Students to model in 'Teen-O-Scope' show at Morris auditorium

After tryouts at the Morris Municipal Auditorium for "Teen-O-Scope," featuring "Our World," which is to be presented there, Saturday, May 14, at 11:00 a. m., twenty-two Riley girls were chosen to model.

The Riley models picked were: Pat Miller, Nancy Postle, Gail Howes, Sally Yoder, Lynn Adair, Kathy Hojnacki, Becka Herrmann, Mary Beth Allen, Sharon Csernits, Jill Swanson, Linda Sweitzer, Trudy Kajzer, Carolyn Csenar, Marsha Weinstein, Mary Ann Forsgren, Vicki Haenes, Maria Rozow, Judy Moore, Bobbi Jo Nikoley, Nancy Shinneman, Joyce Lobeck, Karen Holtz.

All the outfits are being donated by the downtown stores and the Downtown South Bend Council, who, in cooperation with the Department of Public Recreation, are sponsoring the all-teen show.

Some Riley boys will escort these models. The girls were selected from the Fashion Classes now and from previous years also, while the boys were chosen through the Student Council.

Riley students, under Becka Herrmann, will design the scenery for the beach scene, which Judy Areen will commentate.

Riley will also contribute three talent acts to be presented between the scenes.

Tickets for the show, which are 50¢, have already gone on sale and can be obtained from any Fashion Class or Student Council member.

Magazines - an educational force

Magazines now more than ever are becoming an educational force in the United States. Students, who perhaps have overlooked this aspect of the mass magazine, would benefit by taking a closer view of the educational values of such magazines as *Life*, *Time*, *Post*, *Newsweek*, *U. S. News, Look*, and *Reader's Digest*.

These are the popular magazines ranging in circulation from somewhat over one million for *Newsweek* and *U. S. News* to about 12 million for *Reader's Digest*. However, if one has the desire, he can find other valuable magazines of not so general a circulation. Among them are *Fortune*, *Atlantic*, *Harper's*, and *Wisdom*, a fairly obscure magazine devoted entirely to knowledge and education.

Consider the *Life* series "The World Around Us," the *Post* series "Religions in America" and "Great Paintings," and the special articles in the news magazines and *Reader's Digest*. For 15 to 35 cents each, one can own these magazines and the other magazines mentioned can be gotten for 65 cents to two dollars per copy. And, of course, they are always available free at the Public Library.

Except for *Saturday Evening Post*, *Atlantic*, and *Harper's* all of these magazines were started after 1920. Except for entertainment, the greatest service of magazines today is spreading of knowledge and the wise student will take advantage of it.

People of the "times"

TARRY BASH
by Johnette Frick

"Asking questions when in doubt about something is one of the best ways to learn." Tarry Bash offers this as advice to underclassmen

One of his personal prejudices is: "girls who stand in the middle of the hall to talk, when they could move to the side."

After graduation, he plans to attend Indiana University and major in music education to become a teacher.

Among his most exciting moments at Riley, Tarry remembers "the band trips and the time we almost beat Central in basketball."

On the subject of going steady, Tarry said: "going steady is all right for anybody if they do it maturely and accept the responsibilities of going steady. It is good, however, to date others instead of just one person."

and agrees that it has helped him throughout high school.

Tarry's subjects are band, sociology, world history, biology, and English.

He especially likes good music and good food (Italian dishes and sea food). He has a record collection and his favorite recording artists are Harry James, Duke Ellington, and Dave Brubeck.

Tarry's activities include serving as an officer in DeMolay and playing for the school band.

As a suggestion for improvement, Tarry says: "More emphasis should be placed on the importance of scholastic standing."

Letters to the Editors

Sick and tired

To the editor:

We are two junior girls who are getting sick and tired of the rude manners of certain junior high people. Every afternoon after 4A lunch hour when we are going to our 4B class, a mob of junior high people come streaming out of one of the rooms on the east end of the third floor. Honestly, if we didn't take cover we'd be trampled to death. They don't care who they push as long as they are the first ones in the cafeteria line. If these students are interested in making an impression with the upperclassmen, they're making it all right—a bad impression!

(names withheld on request)

Minor sports

To the editor:

Why is it that the minor sports around the school don't get the deserved support as our major sports? How can we expect our baseball, tennis, track teams to excel if we as a student body don't support them.

—Jack Davis

The HI-TIMES welcomes letters on any subject. Letters must be signed, but names will be withheld on request. Bring your letters to Room 302 or send them to: The HI-TIMES, Riley High School, 405 E. Ewing Ave., South Bend 14, Indiana.

ON THE AVENUE

by Pat Miller and Georgia Polovina

Hi, Wildcats,

Well, it's that time of year again. Proms, parties—the social whirl is really beginning now to get into full swing. Along with each event we'll be bringing you the names of the couples attending.

O. T. A.

Last week in Mr. Hafner's 4B U.S. History class they were discussing the Marconi invention—the wireless. Mr. Hafner then asked Bruce Bon Durant to give a resume of the early trials of the invention. Bruce's reply: "Well, everything went OK until the wire broke." That's OK, Bruce; we all have a hard day now and then.

O. T. A.

It seems as though Mr. Hafner's class has really had its share of experiences. Last week when Norm Ruska gave a report on woman suffrage, he mentioned the name of Susan B. Anthony. Only he called her "Susie Anthony." Nothing like name-dropping!!

O. T. A.

The following are the lucky couples planning to attend the Junior Prom: Sharon Reinoehl and Jim Bunyan (Adams), John Kosek and Sue Rafalski, Jack Miller and Judy Fiege, Abe Papai (St. Joseph) and Jean Kreskai, Ron Divjak (East Chicago Washington) and Georgia Polovina, Bob Kroft and Elaine Kirch, Dan Riggs and Trudy Hampel, Bill Nemeth and Pam Wegner, Jack Emmons and Karen Ritter, Maurice Krause and Nancy Morris, Tom VanDerHayden and Judy Postle, Bob Bernhardt and Linda Ray, Don Smith and Nela Peterson, Tom Lytle and Gerry Reinke, Jim Perkins and Virginia Kocher, Nancy Singer and Dave Fleming, Mary Spinsky and Jack Steck (Riley alumnus), Nancy Shinneman and Jerry Harris (Adams), Pam Haines and Dave Biddle, Karen Markey (Adams) and Rick Staley, Judy Seward and John Cummins, Jill Haney and Lyle Kollar, Louis Swedarsky and Pam Stone.

Other couples attending "Carousel" are: Joan Traynor and Ed Hickey (Navy), Uwe Waizenegger and Bente Huitfeldt, Bob Ullery and Francis Zimmerman (Lake-worth High School, Fla.), Ronald Van Tornhont and Linda Kolar (Washington), Larry Hostetler and Yvonne Nevelle, Linda Wilson and Dick Weddle (St. Joseph), Cheryl Wist and Larry Wert (Adams), Cheryl Yarbrough and Barry

The Students Speak . . .

by Jill Swanson and Anne Messerly

What is your opinion of the HI-TIMES? What do you like about it and what could be improved?

George Grundy, 12A: "I think that the HI-TIMES is one of the best things that could have happened to Riley. It gives all the information needed by the students, and gives them something to look forward to every Friday. I don't think that the HI-TIMES needs too much improving."

Freshman Paula King enjoys reading our school paper, but would like to have more articles about freshmen. It seems to her there are many articles about other classes, but the freshmen get left out. Paula thinks the pictures add a lot. She suggests more jokes and articles that are "just for fun," so the paper won't be all news and seriousness.

Senior Roland Antonelli believes the HI-TIMES would be improved if more humor were used; jokes and cartoons, for instance. He enjoys "On the Avenue" because it is fun to read, and likes the sports. Also, he feels the subject of "school spirit" has been overworked.

Dave Palmer, 9A, thinks the HI-TIMES "is good for what it is worth." Dave likes to see the pictures of students and events around the school.

Sophomore Sue Barnfield, commented that on the whole the paper is very good. She particularly likes the sports page, People of the Times, and On the Avenue. However, she believes that a wider range of people should be included in On the Avenue.

Michele Minnes considers the paper a very good one. She especially likes "On the Avenue" and most of the selections on the second page. Michele honestly thinks this paper couldn't be improved too much, but she does agree with Bill in that there should be more important school news.

Bill Kruggel, senior, feels that the HI-TIMES is a good paper. His favorite part of it is the sports page. Bill does think that an improvement would be having more

school news, instead of some of the regular columns.

In order to get a more general survey of readers of the HI-TIMES, a poll was taken of the issue for Wednesday, April 13. There were about 15 questioned from each of the four classes.

On page one, the picture of the paper drive and its articles were most popular with readers. Next was the articles about "Annie Get Your Gun," followed by the Junior Prom article. On page two, "On the Avenue" was the most popular. Second was "People of the Times" and third was "The Students Speak." On page three, the most read articles were about the charm class and "Q. E. D." On page four, the baseball article and picture followed by "Cat Tales" were most read. Suggestions were also given for Students Speak questions, and you will be seeing these in future issues.

Band members talk about activities of group

by Carol Huber

An enthusiastic member of the Riley Band, junior Gordon Tolle, enjoys the band because he likes music and because the band gives one a chance to get acquainted with other people. "It's really an extra activity," Gordon explained. "We play at football games, basketball games, and other varied activities."

Gordon plays the trombone and has been playing since the fourth grade. He has been a member of the Riley band for three years.

Among other awards won by him, Gordon recently took first place in the state contest for a baritone solo.

The only regret Gordon has about the band is that it will not participate in the divisions this year. The divisions, Gordon explained, are contests where various

school bands compete against each other. "We don't have enough money to make the trip this year," Gordon said ruefully.

The only piccolo player in the band, sophomore Sue Sweitzer, has participated in Riley's Senior High Band for two years although she has been playing for seven years.

Sue enjoys the band because one meets people, has fun, and learns about music.

Sue also went "downstate" and placed first for her playing.

Sue's suggestion for improvement is that more people back the band. "If more people get behind us, we'll work harder and participate more," Sue said seriously. "This would be a great improvement."

"The band's future plan," she went on to say, "is a Band Concert

planned for May 5th. It will be a pop concert, with newer numbers and a dance band included."

"An overall improvement for all the members of the band is more practice," says sophomore Gary Oman.

Gary plays the trombone and has been a member of Riley's band for two years. He has been playing the trombone for five years.

Gary enjoys playing in the band because it gives him something to do. "It's like a hobby with me," Gary said. "I also enjoy playing in productions. Our most recent play is "Annie Get Your Gun."

Gary has won medals for district and local playing and took second place in the state Band Contest.

"Our main purpose for giving a band concert," Gary said, "is to raise money. Because of our lack of funds, we're unable to participate in the divisions for the first time."

Q.E.D.

By CARL MORRIS

After the lawyer loaned the three sons his horse, they split up the estate as follows: 1/2 of 18, or 9 horses, for the eldest, 1/3, or 6 horses, for the middle son and 1/9, or 2, for the youngest.

But when this was done there was one horse left over (9+6+2=17). The lawyer then rode home on his, the 18th horse, to make out his bill.

Tom Holmes, Linda Phares, Jerry Walker, Don Luther, Tom Frank, Gary Erickson, Jerry Polis, Ray Weigand, Tom Dixon, Melinda Gibbons, Linda Miller, Ron Anderson, and John MacDonald answered the problem correctly.

This time the FREE HI-TIMES will be given only to those who solve all of the problems.

Divide 2 oranges into 8 oranges. Subtract four, and a half dozen from four and a half dozen, and come out with more than nothing.
Divide 6 feet into 24 cubic feet.
Richard and Jack had a contest to see who could eat more cookies. The judge of the contest said to Harry: "Jack ate 199 and Richard ate 200 and won." Why did Harry think that Jack and Richard ate 400 cookies together?

When you think you have an answer to one of the above problems, write your answer and the method by which you acquired it, along with your name and home room. Bring your entry to Room 302 by 3:36 today. Answer without solutions cannot be accepted.

LIBRARY

Fifteen library student assistants from Riley attended the Northern Indiana Hoosier Student Librarian Association Conference at River High School, Hobart, Indiana on Saturday, April 23. The fifteen students spent the day in Hobart listening to discussions and meeting other student librarians. Miss Frances Palmer who is the author of *And Four to Grow On* was the guest speaker. Miss Palmer gave excerpts from her book as part of the lecture.

New officers were to be elected for the Northern Indiana District. Students were to do their campaigning during the morning, and in the afternoon the new officers

were elected. Campaigning from Riley were Mary Ann Sulok, president; Ingrid Hirschfeldt, vice-president; Mary Ann Richardson, secretary; Dorothy Roberts, treasurer; and Becky Christiaens, reporter. Those elected were from Riley, Mary Ann Richardson, secretary and Dorothy Roberts.

FUTURE TEACHERS

Fifteen students from Riley traveled to Purdue last Saturday for the Future Teachers of America annual state convention.

This year Nancy Singer of Riley was a candidate for state vice-president. Nancy was to give a two-minute speech on why she chose teaching as a profession. Nancy also was to tell what responsibilities she would have if she were elected vice-president. Dianna Singleton gave the nominating speech for Nancy.

EUREKA, a Junior Achievement company sponsored by Bendix Products Division, has nearly completed its activities for the Junior Achievement year. EUREKA'S product this year was a lint brush.

Tomorrow the members of EUREKA will tour the Broadcast Center. This tour will be the last activity EUREKA will have as a group. Joan Shorb and Dale Murphy are Riley's representatives in EUREKA.

Bowlers will finish third annual singles tourney tomorrow

By BOB BARGMEYER

The third annual singles and doubles tournament of the bowling league ends tomorrow with the second of two weeks of singles play.

Trophy winners for the doubles have already been announced; singles and all-events (12 tournament games) will be announced here next week and are posted on the gym bulletin board.

Only three individual games of 190 plus were rolled last week. Rick Horvath led with a 199, Dave Fleming fired a 195, and Bob Foor had a 191.

Dave Fleming had high series of the day, and consequently the scratch lead, as he shot a 546 series. He has a big lead over runnerup Bob Foor, who rolled a 495. Foor also rolled his last three singles games and had a 514, for a total of 1009, which gives him the tourney lead, but everyone else has three more games to shoot. Behind Foor come Jim Booth, 485; Bob Bargmeyer, 481; Rick Horvath, 473, and Gary Marvel, 466.

Marvel has a slim two pin lead in the handicap division as he ended up with 562. Horvath trails by two with 560, and Fleming follows by two more with 558. Then come Gill Miller with 548, Chuck Freeland, 545, and Bob Bargmeyer 541. Foor's second series gave him a 573, 1083 total.

These standings are incomplete, because two or three bowlers expected to place high did not bowl last Saturday. These include Dave Bidde and doubles champ Dick Remenih.

Baseballers stop Maroon rally for eighth win in row

CAT... TALES

By BOB LERMAN

Since the baseball team has had such success, many people have become interested in high school baseball. However, it seems that when a Riley fan or any person interested in high school baseball results looks for such results in South Bend's daily paper, it's like looking for a pin in a haystack. What is the reason for such poor coverage?

Some may observe that the daily paper is slightly partial to Central; therefore, since the Bears are perennially much better in track than they are in baseball, more coverage is given to high school track.

Others seem to think that it is easier to cover track meets (and make stories lengthy) than baseball games. This may be true in part but I feel sure that the little effort needed would not stand in the way of the daily paper's staff.

The only other possible explanation is that they print more about track because that's where the community interest lies. This argument seems most fallacious. Any honest observer can see that in almost all cases, high school baseball games far outdraw high school track meets.

It seems to this reporter that our national pastime (even on the high school level) deserves more than a called-in score in an obscure position of the paper. Let's hope the daily paper's sports staff revises its policy and prints the coverage high school baseball deserves.

Kittens fail twice in quest of first victory; Lincoln and Nuner topple the junior high

The junior high baseball team continued to run up against tough foes last week as they were handed their second and third losses of the year. They have yet to win.

The Kittens fell to Lincoln and Nuner. The scores were 6-4 and 7-5, respectively.

A Riley rally in the last inning fell short in the Lincoln game as Lincoln held on for the 6-4 win. The Kittens had scored two in the second but found themselves down 6-2 when the fifth inning began. The rally failed, however, as the Lincoln pitcher, Joe Kramer, struck the last batter out.

Kramer struck out twelve men out of a possible fifteen. Paul Joseph was the losing pitcher for Riley.

The Kittens blew a one run lead in the last inning as they bowed to Nuner 7-5. The game was played at Studebaker Park. Nuner shoved across three runs in the fifth to win the game. The Riley offense was led by Tim MacDonald and Jerry Niemann. MacDonald had a double and a single while Niemann blasted a triple.

John Postle was the losing Kitten pitcher.

Baseballers play five times in four days; Culver twin bill is scheduled for tomorrow

A gruelling five game schedule highlights the next four days of baseball as the varsity squad tries to continue its excellent season.

Tonight Washington's Panthers try to get revenge as they host the 'Cats at Harrison School. The Wildcats edged out the Panthers

6-5 in the previous game. This game is a conference game.

Tomorrow the 'Cats travel to Culver for a non-conference double header. The Riley squad won last years double header.

Monday, St. Joe will visit the Riley "Dustbowl" looking for a win after losing to the 'Cats 6-5 in their only previous meeting of the teams.

Central's unpredictable Bears come to the "Dustbowl" on Tuesday for a loop game. Central topped Washington but lost to Adams in two of this years games. This is an ENIHC battle.

Bees capture three; season record is 5-1

The "B" baseball team knocked off three foes last week as they moved their season record to 5 wins and 1 loss. The Bees topped Adams, Elkhart, and LaPorte. They had previously topped Mishawaka and Washington while their only loss of the season was to St. Joe.

The Bees topped Adams 9-1 as they built up a lead and then coasted to the win.

Coach Richard Thompson's squad romped over Elkhart 11-1 in an ENIHC game. The Bees iced the game with a 6-run fourth inning. Dave Barnes was the winning pitcher. He is now 2-0 for the year.

The B-team rallied for six runs in the fifth inning against LaPorte to grab a 10-3 win. A 13-hit attack led the 'Cats to the win. Dave Barnes led the attack with three hits. He was backed up by Paul Nelson and Dave Hendrix who each had two hits.

The B-team is now 5 and 1 for the season and 2-0 in the Conference.

Trackers drop three; Diamond-boys stop two more opponents; place last in the loop up season winning streak to seven games

The varsity track team was dealt three more losses last week as they fell to Culver, Mishawaka, and Lakeville. Then last Saturday the cindermen failed to score any points in the ENIHC meet to place last in the loop for the second time in three years.

Culver blasted the trackers 94 7/12 to 145 12/12. The meet was held at Culver. Riley took only one first place. That was in the shot put as Tom Mannen won with a throw of 42' 5".

In a double dual meet between Riley-Mishawaka and Riley-Lakeville, the 'Cats absorbed their worse loss of the year and also came as close to winning a meet as they have all year.

The Maroons trumped the 'Cats 96-13. Mishawaka took all the first places, while Riley placed in only seven spots. The other half of the meet saw Lakeville eke out a 57-53 win over the 'Cats despite Riley winning six events including both relays.

The individual winners were Jon Nace, 880 (2:12.5); Rod Sipe, low hurdles (22.8) and the broad jump (17' 8"); and John Everly, 440 (56.3).

Elkhart romped to the loop title for the second straight year. The runner up was Fort Wayne. The 'Cats failed to place in any event while the ninth place team, Washington, had four points.

By BOB BERNHARDT

Two smashing victories by the varsity baseball team this past week put the Wildcats nine in first place in the conference and left the 'Cats with a perfect 7-0 record.

The victories were over Elkhart (10-1) and LaPorte's previously undefeated Slicers (6-2).

Stop Blazers

Elkhart visited the Riley "Dustbowl" a week and a half ago and found out in the first inning they were in for a battle. The 'Cats tallied four times in the first inning on four hits. The other Wildcat runs were scored in the second, fourth, and fifth. Elkhart scored its only run in the second.

Larry Marosz led the Riley attack with a walk, two singles, and a double good enough for four runs batted in. Dave Gapski batted in three runs with a double and a single. Tom Ellison picked up his second win of the season as he yielded only four hits.

The "game of the undefeated" took place last Friday at LaPorte as both squads took 6-0 marks into the game. The game was scoreless until the third when the Slicers scored once on a homer.

Rickel winner

The one run lead grew bigger

until the fifth when the 'Cats bombed the Slicers for four runs. Five singles and a sacrifice bunt accounted for the runs. The 'Cats tallied two more times but the fifth inning was too much for LaPorte to overcome.

Winning pitcher Bob Rickel, who gave up six hits while striking out seven, led the offense with three singles and two RBIs. John Barth, Dave Gapski, and Jim Perkins each contributed two hits.
