National Honor Society induction honors 15 outstanding juniors

N.H.S. inducts fifteen new members; Byers to serve as president

PICTURED ABOVE ARE THE NEW MEMBERS OF THE N. H. S. — Seated left to right are Betty Sousely, Becky Newhard, Susie Sweitzer, Nita Hawley, Kathy Hojnacki, Wendy Lambka, and Jill Swanson. Standing behind them are Dave McKinney, Gail Howes, Sharon Csernits, Judy Arch, John Byers, Judy Areen, Betts Allen, and Duane Tolle.

In a very impressive candlelight ceremony last Friday morning, fifteen juniors were inducted into the Riley chapter of the National Honor Society.

The assembly was planned by the present members of the Society. The assembly opened with devotions given by Carolyn Csenar. Following her, Jim Singleton led the assembly in the pledge to the flag. Then Chuck Shultz, president of N. H. S., welcomed the students and the parents of the inductees.

Other members of the present Society then gave speeches on the four qualifications on which membership in the Honor Society is based. Dave Rodibaugh spoke on scholarship, Johnette Frick on character, Dick Mahoney on leadership, and Millie Delich on service. Nancy Hegreness then explained the symbol of the Society, the keystone.

Mr. John Byers, principal, read the names of the new members and they were escorted to the stage by Greg Comegys, Nela Peterson, John Million, Beverly Stoll, Steve Palmer, and Inese Auzins. On the stage the new members received their membership cards from Nancy Singer, their pins from Kit Lovell, and signed the register with the Society secretary, Carol Wieand.

The fifteen new members represent 5% of the junior class. Another 10% will be inducted next January to make it a total of 15% of the senior class.

The fifteen inductees were Betts Allen, Judy Arch, Judy Areen, John Byers, Jr., Sharon Csernits, Nita Hawley, Kathy Hojnacki, Gail Howes, Wendy Lambka, Dave McKinney, Becky Newhard, Betty Sousley, Jill Swanson, Sue Sweitzer, and Duane Tolle.

Following the ceremonies the new inductees, their parents, and the present members of the Society were served a breakfast, planned by Gretchen Dose, in the school cafeteria.

After the breakfast, the new members met to elect officers for next year. Those elected were John Byers, president; Betts Allen, vice president; Kathy Hojnacki, secretary; and Jill Swanson, treasurer.

Latin Club presents annual Floralia; lilacs and tulips adorn halls

On Thursday, May 18, the Latin Club held its annual Floralia. The Latin Club members gathered at school bright and early that morn and made big bouquets of lilacs and other flowers for every room in the school including the teachers' lounge, the library, the cafeteria, and the janitor's room.

The Latin Club officers, the nucleus of the club, helped make the bouquets and supervised over the proceedings. The officers are: Becky Christiaens, president; Dave McKinney, 1st vice president; Marsha Perkins, 2nd vice president; Dorothy Roberts, secretary; and Larry Tolle, treasurer.

The Latin Club made bouquets for all the rooms and many bouquets for special purposes. A memorial bouquet was made in memory of the boys from Riley who have died in the war. Another memorial bouquet was placed in the front office in memory of Miss Feidler.

Flowers were also sent to homes of Latin Club members who have died. A large "R" was mounted in the first floor hall. The "R" consisted of white lilacs with a background of purple lilacs.

The Latin Club, sponsored by Miss Elizabeth Noble, annually sponsors this event. The Latin Club members arrive at the school at an early hour and arrange the flowers in tins specially prepared for this occasion.

A Senior Class Message

We, the Senior Class officers, are bonded with mixed emotions as we look back on our years at Riley. Many memorable days come to mind . . . the paper drive, the picnic, the proms, and many more. Being the same as the rest of our classmates, at certain times we wish that we weren't graduating; however we also wish to reach our goals in life that lie beyond high school.

It is very hard to give thanks to everyone that has helped our class through these last four years. Dr. Jardine, Mr. Byers, Mr. Olson, and the faculty at Riley have been so instrumental in our development that we couldn't possibly give them all the thanks they deserve.

The five of us wish to thank our fine classmates and true friends for giving us the opportunity to serve them. Each of us has benefitted tremendously from working for our great class, the Class of 1961. We hope that everyone in the class has benefitted as much as we did.

As we entered our senior year, our responsibilities increased to a great extent. They actually made us realize that we had a whole lifetime to live, on our own. There is a great change that comes over one when he reaches graduation that is hard to explain. For this reason, we warn all of the underclassmen to get serious about their schoolwork before it is too late.

Thanks again to everyone.

Students Speak

This being the last column of the year, we would like to give special thanks to our reporters who helped during the year, and to all of our contributors and readers.

Since we had such interesting responses to the following question, we decided to conclude our column this year with these interviews. The question was: "What subject or subjects would you like to see added to the Riley curriculum?"

Larry Tolle, 10A, feels that the addition of Russian to our curriculum would be very beneficial. By taking this language, we could learn about and understand the meaning of Russian customs. In addition, by being able to comprehend the language, we could gain much from their scientific material.

"I would like to see a course dealing wholly with Ancient History, and another with Medieval History," voices junior **Betty Sousley.** "In World History, a full picture cannot possibly be given. There is not enough time in one year to cover everything thoroughly. A better knowledge of these periods could give better understanding of later ones. A course in Current Events would be very helpful for all—even one day a week. Homework, of course, could be reading the newspapers, and watching news broadcasts on TV. This would bring a greater awareness of what's going on in the world today.

Kingston, Arlene Totten, and **Diane Kitley.**

Becoming an Airline Stewardess or working along this line are the plans of **Patricia Carroll Bilheimer, Sharon Maddin,** and **Rosemary Kestner.**

Going to Art School

Nancy Crawford, Don Nelson, Carol Burkle, and **John Paeg** plan to attend Art School.

Attending a Beauty College or working as a beautician are the plans of **Sara Leopold, Ruth Joseph, Barbara Sue Bickel, Judith Fiege, Sharon Hanna, Brenda Dry,** and **Liz Wasoski.**

John Buytas, Jerry Hogan, and **De Von Paczkowski** plan to attend Barber School, while **Karen Johnson, Ron Van Tornhout,** and **Tom Bonk's** plans for the future are undecided.

Linda Suter and **Janice Megyese** plan to enter a business career. **Susan Bell** will work at the Medical Foundation, **Larry Jennings** will become an Architectural Draftsman, **Bill Nemeth** plans to attend a General Motors Institute, **Dave Cox** and **Don De Volder** will take an apprenticeship course in tool design, **Pat Sweeney** will enter Chef's School, and **Bruce Gerwig** will become a machinist. **Don Wasio** will enter auto engine and body work, **George Leach** will become a mechanic, **Barbara Harman** will work with floral designing, and **Dick Divine** will enter accounting or CPA work.

Will Marry

Marielle Wenman's and **Judy Martin's** plans after graduation are marriage.

Charity Hartman, Nancy Lukavich, Linda Howard, Kathy Peebles, Janet Kaczorowski, Judie Rollins, Dale Houser, Mary Bertolan, Susan Rafalski, Marilee Schafer, Rae Schreiner, Cherie Strong, Ron Kronewitter, Sharon Heilman, Susan Toth, Richard Danner, Pat Arthur, Jim Clark, Karen Brother, Brenda Royce, Everett Kalwitz, Mary Lou Hesser, Sandy Hostetler, Don Lang, Rich Nyikos, Joyce Martindale, and **Karen Harris** all plan to work after graduation.

O.T.A.

But now to the serious part of our column . . .

It's that time of the year that we've all been looking forward to and yet have been dreading. After school on Wednesday it's all over for the seniors and the other kids have only about one week after that. Soon, the glorious summer vacation will be upon us.

This is really a sad time for both of us because this is the last column of "On The Avenue" that we will ever write. Gosh, it's going to seem funny not to be rushing around trying to meet deadlines while our editor, **Bob Bernhardt,** is tearing his hair out! Seriously though, we're really going to miss it. We've enjoyed bringing you the latest gab from the halls of dear old Riley, the steady couples, the funny incidents, and even the not-so-funny incidents. We hope that our column has been both interesting and entertaining to all of you because we've tried to make it that way.

We'd like to thank **Miss Wyrick,** our advisor, for her expert guidance, **Bob Bernhardt,** our editor, and all of our reporters . . . without their help there would have been no second page. Best of luck to all of you next year and now Good By!

A Poem for Seniors

IF

If you have learned mistakes are ways of learning
That all will make, that teachers are your friends,
That they are best when they are most demanding,
And that your education never ends;

If you have learned that grades are rings on targets
Put there to help you really meet the mark,
And that if you're a cheater you're the cheated
To turn from truth and light to choose the dark;

If you have learned that facts are the tools of learning
To help you think, that judging is your aim
—To find the facts, then weigh in balanced measure
And to count that good which has the better claim;

If you have learned that rules were made for reasons
The purpose being that they will help us all,
And that the heart of youth will have its seasons
And like tides of spring will rise and fall;

If you have learned to laugh, but not at others,
And to be clean in body, soul and mind,
If you have learned that you best star in teamwork,
And most of all the gift of being kind;

If you have learned that you must serve to master
And having mastered, then you owe your best,
If you can smile when you have met disaster
And start to work again with greater zest;

If you have found all men are really brothers
And that together we must rise or fall,
That he who does the most in helping others
Is at the last the greatest of us all;

If you regard your promise once it's given
As sacred as an altar's holy flame
And treasure most of all things under heaven
Your self-respect as well as your good name;

If you have learned that error's often lauded,
That truth is very difficult to find,
You will have earned that coveted diploma
And what is more, you'll have a well-trained mind.

HI-TIMES to change personnel; new editor-in-chief, Anne Messerly, announces her staff

Great changes will come over the HI-TIMES staff next year as the present staff loses an editor-in-chief, five out of the seven page editors, members of the business staff, several reporters, many salesmen, and the greatest loss of all, the advisor.

The 1961-62 editor-in-chief, Anne Messerly, announces that her staff will be made up of the people explained in the following paragraphs.

Page editors will be as follows:

Wendy Lambka, and Dave Murray.

Two sergeant-at-arms were chosen from a list of eight. They were: Bill Bernhardt, Joyce Lobeck, Rick Peli, Char Mominee, Frank Nevelle, Susan McCurdy, Mike Hosinski, and Davine Preger.

At the next meeting the officers were chosen from these nominees. Those elected were: Chuck Hickok, president; Kathy Hojnacki, vice-president; Jill Swanson, secretary; Wendy Lambka, treasurer; and Bill Bernhardt and Davine Preger, sergeant-at-arms.

"I nominate, . . ." "I nominate, . . ." "I nominate . . ."

No doubt everyone heard these words repeated again and again last summer in the election of the President of the United States, but even more important is the present election, that of senior class officers.

Campaigns were heated in the past few weeks and the candidates were determined to make much confusion.

One person in each homeroom was nominated for each of the offices (president, vice-president, secretary, treasurer, and social chairman) and the lists submitted to the office to be compiled into a master list of all the candidates. These candidates were then voted upon in the homerooms and the

first page, Rebecca Newhard and Susan Sweitzer; second page, Jill Swanson and Carol Huber; third page, Susan May and Tom Holmes; and sports page, Marc Carmichael.

Riley contributes two soloists for city-wide vocal Music Festival

Riley was well represented in the annual Choral Music Festival presented by the four city high schools at John Adams. Riley's contributions to the performance were one hundred glee club members; a small group from the freshman chorus; soloists Mike Medich and Nancy Nall; and accompanists Linda Ray, Sherrell Palmer, and Judy Areen.

The guest conductor for the evening was Mr. Don Craig, head of the vocal music department at Ithaca College, Ithaca, New York. The highlight of the program was a group of songs from a well-known musical. While the chorus sang them, they were staged by Mr. James Lewis Casaday.

Miss Barbara Kantzer directed the entire presentation.

We wish Miss Wyrick much luck

MISS BESS WYRICK, retiring advisor to the HI-TIMES, talks over plans for the last paper of the year with Editor-in-Chief Bob Bernhardt.

this spring, but will be employed at Roann, Indiana. Next year, she will be happy to see her friends in her new home where she will live the year around.

For anyone who would like to keep in touch with Miss Wyrick, her address will be:

R. R. #1
Lukens Lake
Roann, Indiana

During Miss Wyrick's career at Riley, she has taught business education, although she was also a former English teacher. At the same time, she has also been indispensable as the HI-TIMES faculty advisor. Her encompassing knowledge of all phases of the HI-TIMES has made her an invaluable aid to every staff member.

She has made a paramount contribution to the field of journalism by influencing several staff writers to major in that field. Her inspiration is further exemplified in David Puterbaugh, a former HI-

61ers see classmates as politicians, dancers, financiers, elevator men, swimming teachers

By GENE KAMIŃSKI

Can you see yourself selling T-shirts? Well, **George Gerencser** surely can, and not only that, but he plans to have his hair curled by **Don DeVolder**, a beautician.

Ruth Joseph sees **Beverly Habbitzel** as a hillbilly folk singer. And speaking of warblers, Ruth imagines herself as a chicken hatcher for the S.B. hatchery. Love must be in the air; first, **Brenda Dry** imagines herself as a director of a "Lonely Hearts Club," **Chuck Keiser** is going to try hard to be a professional lover. Perhaps, **John MacDonald**, who is thought of by **Sandy Hostettler** as a marriage counselor, will help them out.

Folk Singer

Melvin Jackson seems to have won the nomination for #1 ballet artist! At least **Carol Corley** and **Carol Gerard** think so. And Melvin will have a whole string of pupils to teach too, because **Denis Daurer**, **Nancy Halasi**, and **Alton Sanders** in that order, can see **Denny Darrow**, **Tom Finney**, and **Dave Gapski** as such. But hold on, **Beverly Stoll** is determined to break up this boysome trio, by seeing herself as a, and I quote, "a graceful ballet dancer." **Sue Vickery** seems to be in hot water, as she sees herself as swimming instructor at Alcatraz Federal prison.

President of U. S.

On the more important side of things, **Cherie Strong** sees herself as either President of the U. S. or a bartender. With **Tom Wrasse** picturing himself as a martini-glass washer, she might have an assistant. **Cheryl Bollenbach** is going to have that run-down feeling if she insists on selling pretzels in a New York subway. **Jim Singleton** sees **Steve** (Cheroot) **Coffman** as a Wildroot Cream Oil Charlie.

If you see a flying submarine one of these days, don't be surprised. With **Dennis Miller** selling them to the Air Force, anything can happen. Limited to smaller items, **Denny** sees **Kathy Behrenbruch** as an insect collector (especially spiders). What bravery! **Arlene Totten** pictures herself as a floor scrubber and a pro gum chewer. What a sticky occupation! **Pat Ulloa** will have to be pretty speedy to carry out his plans of being a soccer player. But maybe **Sandy Vanderhagen** can persuade **Cherie Zeiger** to help him out.

Seniors express philosophies

By DARRELL STROUP

What is your philosophy? The following seniors express their philosophy or outlook on life.

According to **Dennis Miller**, life is as great as you make it. **Bill Kruggel** agrees that life is what you make it and adds, "The time you waste is that much less of your life gone. Time seems to go faster every year so the time to make your plans is now." Perhaps as **Judy Seward** says, "Don't put things off until tomorrow, do them now."

Smile always

Judy Postle comments, "Smile, smile, smile." What can all this smiling mean? "A smile can mean as much as a million words," answers **Sharon Schrader**. In fact, **Sandy Tansey** says, "I feel that a smile is the most valuable asset that a person owns and should be put to use often."

Mike Medich writes, "Try to live each day as full as possible, and as if it were your last day." **Raymond Zernich** concludes, "It just may be your last."

Says **John Papp**, "I'm a firm believer in Epicurean Philosophy (devoted to pleasure)." **Jerry Hogan** adds, "I hope to be able to afford some of the luxuries in life." **Mary Lou Hesser** sums it up with one word "Fun." "Do your best for yourself and for other people," says **Larry Jennings**.

Be friendly

Judie Rollins comments, "I think people should always be friendly to everyone and never feel themselves superior. I feel that nobody is good enough to class themselves above everyone else." I believe

Cherie sees **Sandy** as owner of a large cattle ranch. That's enough room to practice; don't you think, Pat?

Mr. K. as tennis man

Some of the hearts yearn toward N. Y. At least that's where **Nancy Stitzel** and **Karen Brother's** hearts twitter as they plan **Christine Balough** as a Rockette in Radio City, and **Mary Ann Kerry** as an elevator operator in Henry Hudson Hotel—N. Y. Do you think **Nicky**—that is, **N. Khrushchev**—will learn to play tennis very easily? Well **Jim Lewallen** plans to persuade **Ray Zernick** to teach—#1 illustrious comrade. And **Jim** is going to help foreign relations by making good conduct medals for the Russian Army. After Berlin they need them.

It looks as though the HI-TIMES is going to have competition—**Christine Balough** sees herself as Editor of the newspaper, "Bowery News." Well, Indiana just might have a female senator in the upcoming years. At least **Janet Engles** sees herself as one. **Bill Scott** and **Carolyn DeMaegd** ought to get together. **Bill** plans to be a Wall Street financier; **Carol** pictures herself as one big-heep owner of a seat on the Stock Exchange with **Mr. Campbell** as advisor.

Dancing instructor

I don't know whose attention **Becky Czar** is trying to get now, but she is really going all out. She thinks she might be a railroad flag man. **Hal Widner** suggests that **Bob Bernhardt** be an Arthur Murray dancing instructor; while **Becky** takes an even broader view; she dares **Rosie Synave** to be **Fred Astair's** dancing partner. As for politicians, we have plenty of those too.

Kit Lovell predicts that **Bill Scott** will be National Chairman of the Republican Party. **Nancy Singer** doesn't seem to see eye to eye with her. Her views on the Democratic Party seem to imply, however, that it needs a new chairman too. If she was voting, she might pick **Louie Swedarsky**.

Charlotte Downey is seen as winning a no-fare trolley from downtown to Notre Dame. **Gregory Lynn Comegys** lists two people in a dangerous occupation. The people: **Dale Houser**, **Nick Bradley**. Their occupation: ace crow-hunters for the Clyde Beatty circus. **John Balha** can sum his career in one simple word—THINKING.

that everyone who tries or puts forth an effort can obtain his goal and also if we try to be friendly and be ourselves people will always be able to recognize you for what you are," says **Lin Wasoshi**. Similarly, **Guy Chapman** states, "I believe people should be what they are, and not like someone else."

Several students stated the golden rule, and **Lee McCutchan** wrote, "Be good to others and they will be good to you." **Nela Peterson's** version is, "Do something nice for someone everyday."

Be helpful

What are the best virtues to follow in your relations with other people? **Becka Hermann** says, "Truth, friendship, and love." **Janice Black** writes, "Always be helpful, kind, and considerate of others; you will be justly rewarded." **Mary Ann Forsgren** states, "I think everyone should take the time to help his friends. In this way, you may receive the gratitude and friendship of others and you feel good inside." **Bill Nemeth** says, "Try to be a friend to everyone you meet."

"Kindness is a virtue money cannot buy," says **Dave Fitz**. "The best things in life are free; appreciate them," says **Susan Toth**.

Other philosophies include, "Know yourself," stated by **Doug Bohs**. Also, "Plan pessimistically, think optimistically," writes **Chris Carroll**. Then, there is always the saying, "If at first you don't succeed, try, try, try again." **Ray Hayes** says, "If you don't make it the first couple of times, keep trying."

Most seniors contend they would study more if they were to start over as freshmen

By CLAUDIA BURKS and SANDRA DAVIS

The seniors were asked what they would do different if they could start high school over. Here is what some of them said.

"I think I would try harder," says **Larry Jennings**, "although it is easier to say than to do." **Sharon Hanna**, **Pat Auther**, and **Charity Hartman**, all say they would plan their subjects better and study a little harder. **Tom Finney** says he might study a little harder but not change it greatly other than that one thing.

Study harder

Chris Carrol says he would do absolutely nothing. "I would contact some intelligent senior," says **Rick Mahoney**, "and have him help me plan my next three years' schedule." **Steve Palmer** said he would try to improve his reading skills and vocabulary. "I would study harder and plan ahead for the future," say **Connie Richards** and **Don Nelson**. **Doug Bohs** says he would participate in more activities.

Kay Kudlaty says she would learn to appreciate people for what they are; and she, like all the rest of the graduating seniors, would study a little harder. **John Million**, **Dave Fitz**, and **Don Wasio** would join more school activities. "I would take more math and foreign languages," **Evelyn Kammerand** said.

Wouldn't fool around

Frank Varga says he would try to do a lot more work and less fooling around. "My advice is less skipping and more studying," **Jim Goodwin** points out. **Ralph Carney** would like to take more math and science if he had his freshman year to relive.

Cherie Strong, **Manning Fish**, **Elaine Kerch**, and **Maurice Krause** said if they had their freshman year to do again, they would join more activities. **John Barth** states that he would and promises that he would pay more attention in

class and do all of his own homework. **Sandy Tansey** wants to work harder, since good work isn't enough, you have to do your best.

Take tougher classes

Nancy Morris, **Tom Lytle**, **Louise Koontz**, **Rick Katchel**, **Virginia Freund**, **Gary Gearhart**, **Judy Skiles**, and **Paul Trost** only wish to study much harder. **Jim Perkins** would like to take tougher courses than he did because his freshman year was a pushover. "Worry less about what others think," says **Linda Gragg**, "as long as I know what I am doing is right."

Kay Place wants more than anything else to study harder because she knows that the colleges aren't satisfied if you wait until you are a senior to begin studying."

Seniors seen in absurd careers

By ANNE MESSERLY
Can you imagine **Kay Place** as a judo expert? **Richard Danner** can! You have or will read what our senior Rileyites seriously plan to do. On the lighter side, many of them can imagine themselves or classmates in very absurd(?) careers. Read on!—who knows, maybe some of these ridiculous predictions will come true!

Ft. Lauderdale appealing
Judy Postle, Nick Bradley, and Richard Parker all can see **Bill Scott** as an avid Democrat—even National Chairman of the party. Could be! **Tom Boyden** can see **Gary Marvel** selling guided tours to Fort Lauderdale, and **Judy Beyer** imagines herself as a traffic cop in the same city. **Jim Perkins** imagines himself as a year-round lifeguard there.

Dave Cox can visualize **Jan Megyese** as gym instructor at Notre Dame, and **Judie Rollins** sees herself in the same position. Along that same line, **Mary Ann Kurz** sees herself as a football coach at Notre Dame, while **Doug Bohs** imagines **Virginia Freund** as instructor of a boys' gym class. **Doug** sees himself as elevator operator in a one-story building.

A pickle packer
Some seniors see themselves in these ridiculous positions: **Chuck Schultz** a home economics teacher, **Dave Fitz** dean of St. Mary's Acad-

nice **Megyese, Jean Kreskai, and Becka Hermann.**

Karen Brothers' biggest thrill was visiting New York and Washington, D. C. on the SENIOR TRIP.

Just going on the SENIOR TRIP was a big thrill for **Liz Kingston, Judy Affeld, Mary Lou Hesser, and Charlotte Downey.**

Susie Kimmel's biggest thrill was the whole SENIOR TRIP, but the last night was the real blast for her as well as **Dave Fitz** and **Manning Fish.**

Winning contest
Bob Lerman was thrilled in placing first in the Purdue Extemp Speaking Contest.

Barbara Kenady's, Nancy Shinneman's, Andrea Barber's, and Elaine Meyers' biggest thrill was being on the Riley-Adams Basketball Court.

Senior Day seemed to be a thrill for **John Page, Nancy Shelton, Celine Parker, Marcia Ramsbey, Susan Toth, and Rosemary Synave.**

Just graduating will be an everlasting event for **Bill Nemeth, Judy Smith, Connie Rupert, Barbara Bickel, Richard Parker, Linda Howard, and Sharon Heilman.**

emy, Bill Cummings packing pickles in an olive plant, **Everett Kalwitz** a sewing teacher, **Larry Jennings** dean at a girls' college, **Louis Swedarsky** a Metrecal salesman, **Sharon Madden** writing an Ann Landers column, and **Janet Shields** a driver in the Indianapolis 500.

Sharon Hanna imagines herself selling refrigerators to the Eskimos, while she can visualize **Liz Kingston** being bus driver for the senior trip. **Gerry Reinke** imagines **Linda Wach** in this same occupation. **Jerry Randall** imagines **Curt Thompson** teaching gym in the WACS, while he imagines himself helping **Curt** out!

Social director
Jim Perkins thinks **Bob Bernhardt** would be an excellent actor playing **Brigitte Bardot**. Do you? **Kay Place** seems to think she would make a good baseball scout for the Cubs. **Lloyd Morey** sees **George Leach** as social director in Havana; **John Bujtas** sees him as a Romeo in the motion pictures. Quite a contrast!

Quite a few Rileyites can visualize themselves as teachers. **Barbara Sue Bickel** sees herself as a Notre Dame professor. She sees **Jan Megyese** and **Elaine Myers** as students at Annapolis. **Ralph Carney** imagines himself a Riley physics teacher, and **Don Smith, Jim Singleton, and Bob Lerman** as Pinkerton agents at Purdue. **Joan Brennan** can imagine herself a Physical Education teacher, and **Mary Spinsky** sees herself as a Physics teacher at Rose Polytech. Do you believe **Nela Peterson** would make a good driving instructor? **Linda Sweitzer** seems to think she would.

Fraziermen close out best year since '47; drop meet to Adams

By GARY ERICKSON

Coach Paul Frazier's cinder Cats closed out a very successful season despite a loss to Adams in the last meet. The over-all season record was seven wins to only two losses. This season record is the best record since 1947. The 1947 team was the only undefeated team in the history of the school.

Bow to Adams

The final score of the Adams meet was 71 to 38, but the cinder Cats had some very fine times. At the head of the list was a 51.9 for the 440-yard run by John Everly. Mike Turnock won the mile in a fast 4:40.5. Following close behind to sweep the mile for Riley were Jon Nace and Chris Carroll finishing second and third. Other winners for Riley were Jon Nace, Greg Gluchowski, Rick Mahoney, and John Everly.

For the first time in eight years the cinder Cats downed Central's track team in a dual meet. The final score was 68 3/4 to 40 3/4. Coach Frazier's cindermen won six individual events, tied in another and won the mile relay in copping the meet. In the mile run Mike Turnock and Jon Nace finished one-two. Lee West won the 100-yard dash and the 220, John Everly took the 440, while Jon Nace won the 880.

Gleason wins

Other winners were Tom Gleason in the pole vault, the mile relay team composed of Greg Gluchowski, Jone Nace, Dick Mahoney, and John Everly, and Bill Adams, Tom Gleason, George Guschich, and Felix Curtis of Central all tied for first in the high jump.

Barnbrook's golfers turn in fine performances at sectional

Simpson's nine earns second place tie with 5-3 conference mark

Finishing their conference season, Coach Doug Simpson's varsity nine gained victories over LaPorte and Goshen, but bowed to Michigan City, Thursday, the Wildcats, with a 5-3 Eastern Northern Indiana Conference mark, earned a second place tie with LaPorte and Michigan City.

Stop Slicers

In a big loop contest two weeks ago Wednesday, Bob Rickel slammed the door on LaPorte's Slicers with a fine 5-0 shutout. Bob Foor drove in the first run off star Slicer hurler, Ron Reed. The Cats added two more in the fifth to knock out Reed. Then Bob Whorwell was the Riley victim of two final insurance markers.

Next, Riley was upset by Washington-Clay at Riley the following day, 4-2. After Moe Krause was solved in the first for three tallies, Frank Nevelle relieved and turned in 6 2/3 innings of good work. Nevelle also banged out a long homer in the second.

Lose Extra-inning Contest

Traveling to Michigan City two weeks ago, the Wildcats were the victims of the Red Devils in a hard-fought ten inning contest. Hal Widener went the route, allowing only two runs, but neither was earned. After City got a run in the first, Dave Gapski drove in the tying run in the sixth. An error, a stolen base, and a single were the Red Devils' method in scoring the winning tenth-inning tally.

Stop Elkhart

Closing out the regular season, the Cats, in a make-up game at Riley a week ago today, edged Elkhart 6-5. Widener went the route but was touched more than usual. The Blazers scored two unearned runs in the second, but Riley came back with two.

In the fifth, Elkhart pushed over three runs; but again the Cats tied it, Jim Niemann getting a key bases loaded single. Jim Perkins drove in the winning run in the sixth on a sacrifice fly which scored Foor.

Divot-diggers finish up season at state meet; place second in LaPorte Invitational

Coach Don Barnbrook's golfers all but wound up their season these past three weeks as they split two meets with Elkhart and

competed in the LaPorte Invitational and Sectional.

In winding up their dual meet season, the divot-diggers first whipped Elkhart, 10 1/2-4 1/2 at Elkhart, May 9. Elkhart's all-around athlete, Steve Bell, and Riley's Jim Jewell tied for medalist honors at 72. Bob Beck fired a 78 and Skip Helm an 82 in the contest.

Bow to Elkhart

One week later, however, the Wildcats dropped their fourth meet of the season to these same Blue Blazers, this time on the opponents' home course. Steve Bell was again medalist, leading his team to a 9-6 victory. Bob Beck was low for Riley, carding an 80. Jewell was next with 81.

On May 12, the Barnbrook crew competed in the LaPorte Invitational which LaPorte won with a 308 team total. Riley grabbed runner-up spot, however, finishing six strokes behind the host team in a 314 effort. Lebanon was third with 317. Beck was low for the Barnbrookmen with a 75, followed by Jewell, 76; Jim Peterson, 80; and Helm, 83.

Place second

Last Friday the golfers placed third in the LaPorte Sectional. The Slicers, a gross misnomer, again won their own sectional. Carl Fischer led the host team as he fired a record four under par 68 to help his teammates to a 302 total, also a record. Lew Wallace of Gary placed second with 318. Of major interest to Riley fans, however, was the Wildcats' third place finish (327) in the contest. This enabled the Barnbrook crew to compete in Saturday's State Tournament at the Coffin Course in Indianapolis. To do this they had to beat out 38 other teams in this Sectional. Qualifying for Riley were Jewell, 79; Beck, 80; Helm and Peterson, 84. The divot-diggers' final season mark was 7-4-1.

Track lettermen given their varsity awards

Ten members of the 1961 track team have been designated by Coach Paul Frazier as recipients of their varsity awards. Nine chevrons and one sweater are to be awarded to four seniors and six juniors.

Winning second year chevrons are Ed Bogart, hurdles; Tom Mannen, shot put; Jon Nace, mile; John Everly, 440; and Tom Gleason, pole vault. First year chevron winners included Mike Turnock, mile; Steve Zeiger, 220; George Guschich, high jump; and Lee West, 100. Cris Carrol received a monogram sweater.

The track team closed its season with a third-place finish in the city track meet. Mike Turnock won the mile for Riley and Tom Gleason tied for first in the pole vault.

CITY TOURNNEY

Central 2 — Riley 0

The 'Cats finished the year with a 11-9 season record and a 5-3 conference record. They finished in a tie for second place behind Central.

Bob Foor won the batting title with a .397 average. Dave Gapski was second with .374.

Kittens wind up year; beat Madison, Oliver; finish with 2-4 mark

Coach Dick Katis' Kittens wound up their season last week, defeating Oliver 8-4. The kittens finished out with a 2-4 record. Although the team had fairly good material, the present lack of diamond space proved too great a handicap to the junior-high crew and therefore they lost games to weaker competition. Practices were held at 6:30 a.m. and during the noon hour.

The Katis crew dropped their opener to Jefferson by a 3-2 count. They then proceeded to lose to Lincoln in another tight contest, 1-0, before winning their first encounter from Madison in a 4-0 shutout.

The Kittens then dropped a 7-3 game with Nuner and a 6-4 contest again Monroe. The Junior Hi wound up their season on a winning note, however, as they whipped Oliver, 8-4.

Throughout the season Jay Crowley was most consistent pitcher for the Kittens. Paul Joseph played well defensively at first base as did Richard Snyder at the catching spot. Larry Bennett played an excellent left field for the Katismen and Dick Singleton took care of the shortstop end of the operation.

Bees close out short season with 2-5 mark stop Eagles, Maroons

Coach Dick Thompson's frustrated B-team finished a small schedule with a 2-5-1 record. The team, plagued by the fact that it didn't have a diamond on which to play home games or practice, was a victim of circumstance.

In three of their last four games, the Bees looked like the conference contenders they probably should have been. With Dick Newport going the distance, Riley toppled Adams, 9-3. Starting right out with five runs in the first two innings, the Cats were in control all of the way.

Next against Mishawaka, Larry Puskas hurled ten fine innings, allowing only two unearned runs in the fourth. The Bees picked up single tallies in the first and fourth, but couldn't push over the tie-breaker. The game was called after ten innings.

After being knocked off by Central 16-2, the B-Cats suffered a heartbreaking defeat at the hands of Michigan City. Here, the Cats scored two quick runs in the first but the Red Devils also came back with two.

In the fifth, Bob Sult accounted for three runs on a long triple. But three errors in the bottom of the fifth cost Riley the victory as City came up with four runs and the 6-5 win.

CAT... TALES

By BOB LERMAN

The Riley sports year again draws to a close on a happy ending. Although this year's spring weather has been the worst in many years, all three Riley spring squads have turned in fine performances.

C. T.

The tracksters, (the nickname which Coach Frazier donned his boys) have surprised just about everyone turning in an excellent 7-2 season mark, the second best in Riley history. By and large, this performance has been due to team effort, not simply the efforts of a few stars.

The team, however, did have its standouts. John Everly, the most valuable track team member, led the Cats with his fine 440 efforts. In the mile, it was ENIHSC champ, Make Turnock who did a standout job. Mike was named the most improved team member.

Congratulations also to Mike and John for their being elected team captains.

C. T.

The golf squad, led by Jim Jewell, turned in a 7-4-1 dual meet record. This was good enough for them to tie for second in the ENIHSC.

Placing second in the LaPorte Invitational and competing in the State Golf Meet were the high points in Coach Don Barnbrook's second season.

C. T.

Even though Coach Doug Simpson's baseball team tied for second in the conference and came up with a 11-8 regular season mark, the season could only be termed mediocre. Aiming for the fifth Riley title in six years, the Cats faced a difficult task.

Hitting, considered one of the team strong points, proved the downfall of Riley in ENIHSC play. In their three conference defeats, (two of which were by one run) the team could muster up only an average of two runs per game.

Another four years have passed for all the Seniors at at Riley, and now the fun of the wide open outside is at your doorsteps. Many will marry and others will fruther their educations at college. No matter how you decide to make your move don't forget all your friends and the people who may have helped in the past years. Our best wishes go with you and a hope of seeing you very often in the years to come.
