Christmas Rhapsody	-	-	-	-	-	<i>Long</i>

A contemporary setting of well known, traditional Christmas songs.

The opening depicts the hustle and bustle of last minute yuletide preparations; "Deck the Hall" and "Jingle Bells."

Preparations are halted to listen to carolers who serenade with "The First Noel."

The children go to bed and the music takes on a mysterious character as the last details are stealthily made for Santa's arrival. Finally all is quiet and carolers in the distance singing "Silent Night" is suggested.

The transition to Christmas morn is sudden. The gay "Deck the Hall" motif serves as a background for "Adestes Fidelis."

This expression of worship is followed by a return to the merry tune of "Jingle Bells" mingled with "Deck the Hall," thus bringing the rhapsody to a festive close.

INTERMISSION

Recordings are being made tonight by Century Recording Service. Interested parents and students may purchase them through the the Music Department of Bogota High School.
