THE CHORAL EXCHANGE

On the weekend of April 2-4, the A Cappella Choir traveled to Valatie, New York for the first part of this exchange. That trip proved to be a wonderful experience both educationally and socially. Bogota at this time wishes to thank Valatie for its gracious hospitality and willing cooperation that made possible an excellent concert.

We are happy to have our Junior and Senior Choirs with us for this, our Spring Concert.

A special word of appreciation must also be expressed to the parents of the Bogota High School A Cappella Choir for acting as hosts to our guests from Valatie. And finally, a word of thanks to our High School Principal, Mr. Robert Pollison, and our Vice-Principal, Mr. Raymond Waters, for their generous cooperation in making this project a success.
