luck, kids!!

Boy, oh Boy!!! The varsity sure looks sharp in the new uniforms. That's why the girls love basketball.

Sharon Garrett had a lot of fun at a party not too long ago. Chuck was the reason for this.

Diane Neher seems to love her 5th hour English class. Special attraction, Diane?!!

Mrs. Barber is called Aunt Thelma by her 3rd hour class. She has terrific advice for everyone troubled.

Judy Hennings has turned to St. Joe for her new flame!!! Bob Ganser.

Dorothy Lehner must not realize that Bob Romine and Nancy Newton are going steady!! They are!!

Dixie Taylor and Tony Humphrey make a darling couple. Best of luck!!

Susie didn't know who to yell for at the Adams game. Everything would have been all right if Paul didn't play for the Eagles. Hard decision, Susie????

Rosie Pappas has been having a hard time trying to decide who it is, Tom or Bud. That's life, boys.

Carole Black counts the days for weekends to come. Ed calls from Great Lakes every Sunday. She has that boy trained!!!

Mr. Pierson just can't figure out why his 4th hour class gets cut shorter than the 5th and 6th hours when we have assemblies!!!! Oh well, we're only 5 weeks behind.

Bette Redfern had a pretty neat slumber party the other night. Not too much fun. Ha Ha!!

Gene Ditsler, who was that real cute girl you were with at the Sen-

ior dance??

Judy Sandusky and Ron Paszek from Washington have been going steady now for 7 months. Pretty long time!!!

Jo Ann, why don't you give Mr. Pierson your definition for the Boston Tea Party???

Sue Miller and Bucky Flock are planning to entertain us at our next show. We'll be looking for you, girls!!

Seems like Dick Kritz has his torch flying toward a real cute junior girl. Since we don't know who this is, we'll have to look for them together.

Ronnie Schryer has been seen lately with Beverly Bartell. Does this mean anything??

The senior girls were planning to do something during the intermission of the play. What happened?

Arlene Perry is receiving letters from a certain Jay. That must be why she runs home every night after school!!!!

We know how it is, Peggy Humphrey. You just can't win for losing with the boys here at Clay.

Diana Nemeth has a cute boy on her mind most of the time. At least she did the night of Judy Duni-vant's slumber party when she called the poor guy up on the hour.

Barbara Hickey and Sharon Grounds are leaving the boys alone for awhile, we guess!! Or are you keeping a secret???

Everyone was wondering who Jim Stroud was supposed to be with at the Junior dance. It was alright! Julie didn't mind if you danced the fast ones with the Clay girls.

We haven't figured out who Judy Cook likes better, Larry or Keith!! Wonder if she knows!!

Barbara Umbaugh and Dal Neely are another real cute steady couple seen in the halls. We wish you luck.

Guess Sharon Humphrey has decided to quit boys for a couple of days. Thinks she will forget them by then. We doubt that.

Joan Frazier is another new steady. But she went to Mishawaka for hers.

Paul Ostrom has a great facination for underclass girls. What's the matter??

Nancy Carter isn't too lonely this year. Just remember Darrell will be back next summer.

Martha Smith thinks a certain boy from Greene is pretty nice.

Judie Church has a crush on a

sophomore boy. What's his name again, Judie??

Toni Amato and Maxine Bryan have been touring with their steadies for quite awhile.

Judy Beard received a real pretty brown sweater for her birthday. Carl, you have wonderful taste.

Patsy Wright thinks a certain '54 graduate is pretty nice. The only name you can find on her books is Jerry Mills.

Elynor Hoffman has been seen lately dating Wendell Yoder of Madison. She finally went back to him.

Ronnie Walker and Margo Gerharz (St. Joe) are still going steady. That's real swell.

Danny Ullery and Sue Foli are still one of our old steadies. Keep it up.

Dramatic Club Officers

The officers of the Freshmen and Sophomore Dramatic Club have been elected for the coming year. They are as follows: president, Carole Vargo; vice president, Valerie Putz; secretary, Martha Gee; and treasurer, Diana Neher.

DANCE CLUB

Thursday night, Nov. 11 was the first meeting of the Dance Club. The meeting was held in the cafe, and our sponsor, Mr. Macon, began teaching simple square dances.

We learned such calls as left, grand right and left, and balance and swing. There was a good crowd and everyone had fun.

We learned such dances as "Peek Around the Corner" and "The Girl from Arkansas."

After the meeting several boys helped put the cafeteria in order?!

Choir News

The choir was asked to sing for the Thanksgiving Day program on Wednesday, November 24. Two of the songs to be sung will be "Harvest Holiday," and "Spirit of God."

The choir has already started working very hard on its Christmas songs. There will be several new ones this year that will surely be enjoyed very much.

—Elynor Hoffman.

BOUQUETS and BRICKBATS

Tossed by Pam and Sue

Hi there! Here we are, right back tossing more of those BOUQUETS and BRICKBATS. How about sending the first BOUQUET to our swell basketball team for the fine showing they are making, to the new cheerleaders, and every single fan who held high our spirit.

Now — here flies a BRICKBAT to all of you "lazy" Colonial writers who can't make the deadline. And let's make those articles longer!

A very special BOUQUET to Judy Colip for the beautiful song over the inter-com on Veterans' Day, and to Rodger Rawleigh who played Taps.

While we're talking about talent, we'll toss in a BOUQUET to all who participated in the variety show sponsored by the Chess Club.

To all you warm-blooded creatures who think it's still summer, BRICKBATS for opening wide the windows in Study Hall.

BOUQUETS to the boys who are participating in Intra-mural games at noon — (and the referees)!

BRICKBATS to all who aren't yelling their lungs out at the basketball games.

Here's another BRICKBAT to someone for not fixing the juke box. (Anyone know how to fix a juke box?)

We would like to dedicate a BOUQUET to all of the daring Junior girls who wore those "terrible knee-length socks."

RECORD ROAD

by Connie and Sharon

This week we're finding out the favorite records of you kids and why. Maybe that doesn't seem important to you, but the why is sometimes more important than the song. Get me? First of all we asked Nancy Newton and she told us her favorite record was "Crazy 'Bout Ya' Baby" and she likes it because of Bob. Now that figures! Another Nancy, Nancy Layfield likes "Because You're Mine" for a very special reason. We asked Danny Augh and he said he liked "The Naughty Lady From Shady Lane" and just catch this reason, "I like Shady Lanes." Ahem!! Phyllis Clauser says her favorite record is "I Need You Now" and you can draw your own conclusions as to the reason. Mona Crynes likes "Sh-Boom," but she doesn't have any special reason for liking it. The Notre Dame Victory March is Marilyn's Manion's favorite and she says she likes it for obvious reasons. Are those reasons because of its being Notre Dame's song or ours? I wonder! Peggy Humphrey likes "Smile" but she doesn't have any special reason for liking it. I'll bet it's because she smiles so much herself. Think so? "Sway" is Elsie Greenwood's favorite record and she likes it "Just 'cause." Mary Blank gave the same reason for liking "Muskrat Ramble." And strangely enough, Pat Clinger gave the same reason for liking "Mr. Sandman." And as if that isn't enough Marilyn Brame gives the same reason for liking "Hold My Hand." Paul is the reason for JoAnn Bognar liking "I Need You Now." Arlene Perry also gives a boy's name for liking her favorite record, "Smile," and the boy's name is Jay. Toni Amato wouldn't give us the guy's name, but she said he was her reason for liking "Hold My Hand." Judy Colip gave a sort of different reason and she likes "It's A Woman's World" for the pretty tune and words. Also she says it's so true. I'll bet we'll get some boys' reactions from that opinion. Joyce Riehle likes to "Dream" so that's her favorite song. Betty Rupchock's reason for liking "Smile" is because she likes to smile. Now that figures. Steve Horvath's favorite is "Teach Me" because Barb's always "teaching" him. Ha, ha!! Jack Ingle's favorite is "Mr. Sandman" because of the harmony. As for ourselves, Sharon's favorite is "Teach Me" and my favorite is "At Last." We've got some special reasons. But I like "At Last" because At Last I'm through with this column!

## SWEET REVENGE — AT LAST

The Colonials started off the basketball season with a bang as they downed the Madison Panthers 47-41.

Before a fairly large crowd, Clay got off to a slow start, trailing 14-0 about halfway through the first quarter. The Colonials just couldn't seem to get started, and it looked as though the Panthers were going to make it six straight wins over Clay. Then Tim Rich broke the ice as he made a free throw. Paul Tennyson quickly followed up with a set shot. Both Rich and Tennyson scored once more before the first quarter ended with the Panthers ahead by an 18-7 score. Dale Pittman, who took scoring honors with twenty-one points, had fourteen of the Panthers' first quarter eighteen tallies.

In the second quarter, Clay settled down and showed what teamwork can do. Our height began to pay off. Led by Zoller, Romine and Rich, Clay grabbed practically every rebound. Without this the Colonials probably would never have been able to come from behind the way they did. As the second period ended, Clay trailed Madison by only five points — 28-23.

Half-time ceremonies didn't seem to slow the Colonials down. George Leonakis and Chuck Lang tallied to cut the Panthers' lead to one. Two quick baskets by Clark and one by Pittman, however, kept Madison's hopes alive. But before the third quarter ended Clay once again cut the Panthers' lead to one slim point.

I don't think I, or anyone else, can successfully describe that last period. Between the tremendous cheers from both stands and the neck and neck battle that was taking place on the floor, there was just too much going on for me to put it all down on this paper. The truth really is that I was cheering so loudly myself, along with everyone else, that all I can really remember is that with about four or five minutes left in the game Clay took the lead and still held it when the final gun sounded.

Free throws, as expected, proved to be one of the deciding factors of the game. The Colonials hit fifteen, nearly one-third of their final score, while the Panthers hit only five.

High point man for Clay was Tim Rich, with fifteen points. Close behind was George Leonakis with

fourteen, followed by Paul Tennyson with eight, and Chuck Lang with seven. Bob Romine scored two and Larry Jenks one.

In the past years, as you probably know, Clay has had usually one or two outstanding stars on each varsity team.

It took the passing, dribbling, shooting and rebounding of six or seven boys to win.

## THAT'S TWO!!!

After Clay's B-team had nipped New Carlisle 31-28 with a sixteen point help from Joe Lamirand, the Colonial varsity took the floor.

Fresh from a victory over Madison, Clay was looking for their second win of the season.

New Carlisle's gym, packed to the rafters, was hot and stuffy as the boys from the two teams came on the floor for the tipoff.

Zielinski gave the Tigers a quick six to nothing lead in the opening minutes.

It looked as though this was going to be another Madison until tall Tim Rich started hitting. Rich hit six of his first seven shots (including two free throws) to put Clay ahead 10-6. Before the quarter ended, Chuck Lang contributed four more points on driving lay-ins.

Coming back in the second period, the Colonials started to move away from the Tigers as they took a ten point lead and still held it as the half came to an end.

After very delightful half-time ceremonies, New Carlisle came back on the floor, a new ball club.

Taking the tipoff, the Tigers immediately scored, and kept doing so until they had turned what had just a little while before looked like

a runaway, into a very close game. But from the first time the Colonials took the lead, they never lost it until the final gun sounded. The Tigers tried desperately to get back into the game, but every time they came within one or two points of Clay, the Colonials would pull away again. This is how the whole second half went except for one particular time.

With about three and one-half minutes left to play, the Colonials went into a stall. Leading by four or five points, Clay carefully passed, dribbled, and passed so as to use up the dwindling time. Someone got tied up, though, and there was a jump ball. The Tigers took the tip-off and Zielinski, while trying to shoot, was fouled. His first shot was good, but the second was off to one side, with the Colonials grabbing the rebound. Clay again went into a stall which was successful until, with one minute and eight seconds left in the game, Gregory of New Carlisle was fouled. He dunked both shots to put the Tigers within two points of the lead. Soon after Clay came back down the floor, there was a mad scramble for the ball which resulted in George Leonakis being awarded two free throws. As he sank both shots, Clay fans began to breathe a little easier, but not for long. The frantic Tigers immediately drove down the floor and scored. Lady Luck was still with the Colonials, though, for with just 26 seconds left to play, Ed Zoller was fouled. He sank one of his shots, which, in the end proved to be the deciding factor.

New Carlisle scored once again, but that was all, for time ran out with the final score reading, Clay 47, New Carlisle 46.

As you read the last part of this article, you should have noticed one thing that was very decisive in our win over New Carlisle. This was free throws. Without these we might not have won the game at all. We hit 17 of our 26 free throws while the Tigers hit only 9 of the 26 they took. Change that nine and seventeen around and what do you come out with?
