

Welcome Trappers!!!!

The traditional booing toward the sophomore section signals the beginning of another school year at Fort Vancouver High. Will it be just another year that passes quickly without noticing? Who knows now? Eventually you will determine the answer. After a fun-filled summer where rain was luckily not expected we are now faced with nine months of - - - school. I would like to welcome all juniors and seniors back, and the new, eager sophomores to what

them! To start off, I urge you to buy your Student Body Card for your admittance to Friday night's game. Our fine cheerleading squad needs all of you to turn out early Friday morning for our first morning pep rally. There is a tradition at Fort of fine school spirit and we must start now to uphold that. Saturday night is an opportunity for all you guys to become "acquainted" with the new girls and for all to make new acquaintances.

As your President I want to become a part of all of you. If problems exist, I would especially like to talk to you about them and solve them. If the sophomores are lost and need advice, please talk to me. I was as lost and shy as you when I was a sophomore. I am very willing to make you more familiar with our school life. Participation by all of you in all of our activities will give you the personal satisfaction of being part of this school's fine spirit and besides, it's fun!

ASB PRESIDENT DAVE CAMP

I hope will be the beginning of a successful year.

Our football team started practice last week in preparation for the first home game against Camas Friday night. From all, the word is that they expect a great season. Their attitude is tough to beat but they'll need the support of every one of you. Let's all support

Council Members Attend Potluck

Student council members were off to an early start this year as they met August 22 at 6:30 pm for a potluck picnic meeting. President Dave Camp presided over the meeting which was held at the home of Marvin Cummings, dean of students. With Mr. Cummings and Principal Earl Jackson on hand to help, the council discussed problems involved in the opening of school.

Ideas on how to stress the importance of purchasing a student body ticket were discussed. The tickets are being sold in advisories, at lunch and after school and are needed by students for free admission to the first home football game with Camas, Sept. 8 at Kiggins Bowl. Sale competition between classes is also hoped to boost ticket sales.

Other topics brought up at the meeting were the Get-Acquainted dance sponsored by the Boys' League, the distribution of Fort's Code of Ethics, Alki pictures, the sale of season football tickets and the assembly the first day.

Near the end of the meeting Mr. Cummings congratulated the council for their participation in the meeting. According to Mr. Cummings, "If the desires and ambitions of this council are any indication of the actions of the rest of the student body, then the year '67-'68 will be a great one."

Assembly Starts Another Year

This morning's assembly was opened by President Dave Camp, who gave a welcoming address to both old and new students to Fort.

In a skit presented by Student Council members, the advantages of owning an ASB card were illustrated. Through the various characters that were portrayed, the council strongly urged that every student should buy one.

To promote school spirit, the new Rally Squad led the student body in their traditional class yell. Trapper enthusiasm continued as they followed the cheerleaders in the singing of such songs as "Hello Dolly" and "Mr. Touch-down."

Fort's administration, Principal Earl Jackson, Mrs. Virginia Salvador, dean of girls, Mr. James VanHoose, dean of boys and Mr. Marvin Cummings, director of activities acquainted the students with the counseling system, gave a rundown on many of Fort's programs, and denoted the urgency of being registered correctly.

The assembly was dismissed by President Dave, observing senior courtesies.

Fort Adds New Teachers To Fill Staff Positions

As the great rustic doors once again open on a new school year, it is a time of both joy and sorrow for everyone. Many unfamiliar faces appear in the corridors and a few of these, strangely enough, belong to the new teachers.

To almost every student a new teacher is a challenge, and to a new teacher each student represents a unique and special part of each classroom day. This year the school district has hired thirteen new teachers to gain experience by teaching at Fort. Many are recent graduates of their respective colleges, while others come to Fort from schools in or outside of the school district.

Mrs. Margret Chesney takes over the duties of a fulltime counselor at Fort this year. Graduating from Oregon State University, Mrs. Chesney will counsel sophomores and juniors.

Teaching English is Miss Molly Buckley. Miss Buckley graduated from the University of Portland and has recently taught at Shumway Jr. High School. Teaching Senior English is Mrs. Mary Beth Kelly, a graduate of Hunter College. Another new teacher in the English department is Mrs. Katherine Clapp, who graduated from Michigan State University.

A recent graduate of Carroll College in Helena, Montana is

Miss Susan Spear. Miss Spear will teach courses of history and English. Also teaching history is Mr. Neil Webber. Physical education classes will also be taught by Mr. Webber, a graduate of Lewis and Clark College.

Five periods of Spanish occupy Miss Julie Corbin's schedule for the coming year. Portland State is Miss Corbin's alma mater.

Teaching Family Life Education part time at Fort and part time at Columbia River will be Miss Arlene Kendrick. Miss Kendrick will fulfill her duties at Fort by teaching here in the morning.

Mr. Bill Jennings comes to Fort as a recent graduate of the University of Oregon. Psychology,

Washington State History and refresher math will keep Mr. Jennings' busy throughout the year.

Assisting in the special education department this year will be Mrs. Imogene Doden and Mr. Bob Morgan. Mrs. Doden graduated from the State University of Iowa while Mr. Morgan received his BA from Eastern Washington State College and his MA from Portland State.

Hailing from McLaughlin Jr. High is Mr. Keith Neubauer. Mr. Neubauer will take over the duties of the vocal music department. Art will fill most of Mr. Vance Vernon's time at Fort this year. He has most recently taught at Lewis Jr. High School.

Here to gain September experience are Miss Patti Allinger, Washington State University, Physical Education; Miss Leanna Bradbury, University of Washington, history; Mr. Ray Eldridge, WSU, PE and industrial arts; and Miss Jan Moyer, WSU, English and Spanish.

On behalf of the student body, good luck to all the new teachers in their stay at Fort throughout the coming year.

Date Set For Annual Dance

To better acquaint students, the Boys' League has scheduled their annual back-to-school dance for Sept. 9, from 8:30-11:30 pm in the cafeteria.

Providing live music for the dance will be the Daze of Night. An admission price of 75 cents will be charged, with all proceeds going to the Boys' League treasury. With attendance limited to Fort students, approximately 250 Trappers are expected. Casual attire will be the dress for the evening.

"I hope that lots of people show up because the dance should really be a lot of fun," Boys' League President Don Rash remarked about the coming event.

Female Netters Change To Autumn Competition

Due to a change of schedule the girls' tennis team will see fall action this year. The decision came at a meeting of principals and coaches in the Olympia, Aberdeen South District which took place August 16-17.

This change will provide better weather conditions and more are as for playing. As the boys will still be playing in the spring, the girls will have more courts available for practice sessions

and matches.

Mr. Bill Click will return again as the girls' coach. The first match has been set for Sept. 12 in Vancouver against R. A. Long. With six returning lettergirls, Coach Click hopes to have a JV team and about 10 on varsity.

The first meeting is set for today after school in Room 10 and anyone interested is welcome to attend. Practice is scheduled to start tomorrow.

School Welcomes Foreign Student

By Linda Hunter

Foreign exchange student Venezuelan Tula Rojas's dark brown eyes sparkled as one of Fort's newest Trappers expressed her eagerness to begin a school year in an American High School.

Tula, who recently graduated from the Instituto Escuela, a private high school, comes to us from the modern city Caracas, Venezuela. She is now staying with her American sister, Pam Nystrom, in the home of Mr. & Mrs. Nystrom.

Tula's interests include painting, dancing, playing the guitar, singing, and swimming. She hates small children, the color yellow, and her French poodle. She hates hamburgers, and would rather have hotdogs and pizza any day!

What are Venezuelan boys like? Tula said boys appear in long hair and tight pants, just as they do here!

School in Venezuela differs

TULA ROJAS

only slightly with Fort. Students attend school five days a week, 7:00 a. m. to 12:00 noon. They are allowed twenty days for Christmas vacation and five days for Easter.

After spending the year in Vancouver, Tula plans to attend the University of Caracas. She hopes to study psychology, and Philosophy.

Preparing for the Trapper's first game to be played at the Kiggins' Bowl Friday night is the Trapper team.

Trapper Team Prepares To Take Camas Sept. 8

By Howard Parker

Two weeks ago the loud twee of Coach Gary Boggs' whistle brought a low, savage growl to the throats of forty-nine football players as they began the practice which would eventually lead eleven of them to the field of battle this Friday night against Camas. In releasing the pent-up enthusiasm of a hot summer this crescendo of sound was a mere sample of the fury to be unleashed at 8 pm in the Kiggins' Bowl.

As the elite young men clad in stirring red and white run gallantly onto the playing field, no worthy Trapper will want to miss the splendor and excitement of that first moment.

With pride in themselves, their school, and their ability to be aggressive this year's Trapper football team will be a joy to watch and an inspiration to all, win or lose.

Coach Boggs pointed out that

the Trappers of '67 will have a new look, running from different formations and deviating from they way things were done in the past. The team is very experienced with nineteen returning lettermen, and putting this experience to use, Coach Boggs is confident they will have a winning season.

The line will be strong and aggressive and larger than average. The backs are all eager, and the coaches and all Trappers expect lots of yardage from them. Right now the team is working hard in preparation for the game and the Coach says they are going to continue to work hard. He also reports that the team is picking up the new techniques and progressing very rapidly toward the state of health known as good shape. They've all got lots of spirit and will be ready for the first game.
