PURPLE B

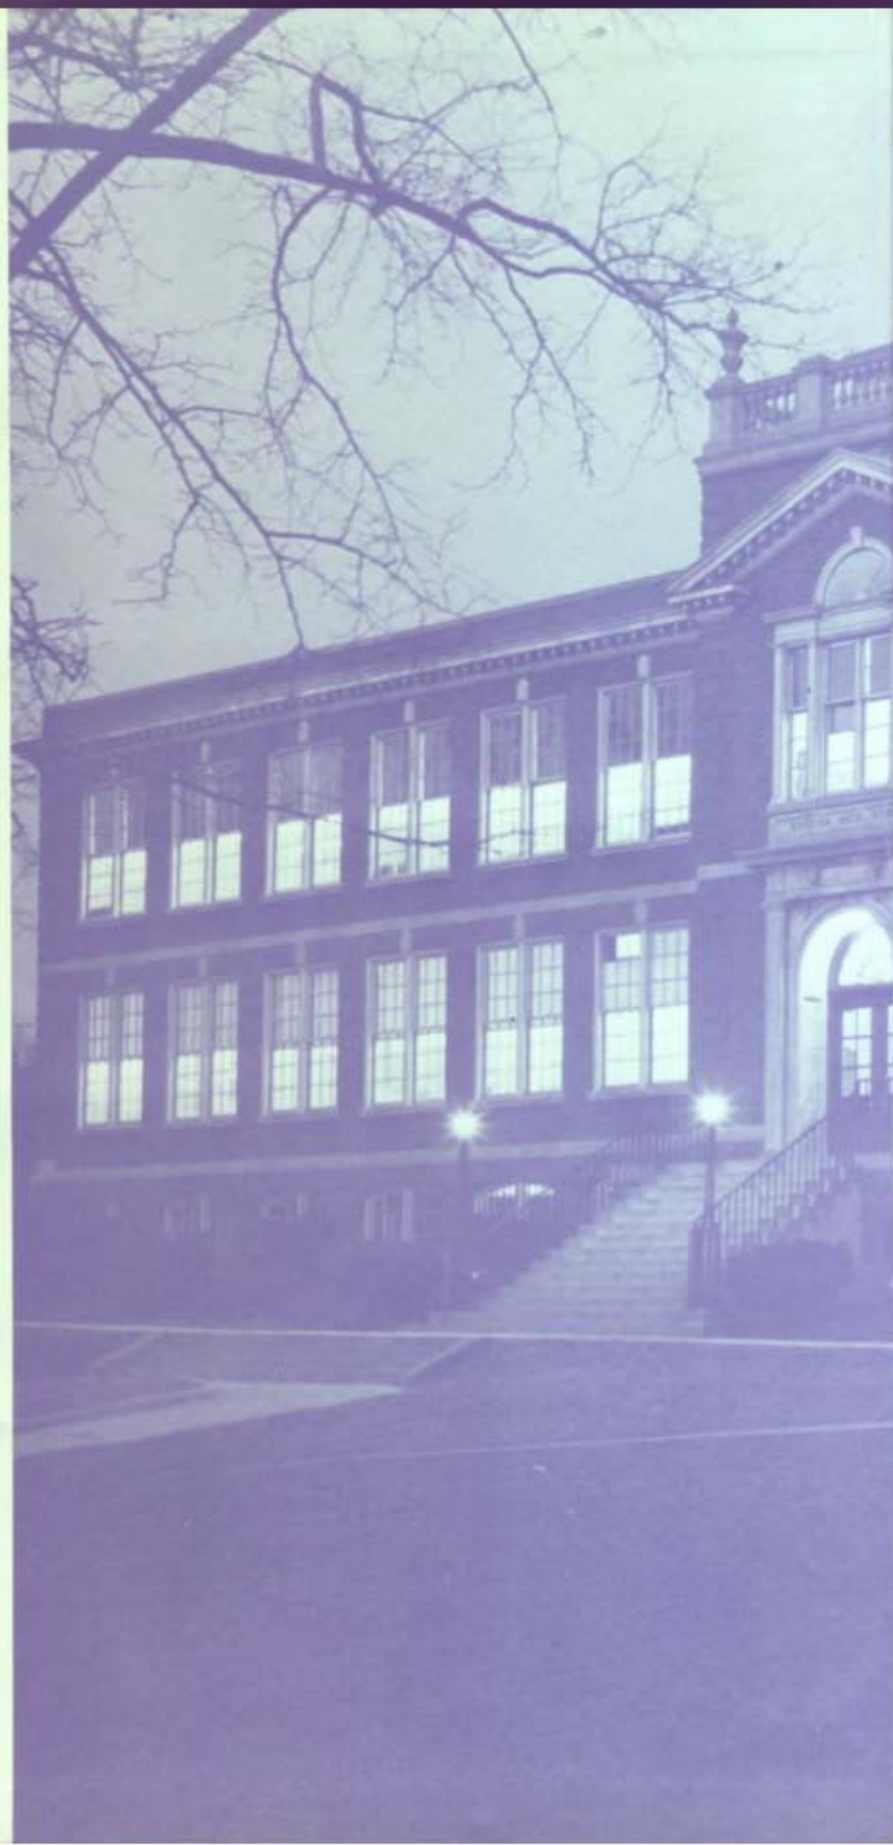

ALMA MATER

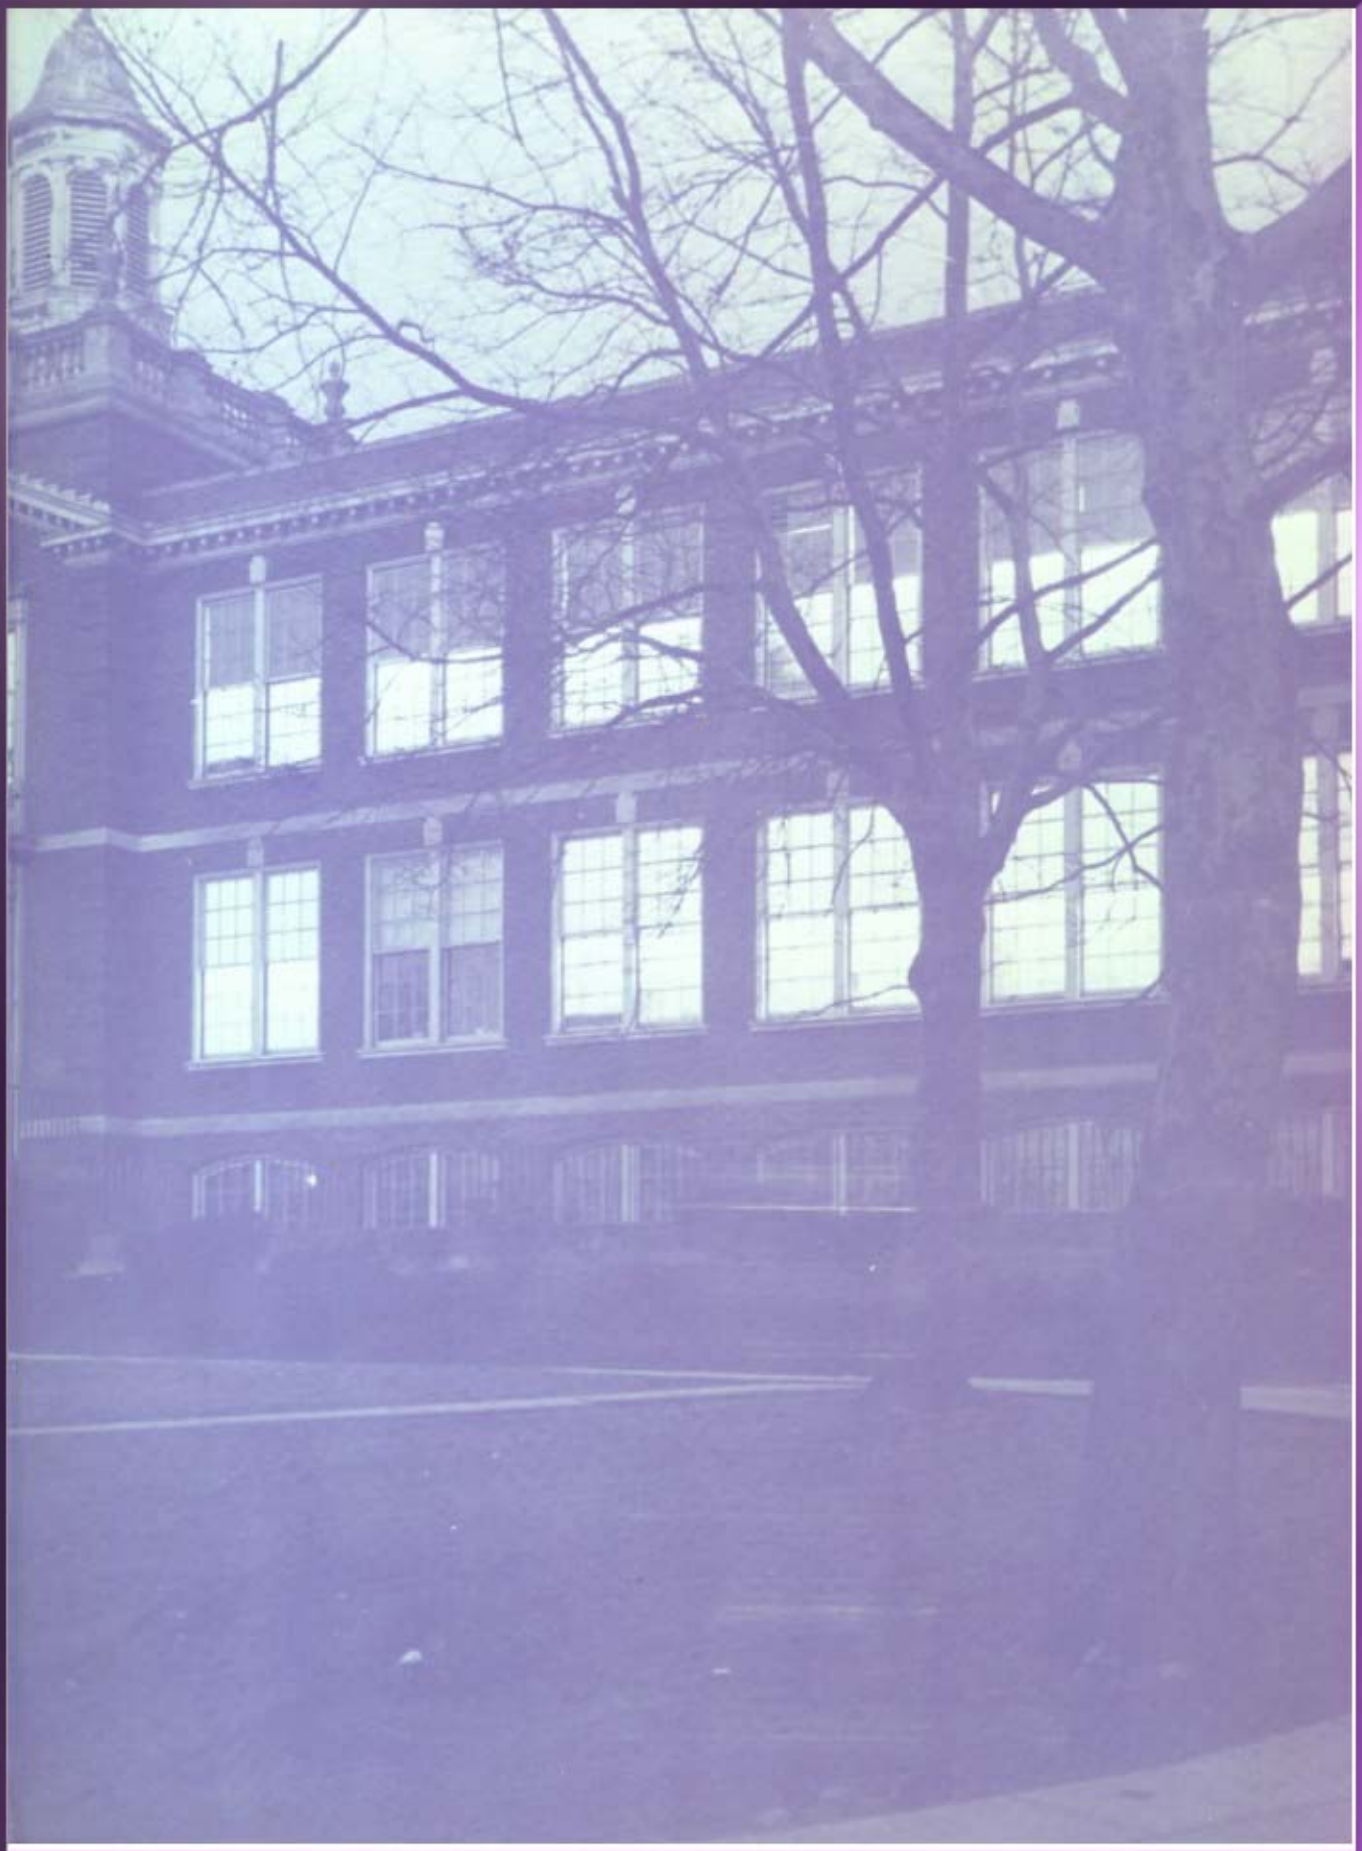

*In future years when life's a play,
And we are grey, let come what may,
Our thoughts revert to the days of old
When we staked our all on the Purple
and Gold.*

*There's a castle built on knowledge,
The place where friends are made,
It's a stepping stone to college
Where our path of life is laid.*

*Although the world we travel 'round
Although the end is nigh,
We'll not forget the joy we found
At our dear Bogota High.*

THE
SENIOR CLASS
Presents

THE
PURPLE
19 **B** 65

Bogota High School
Bogota, New Jersey

DEDICATION

The Senior Class of 1965 is pleased to dedicate this book to a man whose zest for living and keen perception of the needs of his students has created a feeling of warmth and empathy in all who come in contact with him. His loyalty, enthusiasm, and sincerity are infectious, and we are grateful for the extra measure of devotion which he has given to us. We are proud to dedicate this issue of the Purple B to you, MR. J. FEIGEL.

FOREWORD

The name Sir Winston Churchill is already becoming a legend. His words will continue to thrill and inspire for many years. To help perpetuate this legend and to honor Mr. Churchill, we have chosen his thoughts as our theme. Also, with the realization that remembrance of days at Bogota High School will become less vivid yet more precious as time goes on, we have attempted to include in this book the various personalities and traditions that make up B.H.S. It is our hope that this 1965 Purple "B" will remain always the key to happy memories. With Mr. Churchill we trust that, "The high road of the future will be clear, not only for our time but for a century to come."

ADMINISTRATION

Congratulations to the Class of 1965! You will now face more problems than any previous graduating class; however, you are better prepared to solve them. Your generation continues to increase proportionately in the general population. This means that for each of you to succeed in your desires, each one will have to be a little bit better and work a little harder than the rest of your generation. But you will find that success is worth the effort.

Resolve never to cheat yourself by doing less than your best.

MR. R. POLLISON
Principal

As your Principal, I congratulate you of the Class of 1965 on having attained one of life's biggest goals. I most sincerely wish that you will continue to achieve your highest ambitions.

I wish every member of the Class of 1965 success and happiness, and hope that each one takes with him pleasant memories, and the knowledge necessary to attain his life's goals.

And we are grey, let come what may,
Our thoughts revert to the days of old

*HYMN — "Holy, Holy, Holy" *Dykes*

Holy, holy, holy, Lord God Almighty!
Early in the morning our song shall rise to Thee;
Holy, holy, holy! Merciful and Mighty!
Who wert and art, and evermore shalt be.
Holy, holy, holy! tho' darkness hide Thee,
Though the eye of sinful man Thy glory may not see,
Only Thou art holy, there is none beside Thee,
Perfect in pow'r, in love and purity.

*HYMN — "God of Our Fathers" *Warren*

God of our fathers, whose almighty hand
Leads forth in beauty all the starry band
Of shining worlds in splendor through the skies,
Our grateful songs before Thy throne arise.
Thy love divine hath led us in the past,
In this free land by Thee our lot is cast;
Be Thou our ruler, guardian, guide, and stay
Thy word our law, Thy paths our chosen way.
