

Action, Athletics, Activity Homecoming Week Ahead

Football Figures Of Speech

- Split End:** An offensive end which is split away from the line
- Tight End:** An offensive end which is tight to the line
- Rabbit:** The quarterback
- Bull:** The fullback
- Maddog:** The left halfback
- Wildcat:** The right halfback
- Dive Play:** An offensive play in which the halfback gets the ball and goes straight ahead
- Off Tackle:** An offensive play when one of the backs runs through the tackle position
- Sweep:** An offensive play when a back runs with the ball around the far end and up the side of the field
- Power Off Tackle:** An offensive play the same as an off tackle play but a guard pulls out and blocks with the tackle
- Pass in the Flat:** One of the ends or the halfback goes out in defensive territory 5 to 10 yards from the line of scrimmage and catches the pass
- Draw Play:** In a draw play the line pushes the defense away from the center to make a hole for the fullback to run through after the quarterback hands him the ball. The left and right halfbacks go ahead of the runner and block for him. Then the fullback carries the ball between the center and guards
- Clipping:** When a player blocks or hits a man from behind except in the case of a tackle
- Safety:** When the ball carrier is tackled behind their own goal line. It is worth 2 points.
- Touchback:** When ball is kicked into end zone and is brought out to 20 yd. line.

We're Proud Of Our Teams

A Look At Our Coaches

Coach King

In his eleventh year as head coach at Clay, Mr. Tom King sees "Clay as a future power." Coach King, a graduate of Notre Dame, chose coaching because of his love of sports. Also because he knows what sports will do for a boy and so he can stay with young men.

Coach King hails from Hornell, New York, where he attended high school and lettered in football, basketball, baseball, and track. At the age of 37, he is the father of three girls and one boy ranging in ages from 13 to 2.

Coach King has a Masters Degree in Administration, but plans on just teaching P.E. and coaching. While at Clay, the Colonials have won approximately 50 games, while losing 45, with most of the losses coming in the past three years against the bigger, tougher schools.

Coach Stinson

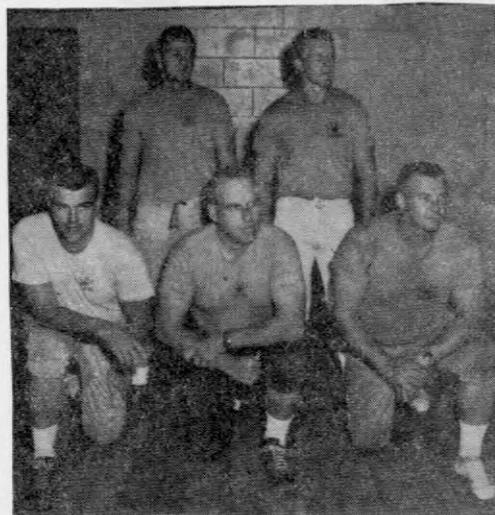

After 11 years at Clay, Coach Stinson still enjoys being a coach. Mr. Stinson attended Hammond Tech. Vocational High School, Hammond, Indiana and played an active part in the band. Although he couldn't play in high school athletics by his senior year he was playing in sports outside of high school such as church basketball. After graduation from high school he went to work in a steel mill for a year and a half, then went into the Marine Corps a year and a half also. After the Marines he went to Souix Falls College and played 3 years of football there.

When he graduated from Souix Falls he went to Indiana University for a year and a half while he was teaching gym classes and getting his masters. He then became head line coach at Greencastle High School. Since then he moved to South Bend and has been Coach King's first assistant.

Coach Hunter

Mr. Donald Hunter, Clay's defensive line coach, comes from Morocco, Indiana, where he lettered in football and basketball. Coach Hunter attended Ball State University where he received his B.S. He also lettered in football at Ball State. Coach Hunter teaches math.

"I enjoy working with boys and enjoy sports", was his answer to why he chose coaching.

Clay's coaches are: kneeling from left to right, Coach Hunter, Coach Stinson and Coach Huston. Standing are Head Coach King and Coach Gleason.

Coach Wood

One of the familiar coaching faces at Clay, is Freshman Backfield Coach, Mr. Ed Wood, who has demonstrated to the younger players the better skills of maneuverability for the past three years. He has coached two record-breaking frosh teams and is well on his way to a third winning season.

Coach Wood started his career in football at Riley High School in South Bend where he was awarded 3 varsity letters and graduated in 1949. He won 2 letters at Ball State in football and graduated in '58 with a B.S. in physical education and business education. While at Ball State he was married and now has two children. At Purdue he earned an M.S. in guidance, and from there he came to Clay High School as a Freshman Coach and taught Marketing Distributive Education Classes.

When asked why he enjoyed coaching he replied, "I like kids and I like athletes". To him the greatest aspect of athletics is the attitude of the teams, and individual players.

Coach Huston

"Clay is a great school with great students," stated line Coach Meredith Huston. Coach Huston, who hails from Chicago, was a two sport letterman at Lane Tech in Chicago, and a football letterman at Hillsdale College in Michigan. Coach Huston has his Masters from Western Michigan University, and teaches Introduction to Social Studies. He is also the assistant wrestling coach and the head track coach.

When asked why he chose coaching, he stated, "It's a good way of working with the boys."

Former Coach Now Athletic Director

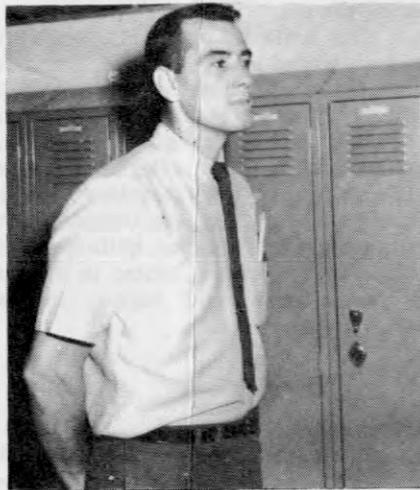

Since coming to Clay eight years ago, one of our guidance counselors, Mr. Robert Turnock, has been directing Clay's athletic activities.

Mr. Turnock graduated from Indiana State University where he earned his B.S. and M.S. While at Indiana State, he participated on the tennis and basketball teams before going into the service after his junior year. In the service for four years, Mr. Turnock saw action in The Battle of the Bulge, and on the Rhine River for two years. He was a machine gun section leader.

After the service, he went back to I.S.U., where, during his senior year, he was head tennis coach and freshman basketball coach. After graduation, Mr. Turnock taught social studies at Muessel for two years, and then went to South Bend Central for the next five years. At Central, he was assistant basketball coach, and in 1953 the Central team won the State Championship. His next stop was Niles High School where he was head basketball coach for two years, and then it was Clay where he has been ever since.

Mr. Turnock has been married nineteen years, and has one son, Tom, 17, who is a senior at St. Joseph's High School.

A Look At

In his third year at Clay High School, Mr. Jim Warren serves as cross country and B-team basketball coach as well as teaching health. Before coming to Clay he coached basketball and baseball for two years at Studebaker Junior High and baseball, basketball, football, and track for three and one-half years at Walkerton.

Coach Warren

Born in Nappanee, he also attended high school in that community where he was an avid participant in all sports. Mr. Warren received his B.S. at Anderson while excelling in basketball and track and his M.A. at Ball State.

Coach Warren and his wife Joyce have three boys ages six, four, and five months. When asked why he chose coaching as his career, he replied, "I enjoyed participating in sports while in school."

Harriers Record 3 & 3

Top Ten Runners Listed

Running in all sorts of weather, the Clay Harriers brought their record to 3 wins and 3 defeats. The victories have come over Penn, Washington, and Mishawaka. They have lost to Central, Mishawaka, and Riley.

While running against Riley and Mishawaka in a double dual, one of the judges dropped the finishing sticks (which confirm your finished position) then all chaos broke loose as no one knew exactly where they had finished. Doing their best the judges then decided Riley won 21-30 over Clay and that Clay defeated Mishawaka 26-31.

Last Tuesday the 20th of September, the Harriers met Mishawaka in a dual meet. This meet was run in a steady down pour and on the Caveman's home course. Clay ended up on the defeated side 23-32.

Clay's top 10 runners so far this year have been Mike Tebo, Wayne Wisler, Vince Carroll, Pat Smith, Doug Bailey, Tom Pacala, Jesse Neely, Dick Lindborg, and Don Kelly.

Coach Gleason

To date, Coach Gleason has coached the B-team football team at an undefeated pace.

Some of the traits which aided this record are; (1) Experience: This is Coach Gleason's fourth year as a Clay football coach. (2) A versatile athlete: he was a quarterback of Valparaiso University plus a member of the Valparaiso wrestling and track team. (3) The ability to solve coaching problems, such as indicated by this statement, "My main problem in coaching is getting the team to go a hundred per cent." (4) Optimism and desire. Coach Gleason sees an undefeated season for Clay's B-team. He entered the coaching profession because of his deep interest in sports.

After Coach Gleason leaves the gridiron, he takes up the job as head wrestling coach.

**Back And Lineman
Of The Week
Consistency Counts**

Blocking is Mike Wagner, carrying the ball is Dave Stogsdill, both juniors, were chosen lineman and back of the week, respectively, after the Adams game.

Dave Stogsdill and Mike Wagner were selected as back and lineman of the week following the Adams game. Stogsdill, a 5'8" 165 pound junior was picked "basically because of his consistency in getting the job done and the scoring of the two touchdowns," quoted head coach Tom King. Coach Huston singled out Wagner, also a junior, because "he was consistent in getting his man, did a good job on the linebackers, which is always tough, and was excellent in his pass protection." Congratulations to those two athletes on their outstanding performance.

**Injuries Hinder
Team Effort**

Torn cartilages, appendicitis, a knee injury, torn ligaments, and water on the knee are some of the injuries which have hindered the Clay Football Team this year.

Co-captain Charlie Clark tore a cartilage in his left knee during pre-season drills and will probably be out for the rest of the season.

During the Central game Danny Miller, a starting halfback, tore a ligament in his right knee and will also be out for the season.

Jack Singleton, a starting tackle, will be out temporarily due to a reoccurring knee injury he received before the football season.

Last Monday Gregg Ivins' shoulder injury disabled him for the remaining games. Senior Bill Goss has been on the sidelines for several games due to water on his knee. An appendectomy put Chuck Rupley out of commission temporarily also.

The first string attack suffered the loss of Pete Jank, through an infected foot, and Bruce Carter, from a pulled leg muscle. Battered but undaunted the Colonials fight on.
