Senior Becomes U.S. Citizen

by Steve Pocza

I participated in a ceremony Wednesday, Nov. 22, 1967, in which no American ever could. I was naturalized a United States citizen by Judge Robert Grant, of the United States District Court of South Bend. The procedure took place at the Indiana Club as the program for a Rotary Club meeting.

We five candidates and our guests were seated at the front of the dining room, and we had a wonderful dinner before the court session. All stood when the judge entered, and our examiner and counselor made a motion for the court to accept our applications for citizenship. The motion was granted, and the five of us stood and took our oath of allegiance and denounced our former citizenships.

My heart beat fast as the clerk read the oath, and I barely could utter the words "I do" when the time came. Surprisingly it was over before I had time to catch my breath, but the best was yet to come. We lowered our right hands, faced the judge, and waited for his address. He started out, "Fellow Citizens."

Those two words are the most important words in the English language. I originally applied for citizenship because I needed U.S. citizenship to go to college, to get into the ROTC, and to apply for financial aid. For me, the door is open, and I now realize my citizenship means much more. The judge pointed out that we must live up to the privilege that has been given us. I am now ready to make my life meaningful as a citizen of the United States of America.

U.N. is Successful

by Regina Zar

The fourth annual South Bend Model of the United Nations Assembly was called into session at 3:00 p.m. Nov. 17 in Riley's auditorium. It was an imposing spectacle that met the eye as one walked through the auditorium door. Many delegates were clothed in the native dress of their countries. Before a drawn curtain backdrop was a long white table, at which were seated the officers of the U.N. President of the Assembly was Senior Dennis Gay. Karen Brom, of Central High School, was Secretary General.

The delegates were divided into three committees. Committee #1 discussed the Arab-Israeli conflict. Chairman was a United States delegate with Brazilian delegate as rapporteur. The resolution called for a meeting of the Middle-Eastern countries in Geneva. The purpose of it would be to discuss Israel's border rights, use of international waterways, and how to deal with refugees.

The second committee's topic was striving for peace in Viet Nam. Bombing, sabotage, assassination, suspension of all troops and war material reinforcements by both sides, and the establishment of a U.N. peace-keeping force stationed in Viet Nam, Laos, and Cambodia -- all this within a week of this resolution's passage. Canadian delegate was committee #2 chairman.

The third committee discussed U.N. Charter reorganization. The resolution proposed to broaden powers of the General Assembly, provide for balance of power in the General Assembly, and change the voting procedure in the Security Council. A representative of Nigeria was chairman, and Mary Lou Johnston, of Burma, was rapporteur.

As can be expected, different delegates had different opinions on these issues.

Riley Thirteen Visit Purdue

Thirteen students from Mr. Charles T. Goodman's speech classes will attend the thirty-fifth Annual Debaters' Congress and Student Legislative Assembly to be held today and tomorrow on the Purdue University campus. This special event consists of four areas of speech: debate, discussion, extemporaneous speaking and legislative assembly. The debate section concerns a workshop-type debating session between the Purdue debate teams.

The students who have experience in forensic activities or in discussion who are competing in the discussion event are Hope Hammond, Greg Petry, Niles Crum, David Paskin, and Craig Nedderman. The subject for dis-

Reed, Judith Hoover, Kathy Kenna, Mark Arsenaull, Janet Metz, Mitchell Heppenheimer, Nancy Sauer, Brenda Beatty, Onya Cronk, Vickie Hendricks, Sharon Toth and Cynthia Ginter.

After the ceremony, a reception for the inductees and their parents was held in the Riley cafeteria.

Music Provided for Christmas

The Glee Club will be giving a number of Christmas concerts this year in addition to the annual Christmas assemblies on December 13 and 14. A combined concert will be given at 7:30 p.m. Thursday, December 13 at the Indiana University South Bend Campus. Mr. Rocco Germano is director of the Glee Club, Mr. Harold Kottowski is director of the orchestra, and Mr. Lewis Habegger is director of the band. The Glee Club presented a concert

discussion will be: What role should the federal government take in criminal investigation?

In the extemporaneous event, topics will be drawn from *Time*, *Newsweek*, and *U.S. News and World Report*. The topics will be stated so that the speaker will be required to argue for or against a proposition. Those participating in this area are Judi Stein, Joseph Thompson, Karl Hoffman, and Arthur Diamond.

The legislative assembly will be composed of a model House of Representatives and Senate. The Riley representatives here are Don Lerman, urban affairs committee; Dave Coffman, interior committee; and Bill Wilson, armed services committee. Dennis Gay is a senator of foreign policy.

Cheri Heads State D.C.E.

Cheri Bosell, of Riley, is serving as state president of D.C.E. She was elected at the state convention held November 18 in Indianapolis. Twenty-one students attended the convention. The delegates who participated from Riley were Gail Schuster and Pam Fields.

The day proved to be rewarding to all involved, especially Cheri. Other officers elected were vice-president, William G. Stephen from Connersville; secretary, Sharon Kay Chaney from Portland; parliamentarian, Jan Polhemus from Anderson and reporter, Carol Ann Wean from Anderson.

The DCE class at Riley has been very busy this past semester. The class officers presented a parliamentary procedure demonstration for the DE regional meeting in October. In October five students went to Indianapolis to participate in the State VICA elections and in November seven students took part in the State DCE elections.

The officers of this year's class under the direction of Mr. Donald Baldrige, sponsor, are Cheri Bosell, president; Becky Heidrich, vice-president; Gail Schuster, secretary; Vicki Groshans, treasurer; Barb Woolley, parliamentarian; and Sue Gillen, reporter.

on WSBT-TV on December 6. The entire Glee Club, including the Freshman Glee Clubs, will participate in these Christmas Concerts.

Student teachers get Wildcat spirit

This year 30 college students will be doing their student teaching at Riley. They will be assisting the regular teachers in the classrooms in order to earn credits for college that will enable them to become accredited teachers.

Only a portion of the students are here now. Mr. Tom Kirchner is a student at the University of Notre Dame and is student teaching under Mr. Robert Bilby. He is from Washington, D.C. and is teaching "communication." Mr. Kirchner said he feels we have a good cross section of students and that Riley is "groovy."

Miss Deborah Schether is student teaching under Mr. James Kryder in Economics and Sociology. She is from San Francisco, California and is attending Indiana University. She likes Riley very much and says we have a better program than her school had except in the gym program.

Teaching with Mr. Douglas Simpson in room 210 is Mr. Jack Seddon, who comes from New York. He has attended three different high schools: Lakeland High School in Vancourtlandt, New York, Archbishop Stepanac in White Plains, New York, and South Catholic in Pittsburgh, Pennsylvania. At Notre Dame he majored in government and international studies. He is also a commissioned officer in the United States Air Force. He will serve in the Air Force after teaching here.

Mr. Richard Przybysz, who is student teaching under Mrs. Anna Bohan in the English Department, finds his experiences worthwhile. However, the lunch hours are a little hectic to him. He is attending the University of Notre Dame and is a native of South Bend. His advice to students is, "Be yourself."

Christmas Party Rocks Riley's Library

The annual library Christmas party was held in the library from 7:00 until 9:00 p.m. Thursday, December 5. Members of the library staff are Joy McGriff, president; Kathy Manuzak, vice-president; Klara Ferkis, secretary; Linda Johnson, assistant secretary; Teri Toth, treasurer; Pat Lewis, assistant treasurer; John McCune, sergeant at arms; Bob Lawson, parliamentarian; social chairmen, Bob Lawson and Becky Franklin; Amanda Gunne and Allan Franklin.

Maria Speaks on Brother's Success

This has been a great season for the Indiana University's football team. With a 9-1 record, they were chosen to represent the Big Ten in the Rose Bowl in Pasadena, California on Jan. 1.

But this has also been a good year for linebacker, Ken Kaczmarek, number 52. He was chosen for the Big Ten team and named "lineman of the week" by the UPI. January 8 he will be flown to Hawaii to represent I.U. in the Huller Bowl. Beside his busy schedule he maintains a 3 point average.

Ken's sister, Maria, a Riley student, says his reason for success is nothing more than hard work and determination. Maria said, "I have cheered the team for three years and finally they made the Rose Bowl. I hope I can see them in person on January 1 at the Rose Bowl."

Matmen Look for Great Season

As always, Riley's wrestling team is looking forward to another fine year.

Coach Thomas Connelly has five returning lettermen, only three of whom are seniors. The seniors are Albert Gammage (112 lbs.), Don Lerman (103 lbs.), and Ollie Ross (154 lbs.). The two returning juniors that won letters are Larry Monsma (95 lbs.), and Kenny Reed (138 lbs.). Also coming back is Floyd Jackson (127 lbs.) who wrestled varsity for the first half of the season last year.

Coming up from last year's B-team are Phil Kennedy (H.W.), Bob Foster (180 lbs.), Tyron Watford (120 lbs.), Robert Mawson (133 lbs.), Mark Farkson (145 lbs.), Allen Chapman (165 lbs.), Tom Nowak (120 lbs.), Phil Wray (133 lbs.), and Steve Kennedy (145 lbs.).

There are three weights where the varsity man has not yet been decided upon. Tyron Watford and

Tom Nowak are both working for 120 lbs. At 133 lbs., Phil Wray and Robert Mawson are trying for varsity. Steve Kennedy and Mark Farkson are battling for the 145 lbs. position.

Overall, the team looks excellent and will probably have a great season.

The first home match was Tuesday, December 6 against LaSalle

and last night there was another home match against Elkhart. The B-team matches start at 6:00 and the varsity at 7:00 p.m.

Lion Swimmers Defeat Riley

LaSalle and Riley clashed Tuesday night in Riley's pool. It was a long, hard battle with LaSalle coming out on top. The meet came down to the last free relay with Riley behind by 4 points and the relay would render Riley 7 points if they could win it. Both LaSalle and Riley's relays were tied from the first man to the last. The outcome of this one battle was LaSalle touching out Riley.

The whole meet was this way. Each race was nip and tuck until the last lap.

The 400 free was won by LaSalle. Then came the relay. The final score was 43-53.

Booster Plan All-City Basketball Court

Booster Club officers of the South Bend high schools and the Student Council officers of St. Joe High School are planning activities to boost the South Bend Holiday Basketball Tourney which will be held December 27, 28 and 30. The games on Wednesday and Thursday will be at Jackson and LaSalle; the final game on Saturday will be at Washington High School.

An all-city court is the main attraction. One girl from each school will be chosen by that school to be its representative. If it is decided to have a queen, the girl representing the winning school will be the queen. The girls from the four schools participating in the games at Jackson or LaSalle on Wednesday and Thursday will be at those games. All court girls will be presented at half-time Saturday night.

Riley is in charge of programs for the games. Washington is to contact the High School page of the South Bend Tribune. Central is looking into the trophy for the runner-up school. Adams and Jackson are working on publicity, and Jackson is seeing about an all-city dance to be held before the tourney. Clay and St. Joe are getting flowers for the court for the first games.

The ticket prices are as follows: One session: students, \$.75; adults, \$1.50. Both sessions: students, \$1.00; adults, \$2.00. Finals: students, \$.75; adults, \$1.25.
