**Sophs To Hold Dance, "Snowflake Swirl"; Will Crown Royalty**

The class of '60 will hold their dance "Snowflake Swirl" in the Riley gym, tonight. Tickets are 40c, and will not be sold at the door. As the title indicates, snow is the theme of the dance, and the person entering the gym tonight will see lots of it, through the efforts of the decoration committee. Pam Stout and Le-Ann Cochran are decoration committee chairmen, and Miss Mary Jane Day is faculty advisor.

Music will be by the Belvederes. That is the decision made by Pat Nemeth and her music committee. Mr. Charles Stewart is faculty advisor. In charge of the tickets and finance is Joyce Pahl and her committee, advised by Miss Edith Steele. Refreshment committee chairman is Mary Lou Pulley and faculty advisor is Miss Jean McAlpine.

Persons arriving at the dance will be met by Diane Collier and members of her committee. Faculty advisor to the checking committee is Mrs. Anne Bohan. At the gym, parents and faculty members will be met by members of the invitation and receiving committee headed by Becky Walters. Mrs. Mary Myers is faculty advisor. The clean-up committee, headed by Don Flannery, will take over as soon as everyone is out the door. Mr. Robert Forbes is faculty advisor. Even before the tickets were printed, Yvonne Nevelle and her publicity committee were hard at work making posters and spreading the name "Snowflake Swirl" to 10, 11, and 12 grade students.

The entertainment committee headed by Trudy Smith, and advised by Mr. William Covert, is in charge of the crowning of Susy and Sammy Snowflake. Nominations for Susy and Sammy were made by each homeroom earlier this year, and the sophomores voted on them last Monday. On the King's court are: Dick Goff, Mike Foote, Dick Neiman, Bob Skelton, and Ray Winenger. On the Queen's court are: Pinky Baichly, Peg Dueringer, Pat Erler, Carol Mikel, and Diane Staneck. Susy and Sammy will be announced at the dance. Bill Nelson, sophomore president, will present the crowns.

**Combined Glee Clubs To Sing Next Thursday; Thirty From Riley**

One hundred and fifty members of the Riley, Central, Adams, Washington, and St. Joseph Choral groups will join voices in bringing beautiful Christmas Carols to South Bend viewers and listeners next Thursday. Tune in WNDU-TV Channel 16 at 5:35-6:05 to see and hear these singers.

Miss Barbara Kantzer, School City Vocal Music Director, will direct the group in the thirty minute program which is being sponsored by The First Bank and Trust Co.

This program is being planned to take the place of Christmas Carols being sung during the noon hours in the bank in the past. Too few people have time to listen to the carol group during the noon hour and the switch to TV time is planned to carry on this worth-while activity with more people being able to enjoy the program.

Riley Glee Club members who will sing next Thursday are — Sopranos: Janice Overmeyer, Debbie Thomas, Nancy Rolf, Lillian Porter, Phyllis Hurst, Julie Parrot, Diane Bender, Nancy Priddy, and Margie McPharlin. Second Sopranos: Judy Johnson, Lois Cunningham, Jane Daffinee, and Maureen Mahoney.

Altos are: Marilyn Keltner, Evelyn Skaret, Kay Dickey, Margie Parks, Linda Porter, Joleen Tedrow, Millie Yazich, and Leila Kirkley. Basses are: Bob Mahoney, Larry Zeiger, John Strasser, Judy Stahley, and Ron Newcomer. John Million is the tenor, and the pianists are Beverly Bowers and Judy Horvath.

A special ensemble of twelve girls will do portions of songs and render solos.

Members of this ensemble are Janice Overmeyer, Debbie Thomas, Kay Dickey, Diana Bender, Nancy Rolf and Judy Johnson. Other members of the ensemble are Maureen Mahoney, Lois Cunningham, Jane Daffinee, Marilyn Keltner, Evelyn Skaret, and Marjorie Parks.

Janice Overmeyer will do the solo part in THERE WERE SHEPHERDS A-BIDING. Judy Johnson has a solo in the song, OH, HOLY NIGHT, and Debbie Thomas sings a verse of I HEARD THE BELLS ON CHRISTMAS DAY. The combined ensemble has a special part in ANGELS FROM THE REALMS OF GLORY.

**English Students Write Prize-Winning Essays**

National recognition is being given to three Riley 8A English students whose essays will appear in the Annual Anthology, YOUNG AMERICA SPEAKS — PROSE after being accepted by the National Essay Association.

Lois Baldwin, James Burke, and Suzanne McCombs, members of Mrs. Elbertine Leatherman's English class have been notified that their essays will appear this spring in the Anthology. In previous years some students in Miss Edith Steele's English classes have had poetry accepted for this same publication. The Anthology includes both junior and senior high school material.

Lois wrote on the subject, Teenagers' Problems, James prepared his essay on the subject of Hobbies, while Suzanne titled her essay, Comparison Between Today's and Yesterday's Teenagers. To get acquainted with these nationally recognized students, see them in Mrs. Frances Whitcomb's home room 316. The Anthology may be seen in the library after publication date.

**Honor Society To Induct More Seniors; Will Admit Sophs, Juniors Next Semester**

by Bonnie Bedwell

The National Honor Society was originally started about 1919 by a group of people wanting to honor students for their scholastic achievement. It has continued to develop into the organization as we know it today.

Riley's chapter of the National Honor Society is in the process of obtaining new members. There are sixty-one eligible seniors. Out of these sixty-one students approximately twenty-six will be chosen. Mr. Wolfram, the sponsor of the N.H.S. said the group hopes to induct the new members into the organization some time before Christmas vacation. Sometime next semester there will be another induction for juniors and some sophomores into the society.

At the present time there are thirteen active seniors in the N.H.S. President of the group is Charles Kachel; Vice-Presi-

dent, John Horvath; Secretary, Florence Burroughs; and Treasurer, Margie McPharlin. The other members are: Brian Feingold, Arnie Goldberg, June Mangus, Kathy Ramey, Pat Roelke, Lyn Rubens, Donna Schroeder, Ed Sclamberg, David Swihart.

If a name appears on the list of eligible students and is not accepted the first time, he is still eligible the next time the list goes around to the teachers, providing of course, that his grades still meet the requirements. The National Honor Society Constitution states that if after being inducted into the society, you have a semester grade average below 85% you must turn in your N.H.S. badge to the principal.

The activities of the N.H.S. will include the organization of all the scholastic award assemblies and other duties pertaining to scholastic achievements.

# AFS Seeks Riley Student; Program in Third Year Here

AFS Program "Americans Abroad" by Jane Guthrie

Already the excitement has started among the juniors at the aspect of participating in the program of the American Field Service, "American Abroad."

A candidate for the AFS program must: be at least sixteen years of age by June 30, 1958; have studied a foreign language for two years by June, 1958, and this includes Latin; be a member of the junior class; be a U.S. citizen; have an excellent academic record; be in excellent health; and be a member in good standing of the student body of a school which has an AFS foreign student during the current academic year.

Becoming one of the four finalists, students must have or be able to obtain the following: a physical examination; a health certificate; letters of recommendation and meet all standard qualifications. These applications must be accompanied by the student's academic record; their placement information; a financial statement and a program preference sheet.

### Initial Entry Due December 20

The final application consists of the general personal questions of which several are essays. The deadline at Riley for the preliminary application is Friday, December 20.

The American Field Service is a private, non-profit, educational organization, whose purpose is the furthering of understanding and good will among the peoples of the world. It carries out this purpose by bringing teenage students from abroad to study in American high schools and preparatory schools and to live in American families and communities for a year. AFS also sends American teenagers abroad to live with families and attend school for two to five months.

Under the AFS Summer Program the students live with foreign families for six to seven weeks. This program takes place during July and August.

**Some Teenagers Enter School Life**  
The purpose of the School Program is essentially the same as the Summer Program. But, in addition to sharing the daily life of their foreign families, a limited number of American teenagers will have the added opportunity of entering into the school life of their new countries. The length of this program is approximately five months, the exact time depending upon the country involved.

This year homes will be open to AFS students in several countries of South and Central America, Europe, New Zealand, the Far East, and the Middle East. Students can only state whether they wish to be considered for the School Program only, the Summer Program only, or either program. AFS will then assign students to the various countries according to the number and kind of homes found, and will take into consideration the student's background, interests, languages, etc. Candidates cannot state preference for a particular country.

### Program in Third Year at Riley

In the past Riley has had two people represent them in the program "Americans Abroad." These people were: Aviva Weiss and Florence Burroughs. Riley has also had people from the AFS representing different countries. Among those were: Reinhard Siska and Tara Liisa Vertanen. This year Riley has Rossauro Limbo representing the Philippines through the AFS.

The American Field Service was founded in 1914 as a volunteer ambulance corps and served with the allied forces in both World War I and World War II. Its 4,000 volunteer members carried over a million casualties. The AFS peacetime program of international exchange on the teenage level was founded in 1947; the Summer Program in 1950 and the School Program in 1957.

Hi Rileyites!

Mr. Wolfram has come to the conclusion that he should purchase a special chair for his two little "laughers" in his class. It seems that everyday Mardelle Molnar and Melinda Minor find so many things to giggle about. So Mr. Wolfram figures that the only method to solve this problem is to install a couple of new chairs out in the hall for them. What do you say girls?

O. T. A.

Duane Arick was found eating raisins in 210. Sharyl Barnes is usually well supplied with them, so she furnished them.

O. T. A.

John Odusch seems to have a cozy position sitting on the edge of the wastebasket near 315 talking to Yvonne Nevelle. We all sincerely hope he doesn't fall in. Good luck, John!

O. T. A.

Dave Morris, John Paul, Fred Medich, and John Hadrick seem to enjoy tossing a little football back and forth to each other before home room period in the mornings. It looks like they want to keep in training.

### Try Something Else

The worried patient was visiting his doctor for a check-up.

Said the doctor: "Do you smile at your troubles as I advised?"

The patient replied: "Yes, and the boss warned me three times to wipe that silly grin off my face and get to work."

O. T. A.

Greg Pebble told one of his friends: "If you think it's cold now, wait till you feel a breeze."

O. T. A.

Stomp-stomp-stomp. Bud Edholm had a slow, heavy walk as he went to the front of the study hall to talk to the teacher. When he returned in the direction he came — stomp, again. So some of the fellows setting at their desks decided to make rhythm with him. Bud seemed to become quite aware of his heavy walk then because of the bright shade of red on his face.

O. T. A.

Bells ringing! Shouts of, "Have you given 'Your Fare the Share?' Got your basketball season ticket and your swimming ticket yet? Buy a Hi-Times, Turn in your tickets for 'Old King Cole'. Get your tickets now for the big Sophomore dance soon to be danced, 'Have you 'shared' your Thanksgiving dinner with someone by bringing your 'bit' for the Hi-Y and Y-Teen baskets, 120 sacks of clothing collected for the Good Will Industries, and so it went just before we took a 'breather' for Thanksgiving vacation. When! We're off to a full three weeks before old St. Nick makes his annual visit. You had best be 'good' 'cause instead of the goblins a-gittin' you, old Santa will smack you right off his list if you ain't good, that is.

O. T. A.

Didn't that basketball team go off with a bang against Froebel though? Chuck Grundy looks as if he was on greased skates when he would take off down the floor 'after his man'. Boy! those BB boys sure did stick close to the Froebel guys when they got the ball and try as they would, it was difficult to get the ball away from all those arms and legs of the Riley BB boys.

## Prizes Highly Valued Sacred Possessions Safe

by Sherry Barnes

Nearly everyone has something they value higher than anything else — from little junior to grand-pappy. Some of these "treasures" are worth a great deal materially and others have no money value at all. Although some things have no value as far as price goes there's usually a high sentimental price placed on them.

Gene Arick, a young freshman, has a very practical answer to give as his "most prized possession." Although actually it isn't his very own, it's mighty important to him. What do you suppose it is? Why, his brother's car! Without it, poor Gene would have to ride those awful schoolbuses every day and that can get pretty tiresome, as all Centre Townshipites will heartily agree.

Phyllis Pletcher rates the privilege of attending Riley, "tops." We all enjoy that wonderful experience. Maybe some of us don't rate it as high as Phyllis, but it is a grand privilege.

Sentimental value seems to be the basis for little Arlene Totten's choice. She chose a powder box which was a gift from a boy as her favorite. He must be a pretty special one, Arlene.

Sandy Allison, a junior, had to think for only a minute to decide what she values the most. Her choice was a very good one and I imagine many of us would go along with Sandy 100%. She felt freedom of religion was a privilege she values higher than anything else. I think that's unanimous, Sandy.

A sophomore, Roland Antonelli, felt that his mother was the person he rates as being a very "special" possession. I'll bet she's glad to know that, Rollie.

Janice Glaser, a senior, prizes her snazzy record player right up on top. Included are all her records — from Les Baxter to Elvis Presley.

There wasn't any question in Becky Newberg's mind as to who she values the most. Her answer — a certain senior hailing from 107, Merle Grosvenor.

Susan Rafalski, another pretty freshman, found that there were so many things she just couldn't do without that it was impossible to single out just one. It is rather hard to pick just one — aren't you glad we don't have to?

"I'll be with you as soon as I take my dog for a walk, girls."

## Boys Dislike Tennis Shoes and Knee Socks; Girls Fight Faded Jeans and Untidy Shirts

by Sue Sargent

There is always the problems and discussions as to the type of wearing apparel the high school students should be seen wearing during school hours.

This "don't" on Dave Piser's list is for the girls. He simply hates seeing the girls in tennis shoes and those long dark socks. They just don't go over so well with Dave.

Dora Robinson is on Dave's side concerning the long socks. She also has some advice for the fellows. She wants to see them in flannels instead of faded blue jeans. Dora likes to think of the men at Riley as being dignified.

Now Judy Whitman disagrees with Dave and Dora on this long socks business. She likes to wear them. They look "cool" to Judy.

Dave Richards and Sue Pulley both agree that boys look alright in blue jeans. But with the jeans the guy should wear a nice looking sport shirt and keep the tail tucked in. Dave and Sue definitely outrule the wearing of T-shirts.

Cathie Schultheis is also against boys in blue jeans. She adds that the unbuttoned shirts look frightful. Cathie believes that the moral and spirit of the school would be much higher if the student body would really do its best to keep themselves looking "tip-top."

Lloyd Andrews thinks no one can really say what is right and what is wrong to wear. The students should use their common sense on approval for school. However, Lloyd doesn't appreciate seeing those tennis shoes on girls and engineer's boots on the boys.

Ann Amerpohl has no problems whatsoever when she has on her skirt, sweater, bobbie socks, and saddle shoes.

Carol Halasi feels that the best suited jewelry for school is pearl necklaces, and scatter pins and bracelets that aren't too fancy.

Steve Megyese doesn't find anything wrong with the boy's clothes. He doesn't feel you should worry so much about it. A plain pair of pants and a shirt suits him fine. But watch out, girls. Here it comes again. Those tennis shoes and long socks get knocked down by Steve. He feels like quite a number of other fellows do about the new fad.

### French Club Celebrates Christmas With Dinner; Plan Charity Donation

The annual Christmas dinner of the French Club was held last Tuesday in the home of Sara Place. Approximately 40 persons attended the party, at which a traditional meal was prepared and served.

Leaving immediately after school on Tuesday with advisor Miss Bertha Kiel, Karen Lapekis and her committee, armed with paring knives, traversed to the home of their hostess to start peeling onions for the main course, onion soup. The soup was served with toasted French bread which was prepared by Linda Austin and Bonnie Dye. Sue Clark and her committee created the salad and artichokes were prepared by Diana Bender. To quench their thirst, Dave Nelson and his committee furnished the "wine", which for some reason tasted strangely like soda pop. Dessert was prepared by Charlene Sarka and her committee. All purchase of food were made by a group headed by Sara Anson and included Dave Nelson, Diana Bender, and Miss Kiel.

After the meal was completed, entertainment for the group was furnished by a group headed by Sharol Wolvos and Janice Weiss.

Foreign exchange student, Ros Limbo, who was the guest at the dinner, told how Christmas is celebrated in his native country.

Money which will be contributed to charity, was collected from the members. It was decided at a previous meeting that instead of a gift exchange, as had been the practice in previous years, the money which would have originally been spent would be given to someone who could prosper from the contribution.

An announcement was made that tickets to "My Fair Lady", now showing in Chicago, could be obtained for the clubs' annual trip to that city if they were ordered immediately. Members were asked to sign up if they intended to go. The first thirty-five to pay would be eligible.

Photographs of the group were taken by Mr. George Koch.

### Logan Children Share Xmas Canes, Favors Club To Aid A Family

The Future Teachers' Club, advised by Mrs. Fern Barnett, is planning to make favors for Logan School for Christmas. They will be in the form of Santa Claus heads made out of styro-foam balls. With a candy cane attached, they should be greeted with enthusiasm by all the boys and girls who attend the school.

Members are planning a Christmas party before vacation.

### School Club Members Share Christmas Spirit

Everyone desires to taste the tangy sweetness of some sort of Christmas celebration — whether it is a party, dinner, trip, or charity work.

Riley's club are no exception to this "celebration hunger." The Spanish Club and its colorful pinata (pronounced "pean-ya-ta"); the German Club and its beautiful German carols; French Club and its delicious foreign-style dinner; Latin Club and its festive Roman Saturnalia; all these clubs are able to add spiced pleasure to their celebrations.

Then, of course, there are the gay, vivacious, and exuberant typical-American Christmas parties. The Future Teachers is one of the many clubs who will testify that there is no party quite like a Christmas party.

But what can make one more conscious of the true meaning of Christmas than giving to the needy? Is it not the most excellent of all Christmas celebrations? Hi-Teens, Hi-Y, Future Teachers, German Club, Spanish Club, and French Club are all going to make some family very grateful and cheerful this Christmas with their wonderful contributions.

Yes, parties, dinners, and trips are wonderful ways to celebrate Christmas. But let us never become so engrossed in the worldly meaning of Christmas that we let the heavenly meaning vanish from our hearts and minds.

### Latin Club Plans Festive Saturnalia Program; Various Groups Will Display Musical Talents

Latin Club members, advised by Miss Elizabeth Noble, will once again bring alive the joy and festivity of the Roman "Saturnalia" during the Christmas holiday. This ancient celebration will be given December 20th at the Broadway Evangelical United Brethren Church.

The program will consist of small skits presented by the club officers and various committees of members. They will also be entertained December 18, with music supplied by some of the club members.

John Buchanan, Terry Fiedler, Barbara Morey, and Keith Barbar, will join in together for a trumpet quartet. A brass sextet including Graydon Reinoehl, Terry Fiedler, Mike Mercer, Barbara Morey, Michael Miller, and Harry Bash, will also delight the members with a

number.

Lou Ann Wieand and Sara Yoder will entertain the Latin Club with a flute duet, while Ann Lowery and Judy Horvath furnish piano solos. Linda Sweitzer and Kathy Kreider will combine their talent for a piano duet.

Melodious harmony will be displayed by a quartet consisting of Lou Ann Wieand, Evelyn Skaret, Marjorie Parks, and Phyllis Hurst. They will be accompanied by Bob Mahoney on the piano. Still more duets will be sung by Bob Mahoney and Judy Johnson, and Phyllis Hurst and Evelyn Skaret.

Many other plans are lined up on the agenda of the Latin Club. They include the Club's Christmas charity project which will be the giving of food to a needy family.

### Katy Mertins' Family Host To Spanish Club;

Members of the Spanish Club, advised by Mrs. Helen Brokaw, enjoyed an entertaining day in Chicago last Saturday. They first visited the famous Museum of Science and Industry and afterwards ate lunch at the Inter-National House on the campus of Northwestern University.

Their next stop was the Mexican section of town where they shopped around and ate dinner at the "Mexico Lindo" restaurant.

The Spanish Club also saw a Spanish movie at Notre Dame Wednesday evening.

#### Plans Christmas Party

The Christmas party is to be held at

the home of Kathy Mertins. Mrs. Mertins will prepare the meal which will consist of chile, hot tamales, biscuits, tossed salad, milk, ice cream, and cookies. Spanish Club members will break a "pinata" containing gifts, fruit, and candy, following a Spanish custom. They will also sing Christmas carols.

#### Contributes Food, Clothing, Tree

The Spanish Club will share their Christmas spirit by giving food, clothing and gifts to a needy family of eight children. A tree will be donated by Mrs. Brokaw's class.

### Y-Teens Aid Mother, 10 Children With Home; Many Projects Provide Service For Others

Want some candy? Like to dance? Want to help a needy family? Well, you will soon have the opportunity to do all three. The Senior Y-Teens are busy planning two Christmas projects, the proceeds of which will aid the same family whom they helped last Christmas.

The Y.W.C.A. has told the girls of the Y-Teens that they may keep the proceeds of Goff's salt-water taffy which they will sell.

#### Plans "Holly Hop"

A dance called the "Holly Hop" is also being planned by the Y-Teen members for a benefit for the same family. Don Chivillet from WNDU will be the disc-jockey. The dance will last from 8:00 to 11:00 on Friday at the Y.W.C.A. Donations for this dance is 35c per person. Kay Lee, Patsy Hackney, Angie Wright, Ann Fuller, Doris Gapski, and Delores

Franklin are only six of the members who are selling tickets for this dance.

#### Help Needy Family

Proceeds from both these projects will be used to buy as much material as possible to insulate the walls and floors of the family's home. This family does not have a father and the mother is faithfully trying to support her family of ten on \$200 per month.

#### Build Cement House

The mother, seventeen-year-old boy, sixteen-year-old girl, and fifteen-year-old girl have built a cement block house about 44' x 34' with cement floor. The walls and floors are damp and cold in winter and need insulation. "Holly Hop" donations will be used to assist this family in making their home more comfortable.

### German Club To Carol For German Families; Send Gifts To Bavaria

by Bernice Kerchaert

The Riley German Club is in full step with the festive "Yule Season." They are planning their annual Christmas party, which will be held on next Thursday evening. The United Brethren Church on the corner of Carroll and Broadway is the place where the party will be given. The members and their sponsor, Mrs. Helen Brokaw, will provide a pot-luck supper for the occasion. A play will be given by second year students; also, German games and songs will highlight the evening's activities.

The Christmas season brings other functions for the German Club. One of which is the sending of packages filled with articles of usable clothing and food. Besides the packages, the club sends Christmas cards containing a dollar, in each, to some needy persons in Germany. The recipients of these packages and cards send the Club heart-warming letters of gratitude, showing their deep appreciation.

This year, the German Club sent presents to ten German orphans in Ansburg, Bavaria. These youngsters ranged in age from 8 to 9. There were five boys and five girls. The club bought the children gifts of warm clothing.

Another club activity is Christmas caroling, German style. The club members call on some German families and sing many of their traditional German carols, as Stille Nacht (Silent Night) and O Tannenbaum (Oh Christmas Tree).

### B-Cats Stop Lakeville, Whip Maroons Twice In Five Game Streak

by Louis Swedarsky

Coach Lenny Rzeszewski is all smiles as his B's have a five game winning streak. The B's swept to a 30-19 victory over Lakeville at Adams gym and marooned the Maroons twice 28-26 and 33-32.

Riley took a halftime lead of 17-14. They kept increasing their lead and coasted to a 30-19 victory. It's a tribute to the Riley defense that the Trojans only scored a total of 5 points in the second half. The B's were hot at the free throw line as they sank 12 out of 16 for a respectable 75%. Rodney Sipe led the B's with 8 followed by Jim Cook with 5. Ellison and Davidson each tallied 4.

In the first Mishawaka game, the B's found themselves behind 8-3 at the end of the first quarter but, narrowed the margin to 1, 12-11 at the half. Inspired, the B's took the lead 21-16 and never let go as they racked up their fourth victory 28-26. Bill Nelson was high for Riley and the game with 17. Rodney Sipe was next with 4.

Last Friday, the Cavemen tried to get even. They almost did as the B's almost blew a 10 point lead but the Maroons just missed the boat and were marooned 33-32 as the B's racked up their fifth consecutive victory.

### Wrestlers Take Howe After Loss To Culver

by Bob Lerman

Coach Joe Wojty's 1957-58 wrestling team opened their season with a loss, but to a mighty Culver team at Culver. The Cats then took their second meet by whipping Howe Military Academy.

Riley started their first meet by winning 4 of the first 5 matches. Wood Talcott and Art Floren pinned their boys while Pat Gereghty and Mike Klosinski won on decisions. By a system of 3 points for a decision and 5 points for a pin, Riley had 16 points. This, however, could not last, for the Cats lost the rest of the matches and the meet, 28-16.

The Wildcats then met Howe in a home meet. Riley compiled a quick lead and took the meet easily. The Cats lost only 3 matches and had 6 pins, 2 decisions, and a draw. Boys who pinned their opponents were Art Floren, Arden Floran, Jim Starett, Bill Fuerbringer, Ray McKibben, and Dave Ton. Other winners were Wood Talcott, Pat Gereghty, and Mike Klosinsk, who scored two team points in a draw.

### Cats Edge Cavemen; 53 Fouls Called As Trojans Top Cats, 65-58

by Bob Lerman

The varsity cagers of Coach Bob Biddle split two close, hard fought battles last week. The Cats lost to the Lakeville Trojans at Adams, but then whipped the Mishawaka Maroons, 37-34, at Mishawaka's home gym.

Lakeville struck a hard blow to Riley's prestige in their 65-58 upset of the Cats. It was a see-saw battle through most of the game, especially the first half, which ended with Riley on the short end of a 30-29 half-time score. The Trojans finally built up a six point lead which they never relinquished. With 5 1/2 minutes left in the game, the Wildcats put on a full court press. The Cats pulled within a point of Lakeville, which closed their lead to 50-49. Riley then stayed within four points at 60-56 before the Trojans counted 5 points to end it. Passing was very ragged and body contact was often as the officials called an amazing total of 53 personal fouls. The Cats were also very inept from the field, missing many easy layups. Danny Barnes lead Riley scoring with 18 points, but George Vanderheyden was right behind with 17.

The Cats then traveled to Mishawaka last Friday to meet the conquerers of the Indianapolis Crispus Attucks contest. This was each of the team's first ENI-HSC tilt. Spotting Mishawaka a height advantage, Riley capitalized on faulty ball handling and inept shooting to upset the Cavemen. The first half saw both teams with very dismal shooting. The Maroons shot a poor 10.8 average, but the Wildcats shot only a little better with a 20.8 average. Early in the final period, Mishawaka lead 30-28 and 32-30 before Danny Barnes knotted the score at 32-32. Glen Nevelle broke the deadlock, but it was soon tied by Rudy Kovach at 34-34. Nevelle then put the Cats ahead again with another two pointer. Herman West then finished all scoring with an insurance free throw. Barnes again lead the scoring with 14 points.

### Kittens Undeclared; Down Jefferson, Centre

by Jim Jewell

The undefeated Junior High Kittens have added two more wins, making five in all, and are the only undefeated team in their conference. On December 4, on their home court, they had no trouble with Jefferson, winning 31-15, in a surprisingly easy contest. Riley held Jefferson scoreless until Riley had fifteen points. The halftime score was 19-3. Riley hit a good per cent of their shots, while Jefferson made only 12%. Jefferson fouled nine times to Riley's five.

Coach Harry Lewandowski emptied his Riley bench during the second half and all thirteen boys who dressed saw action, eight of whom scored. These were Sam Kramer, Dave Hendrix, Jim Jewell, Jim Potter, Willie Burks, John Byers, Tom Thompson, and Pat Ryan. Others who played were Bob Chrystler, Jim Hamilton, Charles Hohman, Steve Jones, and Dave Stonecipher.

The Kittens also won easily over the Centre Township Hornets, 42-24, on December 6, in the Riley gym. Nineteen boys were used, seven of them seventh graders. The seventh graders were Bill Adams, Mike Grundy, Dave Stonecipher, Jim Peterson, Chick Daffinee, Pete Sanders, and Bob Sult. Scorers for Riley were Burks, Hendrix, Jewell, Potter, Kramer, Byers, Thompson, Ryan, Hamilton, Hohman, Peterson, Daffinee, and Sanders.

Riley seventh graders won an equally easy victory over the Centre seventh graders, 37-14.

### Cagers Host East Chicago, Meet Clay in Non-Con Tilts

by Bob Bernhardt

Coach Bob Riddle's cagers tomorrow night host East Chicago Washington in a non-conference battle at John Adams. Then this coming Tuesday night the Wildcats play the Colonials of Washington-Clay. This game will also be played at Adams. It will start at 8 o'clock.

East Chicago has a big team with a number of boys going over the 6 foot mark. They have a lot of speed and like Gary Froebel and Gary Roosevelt they are rated a top team in WNIHSC. Although off to a slow start, East Chicago has rebounded fast as their last game was a 55-41 victory over Gary Mann. East Chicago defeated Riley last year by a 53-43 score, but because East Chicago had an ineligible player on their squad their first 8 games, they were forced to forfeit the 8 games including one to our 'Cats.

Washington-Clay, who have been the doormat of County basketball since the days when big Don Schluntz roamed the center post for them, will try to break a jinx that the 'Cats have had over them for three years. The 'Cats have beaten the Colonials the last four times they have met them. Riley won last year's game 64-52. The 'Cats also knocked Washington-Clay out of the sectionals with a 65-48 win. Clay's attack is quite balanced with sophomore Steve Rich, senior Marcus Jackson, and senior Ron Anglemeyer leading the offense. Clay's record stands at 2-2 with two games left before they meet Riley. Their two defeats were at the hands of two highly rated teams. These teams, being Adams and St. Joe.

Coach Biddle, trying to find a lineup that will work, seems to have found one. It is made up of seniors Dan Barnes and Chuck Grundy, and juniors Glen Nevelle, George VanDerHeyden and Phil Grundy. The Wildcat defense has been looting much better than it did previous to the Mishawaka game. The 'Cats have stolen the ball from their opponents quite a few times. The Riley offense is led by Danny Barnes and George VanDerHeyden Barnes, prior to last night's game, has 70 points for a 14 point average and VanDerHeyden has 57 points for a 11.4 point average.

### Frosh Fall To Eagles; Rebound To Top 'Skins

by Darrell Stroup

The Frosh basketball team settled for a split out of the two games they played last week. December 3rd, the Adams Eagles flew off with a 44-40 non-conference game played in the Riley gym. December 5th, it was Riley's turn to come out on a victorious 38-32 skinning over the Goshen Redskins at Goshen. This gave Riley a 2-1 overall record and a more important 1-0 record in conference.

In the Adams game it was nip and tuck up to the first quarter, with Adams ahead 11-10. But in the second quarter, Adams took advantage of Riley who failed to put a field goal try through the net, by scoring 18 points to Riley's 3 which were all foul shots, thus giving Adams a 23-13 half time advantage.

In the third quarter Coach Barnbrook put in a few substitutes. One was Hal Widner who scored 2 field goals and 2 free throws for 6 points. In the quarter, Denny Gray who also wasn't a starter poured in 3 points in the same quarter to put Riley much closer to Adams. These two substitutes turned out to be the two highest scorers for Riley. Widner with 8 and Gray with 7.

The fourth quarter was most exciting when with less than one minute to play, Riley's Dennis Gray was a menace to Adams by sinking a close up side shot to tie the score at 40 and 40. But then Adams sank 2 free throws and a quick lay in to make the final score 40-44. Riley will get a chance for revenge against Adams on January 14th in a conference game.

Visiting Goshen on the 5th of last week, Widner and Gray started and it proved to be a wise decision by Coach Barnbrook, if not at least Riley came out on the long end of a 38-32 count. Widner was again top scorer for Riley with 11.

The frosh seem to be well prepared material wise with a very able first eight players which would at present consist of Widner, Smith, BonDurant, Gray, Barth, Rickel, Perkins, and Johnson.

### Swimmers Open Year; Cats Route LaPorte, Splash Over Whiting

by Tom Lytle

Coach Boscoe Sarenac's swimming team has captured their first two victories over LaPorte 53-33 and Whiting 67-19 during the last two weeks. The team is made up of 'new' swimmers and some 'old timers' from last year's squad who came through with some outstanding performances.

In the LaPorte meet, John Buchanan posted an excellent time of 1:02.7 in his event. Captain Tom Bloom swam the 200 yd. free style in 2:05.9 and was followed by Denny Floden with 1:02.8 in the 100 yd. back-stroke.

This year's new diver, Ernie Oare, captured two first places in the past two meets. John Odusch swam a 1:15.3 in the 120 yd. individual medley against LaPorte and brought it down to 1:14.5 against Whiting.

Both of the freestyle relays won against LaPorte and Whiting while both of the medley relays lost.

The swim meet tonight against Muncie Burreis is at 7:30 in the South Bend Natatorium. The team members and their coach would like to have some cheering 'supporters' to help them get that extra dash across the finish line.
